### **City Manager's Budget Statement**

City Manager's Budget Statement 2014-15 City Council Goals Organization Chart Personnel

City of Grand Haven City Manager's Office 519 Washington Avenue Grand Haven, MI 49417 616-847-4888

TO:	Mayor and City Council
FROM:	Pat McGinnis, City Manager
DATE:	March 22, 2014
SUBJECT:	2014/2015 Budget Statement

### Sec. 8.3. City manager; budget proposals, statement required.

The city manager shall submit to the council with each budget proposal, a budget statement which shall explain the budget proposal and contain an outline and explanation of the proposed financial policies of the city relating to its operations for the next fiscal year.<sup>1</sup>

Attached is the proposed operating budget for the City of Grand Haven for the fiscal year beginning July 1, 2014 and ending June 30, 2015. The proposed budget provides a description of the operational, capital and fiscal plans which, when adopted by City Council, is used by the public, City Council, City Boards, City staff and administration to achieve the goals described within the document. It is used to both project the various activities and resources as well as monitor the outcome during and after the fiscal year.

The budget is divided into several sections and each City department or group is categorized according to fund type. Great detail is provided on each fund and the sources of financial support for every City function are fully explained herein.

The attached document provides a total picture of next year and gives a reasonable capital forecast for the next six years. The ongoing mission of the City's management team is to provide the greatest level of municipal service using the most efficient methods possible. It is also our mission to listen to the elected officials and follow their direction.

### City Council – Goal Statement

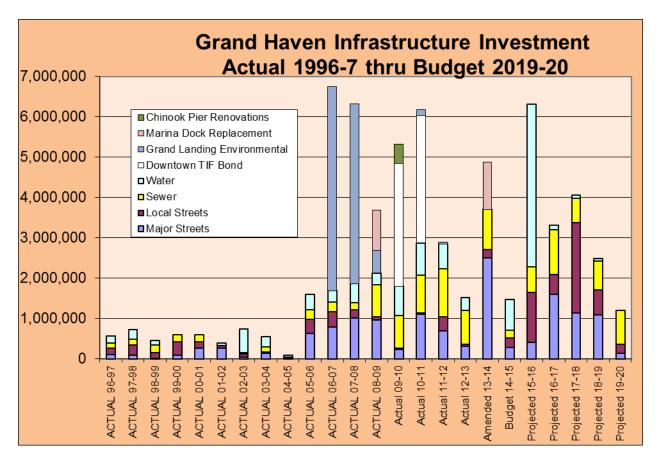

The budget is a reflection of the goals set by City Council each year. Each budget process begins following a goal setting process conducted by the City Council.

Your graphic goal depiction, created by award-winning staffer Mary Snedeker, is framed and posted in every City Department. All department directors and managers review these goals and develop budget requests in line with the goals as stated by City Council. In 2014, we intend to use your goal statement as a placemat at area restaurants, satisfying the public appetite for a vivid understanding of your policy direction.

<sup>&</sup>lt;sup>1</sup> Excerpt from the Grand Haven City Charter, adopted by the voters of the City of Grand Haven on April 6, 1959.

### Infrastructure

The new budget continues to decade long total commitment to rebuilding our infrastructure. The substantial spike in the water investment next year, as shown below, represents the remote read meter project; otherwise the prominent public investment in the next five years is in sewer, water and street infrastructure.

On November 6, 2007, voters approved a \$9.4 million infrastructure bond issue. Funds were effectively leveraged from 2008 – 2014 to accomplish over \$15,000,000 in infrastructure improvements (exclusive of Grand Landing and downtown investment). On November 5, 2013, voters again went to the polls to decide on a proposed bond to continue infrastructure investment. The approval granted by the voters will yield a bond of greater than \$7 million in early 2015 which will fund improvements through 2019/20 in Grand Haven.

The 2014/15 year is a slow starter. We are wrapping up a list of substantial projects and are preparing for five years of considerable investment.

- Water Tank Hill water main
- Extensive resurfacing and repair following most brutal winter in decades
- Remote Read Meters
- Planning and design engineering for major 2016 projects (Grand Avenue)

### Local Finance Questions, Not Answers

Every city, village and township in the state is faced with a problem: citizens demand a basic level of public service and our ability to finance those services is made more difficult each year.

Why the change from yesterday's City Budgets? Three reasons:

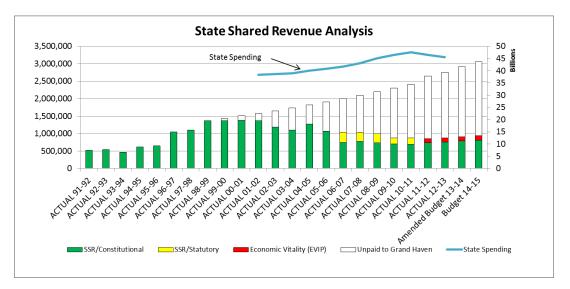

- 1. Lessened ability to collect property taxes (Headlee, Proposal A, Personal Property Tax Elimination), and
- 2. Reductions in shared revenues, and
- 3. Continued hangover from recession induced property value declines

### Limits on Local Collections

The infamous Headlee amendment to the Michigan Constitution provides an artificial ceiling on a local unit's ability to fund local services and improvements. Proposal A from 1995 goes further to limit your ability to self-fund operations and capital improvements. The elimination of revenue from the Personal Property tax results in a clumsy system that remains, without revenue that was once produced by all the paperwork. In the absence of Headlee and Proposal A limits, a lower millage rate would produce the same revenue to fund your operations. *Artificial limits on property value imposed by our elected leaders in Lansing have only created artificially inflated millage rates across the entire State*. They have also created confusion and a lack of understanding.

### Shared Revenue: Greater Share for Lansing; Lesser Share for Grand Haven

Lansing is restricting the flow of shared revenues and it is apparent that this restriction will continue. This is a significant shift in the way we provide public services in the State of Michigan. "Shared revenues" are dollars that are paid locally, go to Lansing and are reallocated to the local units for basic services (public safety, recreation, elections, etc.)

The State Treasury now ties strings to your money, forcing us to demonstrate our adherence to Lansing values to retrieve the dollars we send there. We toe the line to get

our funds back, and will continue to do so. The chart above shows how once upon a time we actually were allowed to use local revenue for local services and how the State has gradually taken that funding away.

### Continued Hangover

In 2008, local government in Michigan was introduced to a new normal. Our property values inverted for the first time. Our primary revenue source went down instead of up, but all expenses continued to climb. The mortgage foreclosure scandal of last decade reverberates through this budget document. We continue to operate at a reduced staffing level compared to ten years ago. This does not change our belief that we need to economize, prepare for austerity and build our capacity to provide uninterrupted services to the community.

Local leaders and citizens are reminded that the challenges discussed above affect only the general fund, but this is our largest fund (excluding the Board of Light and Power) and, to a great extent, activities financed by the general fund subsidize and stabilize all of the other City funds.

### Tax Increment Financing - Three Scenarios, Three Different Outcomes Projected

**Boat Storage**: Producing value and tax increments as expected. Will retire this debt in 2014 and will be eligible to retain up to \$75,000 per year for up to five years to fund other brownfield improvements.

**Main Street Downtown Development Authority**: Captured value does not meet required bond payments, causing \$100,000 General Fund subsidy in the coming fiscal year.

**Grand Landing**: Likely investment in coming fiscal year, however project remains a considerable fiscal challenge and continuous feedback will be provided to City Council to advise of steps necessary to satisfy obligations without threatening effective operations or placing an undue burden on property tax payers.

# <u>Under existing agreements with controlling authority boards, all funds transferred to cover</u> shortfalls will be repaid, with prevailing interest.

### Condition of Funds

# All City funds are in a positive state. Cash flow for the next fiscal year is adequate to meet City Council objectives.

The overall message in the budget is good – your funds are all balanced and adequate reserves are in place to sustain services in the coming year.

Considerable detail follows in this budget, and I thank the following cast for their dedicated help pulling together the narrative and numbers that make up the 2014/2015 City of Grand Haven budget document:

James Bonamy, Finance Director Bill Hunter, Public Works Director Jeff Hawke, Public Safety Director Tom Manderscheid, Harbor Transit Director Sam Janson, Assistant City Manager Bonnie Suchecki, Human Resources Manager Linda Browand, City Clerk Sandra Katt, Community Affairs Manager Diane Larkin, MSDDA Director John Stuparits, Wastewater Superintendent Joe Vanderstel, Water Plant Manager Teri VanHall, Treasurer Trina Robinson, Accounting Supervisor Char Seise, Neighborhood Development Coordinator

Estimated

Beginning in Fiscal Year 1994-95, millage levies apply to the Taxable Value (green), not State Equalized Value (red). Prior to 1994, millage levies were directly applied to the State Equalized Value (SEV), 1/2 of True Cash Value. School Operating Millage was dropped from Homestead properties in 1994. Non-Homesteads continue to pay it.

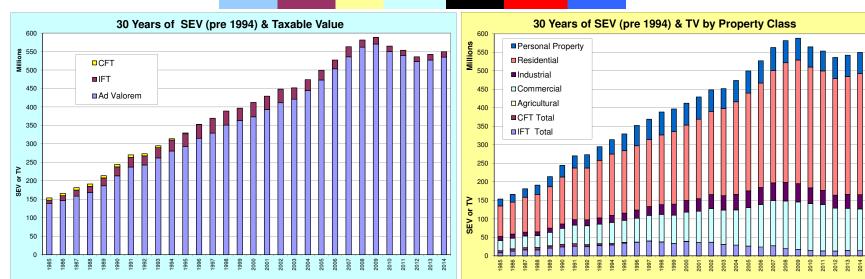

Historical Property Values By Type 2014-2015 PROPOSED BUDGET 3/13/2014

Department: General Fund Revenue

Activity: Financial Resources

Line Item Listing: Tab 6, Pages 1 - 5

## **Departmental Customers**

- City Council
- City Manager
- All departments, divisions, agencies, employees, boards.

## **Services Provided**

General Fund revenue supports the operation of all departments of the General Fund and includes transfers to other operating and bond funds and, when funds are available, transfers for capital improvements and enterprise funds.

Revenue is shown in five broad categories: property taxation, payments in lieu of taxes, state shared revenue, interfund administrative fees and other income. Grants are shown separately as these are one-time revenue and may not be received in later years.

## Staff

This "Department" is not staffed, although the efforts of the Treasury and Finance Department staff cannot be understated with over \$11,031,000 in revenue. All City functions supported by General Fund Revenues are served by this internal service department.

## **New Initiatives**

Taxation revenue includes 0.7800 mills for the last year of Community Center debt service and 0.8500 mills for streets repairs. These dollars are transferred out to the Building Authority Fund and Major and Local Streets Funds. The majority of taxation revenue, 9.6314 mills, is used to fund general operations of the General Fund and is proposed the same as last year.

There are no changes in the total millage rates anticipated for FY 2014-15 from last year for operations.

Administration proposes continuing the 0.7500 mill levy for the Grand Landing Debt Support Fund to meet future debt service needs for tax increment financed properties within the City. Should there not be a need for these resources for debt service, Administration recognizes City Council direction to apply these resources for infrastructure projects and not use it for operations. Specific City millage:

	<u>FY 2011-12</u>	FY 2012-13	FY 2013-14	FY 2014-15
	<u>Actual</u>	<u>Actual</u>	<u>Amended</u>	<u>Requested</u>
Undesignated Designated millage:	9.6914	9.6314	9.6314	9.6314
Public Improvements	-	-	-	-
Streets Program	0.8500	0.8500	0.8500	0.8500
Voted millage: Public Transportation	0.5700	0.6000	0.6000	0.6000
Community Center debt	0.7500	0.7800	0.7800	0.7800
Infrastructure debt	1.0000	1.0000	1.0000	1.0000
G. L. Brownfield Debt Support	0.7500	0.7500	0.7500	0.7500
Totals	<u>13.6114</u>	13.6114	13.6114	13.6114

Proposed is a \$1,000,000 transfer from General Fund to Public Improvement Fund in the current fiscal year. Budget 14-15 anticipates no transfer.

Administration's direction is to closely reflect the anticipated needs for specified millage as opposed to including the additional needs under general operations. Further definition in this manner shows obligations directly matched by millage applied. Administration continues to adhere to City Council's continuing direction to keep millage levels as low as possible.

Voters approved one mill for debt service on infrastructure bonds in November 2007. It appeared for the first time in FY 2008-09 and is paid directly to the Infrastructure Bond Special Revenue Fund.

Voters approved one mill for debt service on infrastructure bonds in November 2013. It will appear for the first time in FY 2015-16 and will be paid directly to the Infrastructure Bond Special Revenue Fund. The 2014-15 Budget will include revenue from the bond sale presently anticipated in January 2015.

State Shared Revenue has been forecast at current year constitutional levels plus the Economic Vitality Incentive Program component (formerly "statutory revenue sharing"). The City was successful in the last three years to receive these funds and anticipates meeting State requirements in the future. However, State legislative actions continue to limit this revenue source. We expect further downward pressure on this revenue as sales tax receipts are variable and the State's fiscal position remains unstable.

Administrative charges to other funds are calculated to reflect costs of the General Fund (City Council, City Manager, Treasury, Clerk, Finance, Human Resources and IT) which serve all funds. The percentage basis for the spread is based on the total expenses of each fund, excluding depreciation in the enterprise funds, divided by the total expenses of all funds (less the Sewer Authority, which has a contracted rate annually adjusted.)

Department: City Council

Activity: City Council

Line Item Listing: Tab 6, Pages 5-7

## **Departmental Customers**

- Citizens
- Media and the Public at Large

## **Services Provided**

The City Council of the City of Grand Haven serves as the legislative body of City government, including the Mayor and four Council Members. City Council establishes City legislative policy by approving resolutions and ordinances and allocates public funds through the adoption of the City budget. City Council directs the activity of City staff through its appointed City Manager. City Council also appoints the City Attorney and the City Clerk, and is "…dedicated to the attainment, through government, of a high level of living for every citizen".<sup>[1]</sup>

# **Elected Officials**

Geri McCaleb, Mayor Mike Fritz, Mayor Pro-tem John Hierholzer, Council Member Bob Monetza, Council Member Dennis Scott, Council Member

## **New Initiatives:**

The City Council direction for the coming fiscal year is set forth in the 2014/2015 Goals Statement. Staff is directed to <u>Finish</u> Strong on several immediate projects, <u>Connect the</u> Dots to refine services now offered, and exploit Opportunities to enhance quality of life by leveraging outside sources of revenue. City Council's operating budget is limited in focus to the operational needs of the deliberative body and is not used for major projects. City Council objectives for staff and administration are shown throughout the entire budget document.

<sup>&</sup>lt;sup>[1]</sup> Noted in marble at the front entrance foyer of City Hall.

Department: City Manager

Activity: City Administration

Line Item Listing: Tab 6, Pages 7-8, 13-14

## **Departmental Customers**

- Citizens
- City Council
- City Departments and Employees

## **Services Provided**

The City Manager's Office is responsible for facilitating accomplishment of City Council's goals. The Mayor and City Council formulate broad policy initiatives and direct the City Manager in the execution of their will. As Chief Administrative Officer for the City, the City Manager is charged with responding to the needs of the entire community and is ultimately responsible for the daily operations of the City.

Besides new goals set forth below, the City Manager's Office continues to work with regional partners to address harbor maintenance (dredging and seawall), economic growth, recreation, and advocacy of environmental sustainability. Major updates to the City's computer network infrastructure will keep primary systems in operation and secure. Collaboration continues to be a primary objective to enhance efficient operations.. The City Manager's Office will continue to be the catalyst for regional collaboration in northwest Ottawa County.

Information Technology, charged with strategic development, deployment and maintenance of servers and departmental computer systems, will see major upgrades in the coming fiscal year. Additional efforts will be made to update: the City website, geographic information systems, file servers and database management and telephone systems.

The struggle to maintain premium service delivery, as resources continue to dwindle, demands constant attention to efficiency as defined and directed by the City Manager. Grand Haven's expert service delivery personnel (through all departments) continue to provide high value to the taxpayers. The City Manager's Office is charged with maintaining high morale throughout the organization to continue this tradition of excellence.

## Staff

- 1 City Manager
- 1 Assistant City Manager

- 1 Executive Administrative Assistant
- 1 GIS/Website Technician

# **New Initiatives**

A quick read of the Budget and the Service Plans of all departments reveals a very busy municipal organization. The City Council presents a challenging goal structure in 2014/2015 to FINISH several projects, REFINE many service offerings and EXPLORE several new directions – it will be a busy and exciting year in the southwest corner of City Hall!

Department: Planning and Community Development

Activity: Planning, Zoning, Building Inspection

Line Item Listing: Tab 6, Pages 8-10, 24-25

# **Building & Inspection Division**

No new projects are anticipated in the Building Division. Inspectors will continue to participate in training events in Michigan as in previous years to maintain required professional certifications. Until we are fully staffed with city-employed inspectors, we will utilize contractors to perform electrical inspections and building inspections as needed, so \$25,000 is proposed for contract services to cover these expenses.

# **Planning & Zoning Division**

The City's Master Plan is required to be updated every 5 years. February 2015 marks 5 years since the last update. We will be working with LIAA through a grant from the DEQ Coastal Management Program to review our planning policies to ensure we are planning for a resilient future. Grand Haven Township will also partner with us on this effort. The total community contribution would be 20% of the total project cost, with each community contributing \$10,000 (20% of \$100,000). An additional \$5,000 is budgeted for miscellaneous other planning efforts that may arise unexpectedly throughout the year.

# Staff

Full Time Staff:

- 1 Community Development Manager/City Planner
- 1 Building and Mechanical Inspector
- 1 Administrative Assistant
- 1 Neighborhood Development Coordinator

#### Part Time Staff:

- 1 Code Enforcement Officer (part time)
- 1 Rental Inspector (part time)
- 1 Contract Electrical Inspector
- 1 Housing Educator (part time, contract position and grant dependent)
- 1 Housing Administrative Aide (part time, grant dependent)

Department: Elections

Activity: Election Administration

Line Item Listing: Tab 6, Page 10

## **Departmental Customers**

- Citizens and Voters
- The Media and Public
- Election Commission
- Grand Haven Area Public Schools
- Ottawa County
- State of Michigan

## **Services Provided**

The Clerk's Office provides administrative services for city, state, federal, and school elections. In addition, the City Clerk's Office maintains the City's voter registration list using the State of Michigan's Qualified Voter File system.

The City of Grand Haven is located in the 2nd District of the United States House of Representatives; the 30th District of the State Senate; the 89th District of the State House of Representatives; and the 10th District of County Board of Commissioners for Precinct 1, 2, and 4; and 9th District of the County Board of Commissioners for Precinct 3.

#### Staff

The City of Grand Haven employs approximately 30 election inspectors to work at the polling places. The City Clerk staff also monitors election management and processing of votes.

## **New Initiatives**

There are no new funds budgeted for operations in the Election division. Funds have been allocated for election staff compensation and costs of continued reputable operations:

- Holding efficient, well run, accurate elections
- Using laptops in the polling locations in place of paper voter lists and poll books
- Ensuring that voter registration records are accurate
- Scanning signatures with each new and changed registration application
- Using and maintaining County-owned, vote-tabulation equipment
- Maintaining a list of people who plan to vote by absentee ballot for every election

# **Services Provided**

The Finance Department Staff is responsible for:

- A. Development, maintenance and reporting on a system of accounts which accurately detail the fiscal operations of the City's General Fund and all other governmental, enterprise and trust funds under the City's responsibility, including the systematic payment and accounting for expenditures; monthly confirmation of cash balances in bank accounts and investments; preparation for annual audits; development of the annual budget; payroll and benefits administration, etc.
- B. Development and maintenance of a utility billing system for water and sewer utility customers, including calculation of billings, mailing, and tracking account activity.

- C. Coordination of meetings, financial administration and maintenance of records of the Economic Development Corporation and the Brownfield Redevelopment Authority.
- D. Fiscal reporting on grant administration and accounting for non-City Funds (including those of the Ottawa County Central Dispatch Authority, Harbor Transit Multi-Modal Transportation System, Northwest Ottawa Water Treatment Plant and the Grand Haven-Spring Lake Sewer Authority) and component unit funds (the Building Authority, the Economic Development Corporation, the seven Brownfield Funds and the four MSDDA Funds)
- E. Administration of all City and agency financial obligations including debt service and public and private grants.
- F. Development of public and internal reports and graphical analyses as needed.
- G. Coordination and assistance to Spring Lake Township accounting and customer support needs.

The Treasury Division staff is responsible for:

- A. Acting as the legal custodian of all funds of the City. Money is collected in taxes, City water, City sewer, Board of Light and Power electric bills, parking permits and fines, OUIL reimbursements, municipal marina slip rental and boat launch fees, building permit fees, Community Center and other City-owned building rentals, Harbor Transit rider fees, State-shared revenues, and a variety of other miscellaneous income.
- B. Funds deposited into bank accounts and analyzed for investment opportunities.
- C. Tax bill preparation and mailing semi-annually. Property taxes are collected for all local taxing jurisdictions (and the State) and distributed timely according to State law and local agreements. Over \$24,000,000 is collected through the tax billing and receipting process. In 2013-14, over 4000 summer tax bills included winter taxes to reduce overhead and collection cost.
- D. Internal Treasury services including revenue reporting for accounting purposes and a periodic investment report for the Sewer Authority and City Council.

#### Staff

- 1 Finance Director
- 1 Accounting Supervisor
- 1 Treasurer
- 1 Senior Accountant shared with Spring Lake Township
- 1 Utility Billing Clerk Accountant
- 1 Accounts Payable Clerk Accountant
- 1 Cashier Accountant
- 1 Payroll Accountant and Benefits Coordinator

### **New Initiatives**

Treasury staff operates under Finance Director supervision. Two fulltime Finance positions closed in December 2010 which were not anticipated to be replaced, however, the increasing complexity of accounting for grants and other purposes suggests the City may need to fill an unbudgeted summer part-time position. Cross-training and rotating staff among various operations also will result in greater operational resiliency due to staff changes and produce stronger internal understanding of operations. As training commences, job descriptions will include the cross-training reference.

The Finance Department strives to:

- Provide accurate periodic reports of financial activity.
- Maintain an "unqualified" annual audit for the City and all contracted agencies including over 100 individual spreadsheets for auditor review purposes.
- Provide annual required documentation for investors.
- Provide extensive analytical and structural support for the City Manager's Budget process.
- Implement ongoing upgrades to the financial software systems. (Note, in FY 2012-13 the department installed new integrated accounting software from BS&A Software of Bath, MI. This transition concludes in the new fiscal year with completion of setup operations and continuing improvement in ongoing system integration.)
- Expand graphical analysis in public and internal information presentation.
- Maintain accounting and reporting for grants received by the City.
- Continue support to all departments, City Manager and City Council as needed.

Department: Finance - Assessing

Activity: Assessment Administration

Line Item Listing: Tab 6, Pages 12-13

## **Departmental Customers**

- City Council
- Board of Review
- City Manager
- Finance Director
- City Treasurer
- City Planner
- Building Inspectors
- All departments and individuals needing land-based information.
- The Public; especially property owners within the City

## **Services Provided**

The Assessing Division of the Finance Department creates and maintains a system of equitable assessments for all taxable properties within the corporate boundaries of the City of Grand Haven in accordance with all current laws and regulations. The division responds to requests for property value, property tax and other land-based information from the public and departmental customers noted above. The division directly serves the organizational and informational needs of the Board of Review and assists the Building Inspector with a list of known rental units within the City, the Treasurer's office on taxation related issues, especially tax billing, and the Finance/Accounting Division with property information for utility billing.

\* As of 03/12/2014

The City Assessor is appointed by the City Manager and confirmed by the City Council as required by the City Charter. The Assessing Division serves under the supervision of the Finance Director. In FY 2011-12, the Assessing Division was restructured from retiring City employees to a contractual relationship with Ottawa County, utilizing staff from the Ottawa County Equalization Department for all assessing functions. The Equalization Director acts in all Assessor legal capacities, with County staff supporting the process. One County Staff member is assigned to the City 40 hours a week, schedules Wednesday afternoons every week for "walk-in" service and is otherwise available Monday through Friday on call (616 846-8262).

A commercial and industrial reappraisal process was completed in the summer of 2013 and a new three year contract was approved with the County.

#### Staff

A contractual relationship continues with the Ottawa County Equalization Department providing staff to serve City residents and customers (2 FTEs).

#### **New Initiatives**

Maintenance and continuous refinement of the huge databases which make up the property appraisal system continue to be the driving force behind Assessing Division activities. There are no staff members budgeted for operations in the Assessing Division.

Note that the property appraisal system is the backbone of data for the City geographic information system (GIS). This information is collected by Ottawa County for their GIS and is annually returned already inserted in the City GIS database. Staff also updates the GIS data during the year.

Department: Legal Services

Activity: Legal Review, Prosecution and Defense

Line Item Listing: Tab 6, Page 13

## **Departmental Customers**

#### City Attorney

- Mayor and City Council
- City Manager's Office
- Building and Planning Department

#### Labor Attorney

- City Manager's Office
- Human Resources Department

#### **Prosecuting Attorney**

- City Manager's Office
- Public Safety Department
- Building and Planning Department

# **Services Provided**

**City Attorney:** The City Attorney reviews all contracts and various other documents prior to recommendation to City Council for approval and offers legal opinions as needed to City Council and City Manager. The City Attorney attends City Council meetings and other meetings as requested to provide legal insight. All contact with the City Attorney is either directed by the City Council or as requested by the City Manager.

**Labor Attorney:** The Labor Attorney provides services in the area of personnel issues relating to employee and employer rights and responsibilities, personnel policies and general labor matters and reviews sensitive documents relating to personnel issues. The Labor Attorney is the lead in collective bargaining.

**Prosecuting Attorney:** The Prosecuting Attorney deals with all violations of City Ordinances and litigation at the Ottawa County Courthouse. All violations are expected to be handled in a timely manner to achieve 100% long term compliance with City laws and ordinances.

# Staff

• Various attorney firms are utilized for these services. In 2014, the City relies on Chris Houghtaling for Prosecution Services, Clark Hill for Labor and Real Estate advice and Dickinson Wright for Bond and General Counsel.

Department: City Clerk

Activity: City Clerk

Line Item Listing: Tab 6, Pages 14-16

# **Departmental Customers**

- Mayor and City Council, City Manager, All City Departments and Employees
- Media and Public at Large
- Boards and Commissions, Election Commission, Board of Light and Power, Grand Haven Spring Lake Sewer Authority, Northwest Ottawa Water Plant
- Ottawa County

#### **Services Provided**

The City Clerk's Department provides informational services to residents, property owners, the general public and other City departments.

The City Clerk attends meetings of the Council and keeps a permanent record of all of Council's actions and proceedings. The City Clerk also serves as the City's Freedom of Information Act (FOIA) Coordinator. The Clerk's Office is the custodian of all permanent documents and records of the City, many of which are scanned into a LaserFiche electronic file system for storage, search, and retrieval. The Clerk's Office staff issues permits and prepares and posts notices. Staff also maintains the boards and commissions membership list, prepares correspondence, information packets and oaths for newly appointed members. The Clerk's office also administers elections and maintains voter registration files. (See the Elections Division.)

## Staff

- City Clerk
- Two (2) Administrative Assistants

## **New Initiatives**

Funds budgeted for operations in the Clerk's Office include wages, health insurance and other employee benefits and costs for continued service to our citizens, including:

- Electronic access to the Code of Ordinances internally and via the internet.
- Electronic Cemetery Records.
- Scanning and indexing of permanent records into the LaserFiche System (records retention search & retrieval software).

Department: Human Resources

Activity: Administration

Line Item Listing: Tab 6, Pages 16-17

## **Departmental Customers**

- All City Departments, Employees & Retirees
- Grand Haven Board of Light and Power
- Ottawa County Central Dispatch Authority
- Grand Haven Spring Lake Sewer Authority
- Main Street Downtown Development Authority
- Harbor Transit Multi-Modal Transportation System

# **Services Provided**

This Department directly serves all City Employees, City Retirees, the Grand Haven Spring Lake Sewer Authority, the Main Street Downtown Development Authority, the Harbor Transit Multi-Modal Transportation System and the Ottawa County Central Dispatch Authority in all areas of human resources management, including benefits. This division also oversees benefits administration for the Grand Haven Board of Light and Power. Other areas of administration include recruitment and staffing, employee relations, union negotiations, compensation and benefits, human resources information management, workers compensation and regulatory compliance.

## Staff

1 Human Resources Manager

## **New Initiatives:**

- Meetings with retirees continue on a quarterly basis maintaining strong, current communications with former employees.
- Union relations continue to be open and strong. Issues are handled as they arise with open and honest communication on the part of the administration and the unions.
- 2014/2015 will be a critical year as the Human Resources software will be used in an expanded way. The learning of software and its capabilities has taken time and energy and continues to be a focus for the next year.
- We continue to review staffing levels and are currently staffed appropriately in all areas. We review each position as it becomes available and do not replace any individual without a full review of responsibility and confirmation of the need to fill the opening.
- 2014/2015 will be another critical year for recruitment at the City of Grand Haven as several veteran employees are anticipating retirement. The focus on recruitment is to maintain the

quality of the individual and minimize the loss of knowledge while acknowledging that the new staff members will be charged with moving the City of Grand Haven forward. Therefore, these hiring decisions will continue to have long reaching affects.

- Diversity and inclusion is a focus of the Management Staff at the City of Grand Haven. As we add staff we are cognizant of the need for a diverse workforce that is prepared to provide exceptional service to our residents.
- We will continue to address formal and informal training in the 2014/2015 fiscal year. As we assist new individuals to acclimatize to employment with the City, it will be critical to clearly and consistently establish performance criteria and expectations. Team building and basic government education will also play a significant role in training as we bring new individuals into employment by municipal government.
- The cost of benefits continues to be a major issue in the Human Resources Department. The upcoming requirements of PPACA, the direction set by the legislators in Lansing and our commitment to offer a competitive package to our employees while containing ever rising costs will be a significant focus over the next 1-5 years.
- Post-employment benefit liabilities continue to be a long term threat to the City's fiscal sustainability, and changes to existing benefit levels to mitigate that exposure must be measured against the City's ability to recruit and retain the best employees available. HR will work very closely with Management in the coming years to help measure that impact and to make the best recommendations to City Council.

Department: Public Safety

Activity: Law Enforcement, Fire Protection, Emergency Medical Services, Emergency Management, and Code Enforcement

Line Item Listing: Tab 6, Pages 18-25

# **Departmental Customers**

- Residents, Business Owners, and Visitors to the City of Grand Haven
- Crime Victims
- City Manager
- Area Wide Police & Fire Departments (Mutual Aid Agreements)
- Public Works and Community Affairs (Special Events)
- Liquor License Applicants
- Media Outlets (Crime Information and Public Awareness)

- Grand Haven Area Schools (Public & Private)
- United States Military (Background Checks)
- Businesses (Retail, Service, and Manufacturing)
- Maritime Transportation Safety (Waterway Security)
- State of Michigan & Federal Bureau of Investigation (Crime Statistical Submission)

# **Department Mission**

The mission of the Grand Haven Department of Public Safety, in partnership with our community, is to protect and enhance the quality of life for our residents and visitors by providing professional law enforcement, fire/rescue, and emergency medical services.

# **Department Priorities**

In carrying out the mission, the department seeks to:

- Prevent and reduce loss of life, injury and property
- Prevent and reduce crime
- Prepare the community for and warn the community of potential threatening events such as disasters and other unusual occurrences
- Determine the community's needs and direct resources toward meeting those needs
- Provide a sense of security for residents, business owners, and visitors

## **Department Services**

#### Law Enforcement Services

- Application and enforcement of criminal statutes through the detection and investigation of crime and the arrest of offenders, including participation in the Western Michigan Enforcement Team, which is focused on illegal drug activity
- Application and enforcement of the Michigan Motor Vehicle Code, Uniform Traffic Code for Cities, Townships, and Villages, and City of Grand Haven Code of Ordinances
- 24/7/365 immediate response and action related to critical incidents and other emergencies
- Traffic crash investigation, crash reconstruction, and reporting
- Traffic control including speed monitoring and community special events
- Directed patrols in response to citizen concerns
- Crime prevention and public education including providing Drug Abuse Resistance Education to elementary and middle school students, school liaison and truancy enforcement services, and child car seat installation
- Department of Homeland Security (DHS) port security surveillance
- Code enforcement efforts to remedy issues associated with blighted properties and junk vehicles, further enhancing and maintaining the high quality of life in Grand Haven.

#### Fire/Rescue Services

- Fire prevention through inspection and public education
- 24/7/365 immediate response for fire suppression
- Cause and origin fire investigations
- Planning services including building plan reviews related to fire codes
- Rescue services including traffic crash victim extrication, water/ice/pier rescue response

#### **Emergency Medical Services**

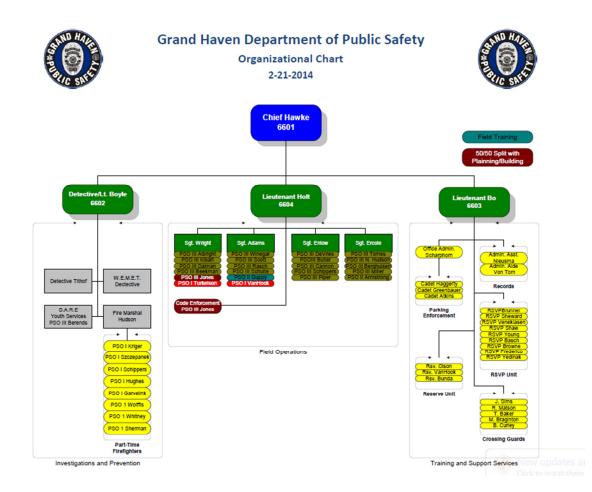

24/7/365 immediate response to medical emergencies and other non-emergency medical conditions

#### Administrative Services

- Department budget and planning
- City Special events review and planning
- Records administration and coordination, including Freedom of Information Act requests and all mandated reporting
- Internal affairs function
- Parking enforcement
- Department training program
- Liquor license investigation, review, approval
- Retired Senior Volunteer Program
- Grant writing
- Human resources functions, including recruitment and hiring

Department of Public Works employees perform a diverse set of work tasks related to the eleven Service Areas listed below. The Service Area designations do not accurately reflect the diversity of employee strengths and assets, such as licenses, education, training, specialty skills and experience, which are drawn upon daily to perform the departmental duties.

Administration	Motor Pool
Community Affairs	Project Management
Custodial	Streets (Sidewalks and Storm Water)
Facilities	Utilities (Water Distribution and Sanitary Sewer Collection)
Grounds (Cemetery)	Water Filtration
Maintenance	

## Staff

The forty five (45) full-time employees and one (1) part-time employee of this department work from the R.V Terrill Building on Jackson Street, the Community Center and the Water Filtration Plant. Part-time and seasonal staff work from the locations listed previously as well as at the Municipal Marina, in the parks, at Lake Forest Cemetery, at the Chinook Pier mini-golf and along the Waterfront. The locations, staff counts and position titles of DPW employees are summarized below.

# Public Works Facility - 36 Employees 1120 Jackson

- 1 Director
- 2 Administrative Assistants
- 6 Crew Leaders (Custodial, Grounds, Maintenance, Motor Pool, Streets and Utilities)
- 3 Custodians
- 9 Level I Equipment Operators
- 12 Level II Equipment Operators
- 1 Mechanic
- 2 Managers (Facilities & Grounds, Special Projects)

#### Community Center – 2.4 Employees

#### 421 Columbus

- 1 Manager (Community Affairs)
- 1 Technician
- 0.4 Administrative Aide (part time, shared with Lake Forest Cemetery)

#### Lake Forest Cemetery – .4 Employees

#### Lake Avenue

0.4 Administrative Aide (part time, shared with Community Center)

#### Water Filtration Plant – 7 Employees

#### 30 Sherman Avenue

- 1 Manager (*Water Plant*)
- 1 Crew Leader (*Water Filtration*)
- 5 Level II Water Filtration Plant Operators

#### Throughout the City

- 42 Summer Seasonal staff for:
  - 13-Grounds (Parks, Lawns and Cemetery)
  - 26-Community Affairs (Waterfront, Marina, Fountain, Mini-Golf)
  - 3-Streets and Utilities
- 1 Ottawa County SWAP crew

#### DPW Director

The DPW Director, William Hunter, is responsible for all aspects of the department's eleven (11) Service Areas as well as performing program and project management, addressing staffing needs, evaluating purchasing needs and carrying out the wishes of City Council under the direction of the City Manager. Under his leadership, knowledge and experience, employees within the various Service Areas work together to achieve the Council's stated goals.

The DPW Director was an integral contributor to the committees that preceded the Infrastructure Bond Fund, which was approved by voters in 2013. The Director and his staff members will get the design phases underway for the projects slated for construction in FY 2015-16.

The DPW Director works with the Grand Haven – Spring Lake Sewer Authority Board, the Northwest Ottawa Water System (NOWS) Administrative Committee, the County and City Emergency Response Teams, the West Michigan Shoreline Regional Development Commission (WMSRDC) Technical Committee, the Planning Review Committee, the Lower Grand River Organization of Watersheds (LGROW) committee and is the designated Street Administrator for the City of Grand Haven.

#### DPW Administration

The department's two (2) full time Administrative Assistants are responsible for a variety of administrative and clerical duties necessary to run the department efficiently. The Administrative Assistants are often the DPW's front-line representatives to provide general information to our customers.

In addition to their shared roles and responsibilities, Cheryl Billedeau is responsible for processing purchase orders and invoices. She assists the Director, Project Manager and others who utilize the City's accounting software. Cheryl is responsible for maintaining MSDS sheets and is creating a new filing system for the Department. She performs research to extract data from the physical and electronic files related to DPW operations and projects. Cheryl assembles agendas for Parks & Recreation Board and Cemetery Board meetings and books the City Beach and Central Park weddings.

Cheryl Davidson provides secretarial support for the DPW Director and Project Manager. She prepares payroll for office staff and handles the payroll related paperwork for the Department. Cheryl prepares monthly Equipment Rental Reports for each of the motor pool vehicles operated in the prior month. She also processes all gas cards for motor pool (DPW & DPS). Other duties and contributions include:

- Assembling Right-of-way Permits and Sewer Permits
- Attending ENRC meetings, preparing Agendas and Minutes
- Handling PEP (public education process) portion of SWIPPI, organizing an informational (and often fun) booth at approximately five (5) events each year.
- Organizing a "Special Events" calendar and accordion file
- Monitoring Commercial Driver Licenses for motor pool employees (DPW) and scheduling employment and other required physicals

Valerie Duby is a part-time administrative aide who splits her 28 hours per week between the Lake Forest Cemetery office and the Community Center. She answers phones, assists customers, and files.

#### **Community** Affairs

The Community Affairs Manager (CAM), Sandra Katt, serves as city staff liaison to the Community Center Board and the Coast Guard Festival Board. She also serves on the Lighthouse Award Selection Committee.

The City of Grand Haven continues to attract a large number of tourists due to the 90-plus Special Events that take place in Grand Haven. The CAM is responsible for the coordination of each event through multiple city departments which include the DPW, DPS, Planning, DDA, City Council, Treasurer's Office and event organizers. Management and coordination of the growing number of activities and events held at City facilities and grounds includes meeting with each applicant, clarifying their needs, obtaining the event organization's liability insurance, securing payment, and confirming their non-profit status. The

CAM must seek traffic control orders, when necessary, among many other tasks. It takes a diversified team of City staff, under the coordination of the CAM, to pull off an event in Grand Haven.

The beautiful backdrop of the historic, refurbished Central Park fountain and the manicured grounds of the park, were draws to over 25 weddings in addition to the popular weekly music series "Tuesday's in the Park", and other numerous special events in 2013. The Grand Haven City Beach was also the site of more than 25 weddings plus several special events. In 2014 the City Beach and the State Park will be the site of a nationwide beach soccer series.

A few of the very popular events, which bring a large number of people to the shoreline, are the annual Coast Guard Festival, Winterfest, Art Walk, Grand Haven Triathlon, and the Salmon Festival. Another popular site, the Waterfront Stadium, offers a variety of activity from the Big Band series to Battle on the Boardwalk, multiple concerts and the weekly Sunday worship service.

The Community Center continues to be utilized by many non-profit organizations, corporations and individuals. The Community Center averages over 75 meetings, seminars, corporate/non-profit retreats, and social functions each month. Over 50 weddings, proms, expos, fundraisers, and community gatherings occupy the Center on weekends throughout the year. C3 Church continues to hold their weekly Sunday service at the Community Center.

In the fall of 2012, the Community Center opened a satellite location for Muskegon Community College (MCC) where it offered four classes each week. In 2013 enrollment numbers increased and MCC began offering multiple classes five days/week from 8:00 a.m. – 10:00 p.m.

Schools in the Tri-Cities area continue to display their student art shows in the Center. Lakeland Artists hold two large art shows each year and many Art Walk participants showcase their entries in the Center. We also open the Center to individual artists who want to display their paintings and special works of art throughout the year.

The CAM continues to oversee the rental of Mulligan's Lodge from April 1 through October 31 each year. The Lodge has become a popular site for many graduations, weddings, showers, corporate retreats, and non-profit events.

From May thru mid-October, seven days a week, the CAM supervises a total of 26 seasonal employees: 11 at the municipal marina and splash pad; 7 to perform daily maintenance and beautification of the waterfront and downtown; 4 to run the Musical Fountain and 4 to run the Chinook Pier mini-golf facility. One of the City's newest gems on the waterfront is the splash pad which is visited by hundreds of young people each year. The marina staff oversees the daily upkeep of the splash pad.

#### **Custodial Services**

Custodial services are provided seven days a week with two shifts on Saturday and Sunday. The staff members in this four-person Service Area work four 10-hour shifts each week. The responsibilities of this small but efficient and effective crew are to provide a clean, healthy and safe environment to all city owned facilities. Services include but are not limited to all aspects of cleaning and maintenance of floors and windows, and recycling paper, cardboard and plastic. This group is in charge of set up, tear down and cleanup of meetings at both the City Hall and the Community Center. Events in the Community Center can be as small a meeting or as large as a banquet or wedding reception. This type of event can include anything from setting tables using linens and place settings to washing dishes after an event, as well as assisting users with miscellaneous needs.

Aside from daily tasks, in the winter season one of their jobs is to make sure walkways are clear of snow and ice. When buildings are not in use, it is the responsibility of this crew to assure that they are locked and secured properly.

The crew leader, Mike Lulofs, is in charge of the City's central supply inventory: including ordering supplies, delivering to correct facility, reporting monthly and quarterly supply costs, along with year-end inventory. Whenever possible, he uses local vendors and purchases environmentally friendly products.

#### Facilities and Grounds

Dan Vivian, Facilities and Grounds Manager, serves as the city staff liaison to the Cemetery Board and the Musical Fountain Committee and is responsible for the Custodial, Grounds and Maintenance staff. He also manages the City's annual tree planting program.

Most of the focus for this Service Area is on maintenance and repair at facilities the city owns.

Facilities and Grounds projects completed in FY 2013-14 include:

- Upgrades to the Historic City Clock Tower.
- Replacing the windows at Lee Chapel.
- Completing upgrades to the Musical Fountain.
- Replacing the wood deck above the Riverview Shops.

Facilities and Grounds projects that are planned for the coming year include:

- Teaming with the City Administration and representatives of the GHDPS and Planning Departments to remodel the existing GHDPS facility.
- Replacing the overhead doors on the DPW apparatus room.
- Replacing the roof at the Marina Office and Restroom Building.
- Retubing the boiler that serves GHDPS, City Hall and the Annex.

#### Grounds

The City's beautiful parks, grounds and green spaces are planted, nurtured, watered and maintained by the Grounds Service Area's crew. The Crew Leader, Earl Jorgenson, is always seeking environmentally friendly, cost effective ways to maintain the beauty of our parks and green spaces.

Summer tasks keep staff close to the earth, but in the late fall and winter, staff can be observed up in the tree tops at the end of the fully extended arm of the bucket truck trimming branches. These employees also operate plow and salt trucks as needed and quite frequently during the winter of 2013-14.

#### Maintenance

These three crew members are responsible for the operation and maintenance of many behind-the-scene facility elements as well as many highly visible landmarks that add to the City's character and charm. The former includes items that often are not appreciated until they are malfunctioning, missing or broken. The latter includes maintaining the lights along the channel and on the south pier, installing holiday lights on Washington Avenue, hanging special-event banners and maintaining the skid piers at the boat launch on Harbor Island. This group performs some of its duties with the assistance of one SWAP Crew.

The Crew Leader, Trevor Baykowski, is accomplishing day-to-day tasks while developing a program for scheduled ongoing maintenance of City's facilities and HVAC systems, striving for ways to maintain our buildings and reduce energy consumption.

#### Motor Pool

The Motor Pool is staffed with two full-time mechanics. An intergovernmental service fund, it was established to share the costs of vehicle purchases, maintenance and use across all City funds and to provide financing for future needs. It covers 65 motor vehicles from police cruisers to front end loaders and fire fighting vehicles, as well as 70 miscellaneous pieces of equipment from snow plows to lawn mowers. The focus in Motor Pool remains keeping the fleet in top working condition

The Motor Pool Crew Leader, Will Sleutel, continues to utilize the Motor Pool Replacement Policy, a fivepoint vehicle and equipment evaluation form with a purpose to establish and specify criteria for the replacement of motor pool vehicles and equipment. The overall goals are to ensure that:

- Vehicles are kept in service as long as economically feasible.
- Vehicles are retired at the optimum replacement point.
- Replacement units will meet current and future operational requirements with the lowest life cycle cost.

#### **Project Management**

The Project Manager serves as the City Liaison to the Parks and Recreation Board and shepherds projects assigned by the City Manager and Public Works Director.

Projects completed in FY 2013-14 include:

- Utility upgrade on Beacon Blvd.
- S. Beechtree reconstruction.
- Phase 2 of the municipal marina upgrades.
- Retaining Wall and Water Main replacement on Lake Avenue.

Proposed FY 2014-15 projects in this service area include:

- Resurfacing Griffin from Waverly to Robbins
- Replacing water main on water tank hill
- Design phase engineering for the 2015 Infrastructure Bond Fund projects slated for construction in FY 2015-16 (see Capital Plan for a complete list).

#### Streets Division (including parking lots, storm sewer and sidewalks)

The City's 60+ miles of streets are designated as major or local streets depending on the type and amount of traffic they generate. The City receives State Transportation (Act 51) Funds from gas and weight taxes, as well as reimbursement for the maintenance of Beacon Boulevard as a State trunk line. Asphalt repair, street sweeping, snow plowing, road salting, storm sewer cleaning/repair and signage are part of the routine street services provided.

During the prior fiscal year, the Streets Service Area was responsible for the following:

- Continuing both hot and cold patch techniques to fill and repair cracks and potholes.
- Plowing, salting, sanding and hauling snow.
- Resurfacing designated streets; a total of 250 tons of asphalt placed.
- Continuing the sidewalk repair and replacement program throughout the city; a total of 100 yards of cement total.
- Removing and replacing the crosswalks at Taylor and Beacon to make them ADA compliant.
- Cleaning storm water catch basins.
- Performing traffic counts.

Planned for the upcoming year:

- Continuing both hot and cold patch techniques to fill and repair cracks and potholes.
- Plowing, salting, sanding and hauling snow.
- Milling and repairing cracks in the black top on North Shore Drive from the city limits to Main.
- Resurfacing designated streets (Pennoyer from Griffin to Beechtree and Ferry from Robbins to Oakes) and making sidewalk approaches ADA compliant within the resurfacing limits.
- Replacing old street signs with new on resurfaced streets.
- Continuing the sidewalk repair and replacement program throughout the city.
- Removing and replacing the crosswalks at Robbins and Beacon to make them ADA compliant.
- Cleaning storm water catch basins.
- Performing dry weather screening in connection with the NPDES permit.
- Performing traffic counts.
- Focusing more attention on street signs throughout the city.

#### Utilities

This service area manages over 100 miles of water mains and services, including 470 fire hydrants, and over 1,000 main line valves. These assets distribute our drinking water supply and provide fire protection. Work activities include meter reading, line and meter maintenance and repairs, emergency response and service of all fire hydrants, mains, services, valves and meters.

The Crew Leader, Shawn Matson, has critical plan review and inspection roles during large and small projects when new water and sanitary sewer tie-ins are part of the project scope. The staff performs staking for Miss Dig requests, meter reading and inspections of industrial back-flow preventers based on regulatory requirements.

An on-going initiative is to replace old, leaking valves that can result in wide-spread water shut-offs when mains need to be repaired or replaced. Live-tap equipment, purchased under the 2007-08 Budget, continues to be used successfully to replace the old valves and is also used to insert new taps.

The Utilities Crew Leader has transitioned from emergency response for unscheduled repairs to proactively performing preventative maintenance to the most vulnerable sections of the more than 60 miles of sanitary sewer. The increased maintenance has resulted in fewer "emergency" calls.

The City has 17 lift stations, many of which have reached or exceeded their longevity expectations. The Utility Service Area works with the City Administration to prioritize repairs and replacements of the structures, which are critical to our infrastructure. During the past year, the Oakes-Hopkins lift station was replaced.

*Water Filtration* For more information, please reference the Northwest Ottawa Water System service plan beginning on page 5-62.

Department: General Fund Insurance

Activity: Insurance coverage

Line Item Listing: **Tab 6, Page 38** 

## **Departmental Customers**

- City Council
- City Manager's Office
- All Departments, Divisions and Staff
- Citizens

## **Services Provided**

The Insurance Division consolidates liability, property and specialized insurance coverage for General Fund operations under one division. The General Fund and all other funds are serviced by the Insurance Fund, Health Insurance Fund and Retirement Health Insurance Fund by coordinating all insurance activities into separate intergovernmental service or trust and agency funds. Separation of accounts into the noted internal service and agency funds and this department of the General Fund allows for quick analysis of cost trends and revenue to match.

Insurance currently provided by Selective Insurance includes:

- Property Coverage (including earthquake and flood)
- Inland Marine Coverage
- Commercial Crime Coverage
- Commercial Liability Coverage
- Public Officials Liability (and Errors and Omissions) Coverage
- Police Professional Liability Coverage
- Commercial Automobile (and Other Vehicle) Coverage
- Public Officials Bond Coverage
- Umbrella Coverage

Insurance through the Michigan Municipal League includes:

- Worker Compensation
- Unemployment Compensation

The City manages health benefits for eligible employees and retirees through a third party administration agreement with Blue Cross Blue Shield of Michigan and various supporting agents. In the General Fund and other operating funds, these costs are noted in the various employee benefits line items ("711.00" accounts). The Insurance Funds are intergovernmental service or agency funds which collect revenue from all the operating funds to pay for health and other benefits provided and offer a single location to view and consider organization-wide costs. The Retirement Health Fund

receives monthly payments from retirees and from City operating funds ("718.00" accounts) and forwards the appropriate amount to the Health Benefits Fund from which these benefits are paid.

# Staff

- Human Resources Manager (benefit and personnel insurance administration and claim processing)
- Assistant City Manager (risk management, requests for quotes and liability and property insurance administration)
- City Clerk (liability and property claims processing)
- Finance Director and Accounting Supervisor (accounting, budgeting and financial areas of insurance)

## **New Initiatives**

Continuing changes in health care and other-post-employment-benefits (OPEB) challenge staff to keep City operations current.

Department: Interfund Transfers Out

City Manager Finance Director

#### **New Initiatives**

Use of these revenue sources is noted in various other funds for various operating, capital and debt service obligations to meet City Council goals. Variations on transferred funds occur between fiscal years due to changes in capital and operational priorities of the City Council, changes in millage structure, changes in debt service costs (principal and interest), changes in street millage, changes in operational service plans for recipient funds and changes in revenue available. Also, consideration of what the General Fund can reasonably support is included, particularly in past post-audit transfers to the Public Improvement Fund.

Millage rates proposed for FY 2014-15 maintained the same total since FY 2011-12.

Specific City millage:

	<u>FY 2011-12</u> <u>Actual</u>	FY 2012-13 Actual	FY 2013-14 <u>Amended</u>	FY 2014-15 Requested
				<u> </u>
Undesignated	9.6914	9.6314	9.6314	9.6314
Designated millage:				
Public Improvements	-	-	-	-
Streets Program	0.8500	0.8500	0.8500	0.8500
G. L. Brownfield Debt				
Support	0.7500	0.7500	0.7500	0.7500
Voted millage:				
Public Transportation	0.5700	0.6000	0.6000	0.6000
Community Center debt	0.7500	0.7800	0.7800	0.7800
Infrastructure debt	1.0000	1.0000	1.0000	1.0000
Totals	<u>13.6114</u>	13.6114	13.6114	13.6114

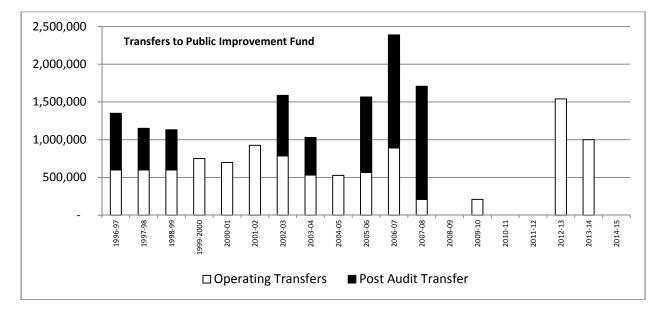

A \$1,000,000 transfer from General Fund to Public Improvement Fund in 2013-2014 will provide support for anticipated projects. Budget 14-15 anticipates no transfer.

Administration's purpose in these millage adjustments is to more closely define anticipated uses of specified millage as opposed to including the additional needs under general operations. Further definition in this manner shows obligations directly matched by millage applied. Administration continues to adhere to City Council's direction to keep millage levels as low as possible.

Prior to FY 1996, City Council established a fund balance contingency policy of 11% of revenue for the General Fund. This budget anticipates a fund balance contingency greater than of 25% of revenue.

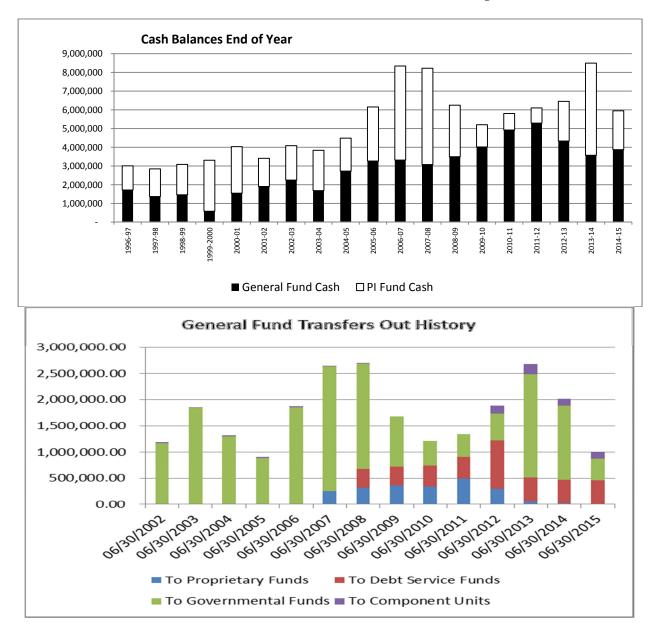

Beginning with the fiscal year ended June 30, 1996, the General Fund transferred to the Public Improvement Fund all remaining fund balance above the Council's adopted fund balance policy percent based on the audited fund balance. These transfers have been:

<u>Fiscal Year</u>	Transfer Amount	Total Annual
	<u>(Fund Balance)</u>	<u>Transfer</u>
1996-97	\$749,096	\$1,349,096
1997-98	549,631	1,149,631
1998-99	530,788	1,130,788
1999-2000	-0-	750,000
2000-01 ***	-0-	700,000
2001-02	-0-	926,583
2002-03	800,000	1,586,976
2003-04	500,000	1,030,720
2004-05	0	528,040
2005-06	1,000,000	1,565,280
2006-07	1,500,000	2,388,995
2007-08	1,500,000	1,709,125
2008-09	0	209,125
2009-10	0	0
2010-11	0	0
2011-12	0	0
2012-13	1,000,000	1,540,000
2013-14 (amended budget)	1,000,000	1,000,000
2014-15 (budgeted)	0	0

A revised fiscal guideline suggesting that the General Fund retain 11% of revenue <u>in cash</u> was approved in 2001. The City returned the General Fund to a cash position above 11% by June 30, 2001 and has retained or exceeded it ever since. In FY 2013-14, administration suggested increasing the General Fund cash reserve to 25% of revenue (which had been maintained the last few years). Prior to FY 1996, City Council established a fund balance contingency policy of 11% of revenue for the General Fund. This budget anticipates a fund balance contingency greater than 25% of revenue.

Note that the reduced transfer in 2008-09 from the General Fund to the Public Improvement Fund occurred because of needed transfers to Major & Local Streets and the City Sewer Fund to meet Waverly project costs and to maintain the cash balance needed to meet the policy above in the General Fund. Transfers were not anticipated in 2009-10 or 2010-11 due to the economic downturn, reserving approximately double the requirement in the General Fund in 2009-10, less in 2010-11. These resulted in serious reductions in Public Improvement Fund resources.

Administration recommends annual reconsideration of this cash transfer fiscal guideline.

## **Services Provided**

The Main Street Downtown Development Authority (MSDDA) is administered by the MSDDA Director under direction of the MSDDA Board and works collaboratively with City Council and City Administration to develop and sustain the central business district with year-round viability.

The vision for Grand Haven's Main Street DDA is to revitalize the economic heart of the community and foster a Central Business District that is financially viable and competitive, physically attractive, pleasant and energetic with an appropriate mix of:

- New and refurbished retail and restaurant facilities
- New office and service business locations
- A range of housing options
- Strengthened linkages to the waterfront, Grand River, Lake Michigan, US 31, and the east side of Grand Haven; and
- A variety of public gathering spaces and attractions that interest and serve local community members and visitors.

In 2006, the MSDDA Board, with City Council approval, established a \$3,345,000 Capital Improvement Bond to provide for parking lot and other improvements within the district. In 2009, a \$5,600,000 Capital Improvement (Build America) Bond was issued in order to make infrastructure and streetscape improvements to Washington Avenue. Funds from the downtown district tax increment finance revenue and other City funds will provide support for the debt service on the bonds in the future. In 2014, a \$711,000 Downtown Infrastructure Grant was awarded to the City of Grand Haven and leveraged with local funds to make infrastructure and streetscape improvements to the Washington Avenue corridor in Centertown from Beacon Boulevard to Seventh Street.

### Staff

- 1 MSDDA Executive Director
- 2 Marketing & Promotions Coordinator (part-time)

#### **New Initiatives**

**Personnel:** In 2013, a new part-time position for a Marketing & Promotions Coordinator was created. This position reports to the MSDDA Executive Director and is responsible for planning and implementation of special events, promotions and marketing campaign, including but not limited to, ArtWalk and the Principal Shopping District. In December, after an extensive interview process, a new Executive Director was hired and is working with the MSDDA board and the City Manager to continue the mission of the DDA.

**Façade Improvements:** Work with the City of Grand Haven to execute façade improvements in the MSDDA district through the use of Community Development Block Grant funds.

**Business Retention and Recruitment:** Continue to execute business recruitment plan to assist in filling vacancies within the downtown district. Coordinate workshop opportunities for businesses to help bolster business acumen and help strengthen the long term economic strength of downtown businesses. Identify in-fill development sites for new construction to encourage development with property owners.

**Fiscal Responsibility:** The MSDDA Board is developing clearer reporting mechanisms for the operating budget, identifying new revenue sources in order to diversify funding of the organization, and developing a corporate and community membership program. The organization is seeking grant dollars for special projects when eligible.

**Principal Shopping District:** In 2011, through act of City Council, the MSDDA was successful in creating a Principal Shopping District. The MSDDA has focused on creating and implementing a detailed marketing plan for the district. A consistent, comprehensive communication plan is being developed with district constituents and City Council to increase accountability and awareness of the use of PSD revenue. This will improve engagement with stakeholders and ensure the PSD's success.

**ArtWalk:** The Grand Haven ArtWalk was established in the fall of 2010 and features the work of local, regional and national artists in businesses within the district. The two and a half week affair offers special events, art exhibits, youth activities, community art projects and culminates in an awards program. Now in its fifth year, ArtWalk is gaining momentum as a featured attraction in Michigan's fall arts and culture schedule. The MSDDA is formalizing the process for ArtWalk's operation within the organizational structure of the MSDDA, including development of an event budget and work plan for ArtWalk activities.

**Preservation & Place:** The sense of place and recognition of historic assets is vital to a vibrant downtown district. The Grand Haven MSDDA was selected by Michigan Main Street as one of three

communities in Michigan to receive services to develop an application for nomination to the National Register of Historic Places. Identification of assets and completion of the application will continue throughout 2015. With the adoption of the Centertown Vision Plan by City Council, elements of the Plan will be incorporated into the DIG project to strengthen the visual connection among all parts of the district. Historic preservation and education will play a key role in developing the district.

**Promotional Events:** Development of new and creative events to attract customers to downtown and provide the community with activities which will improve quality of life. Evaluation of existing events to determine tangible and intangible outcomes, update and expand work plans for better implementation and financial sustainability of new and existing events. Improve communication and coordination of community events held in the downtown that affect business and building owners.

**Strategic Partnerships:** Improve communication and relationships with other community organizations. Partnerships to include, but are not limited to: Eastown, City Hall, Grand Landing, the Chamber of Commerce, Loutit District Library, Tri-Cities Historical Museum, and the Grand Haven Area Convention & Visitors Bureau.

**Waterfront Stadium:** The organization will spearhead efforts to redesign the aging waterfront stadium which is a community asset in need of review and attention and will contribute to the ongoing efforts to revitalize the waterfront area of the City.

**Future MSDDA Offices:** The MSDDA will exert more effort toward more permanent office space which will accommodate current and future staff and volunteers.

**Main Street:** The Main Street DDA is committed to the Michigan Main Street program which began in Grand Haven in 2005 and as such will be devoting resources to be accredited through Michigan Main Street and the National Trust's Main Street program and maintain National accreditation. In 2014, Grand Haven was recognized by the National Main Street Center as a Semi-Finalist in the Great American Main Street Awards.

## **Departmental Customers**

- Current, new and expanding industrial and commercial businesses
- City Council
- City Manager
- City Planner
- Brownfield Redevelopment Authority

### **Services Provided**

The Economic Development Corporation (EDC) of the City of Grand Haven is an eight member board serving to assist economic development within the City through loans to current, new and expanding businesses. These loans are typically characterized as "gap financing," assisting new and expanding businesses to meet capital needs they are unable to achieve under normal market-based loan structures. Recent loans were issued in 2008-09 to Jeanne's Café on Robbins Road and in 2011-12 to Mindset Properties on Columbus Street, downtown. The Mindset loan is being funded with tax increments as agreed with the MSDDA in 2011-12. In 2013-14, a \$75,000 loan to Van Pelt Industries for building improvements at 702 Taylor was approved.

The EDC also supports the activities of the Brownfield Redevelopment Authority Fund with funds to be reimbursed from future Brownfield revenue. In FY 2006-07, the EDC revolving loan fund was reimbursed in full from proceeds from the sale of the Grand Landing property. Assuming future Brownfield revenue from new projects, annual transfer totals are easy to sum for reimbursement to the EDC. The Revolving Loan Fund (over \$300,000) is currently available for new loan financing.

In 2009, the Economic Development Corporation began contracting with the Chamber of Commerce to provide economic development staff support for the City. The EDC assumed this responsibility from the General Fund and has requested \$19,000 for this purpose in the coming fiscal year.

The EDC serves the City Council and the Public through its specific interest in maintenance and development of a quality economic environment within the City.

## Staff

EDC Board of Trustees City Manager Finance Director (EDC Trustee and staff liaison)

### **New Initiatives**

The Brownfield Redevelopment Authority receives operating funds from the Economic Development Corporation to allow future Brownfield redevelopment planning and environmental review. These transfers of funds are being accounted for as non-reimbursable transfers, however, as in the Grand Landing scenario, if funds are received from future Brownfield activities, they may be reimbursed to the EDC.

Additional loans are being sought through the Chamber of Commerce, which participates in a contractual arrangement with the Economic Development Corporation to prepare and present loan applications to the EDC Board.

The EDC is presently reviewing its current commitments and its ability to further assist the economic climate. Specific new initiatives are not yet determined to date.

	FY 2011-12	FY 2012-13	FY 2013-14	FY 2014-15
(as of July 1 each ye Number of loans Outstanding	ear) 3	3	4	4
Amount of loans Outstanding	\$101,377	\$97,790	\$170,421*	\$155,000 estimate

\*as of March 14, 2013 adding \$75,000 for the Van Pelt loan.

- The Public
- The Economic Development Corporation
- Property owners in certified Brownfield sites

### Services Provided

The Brownfield Redevelopment Authority of the City of Grand Haven is an eight member board serving to assist Brownfield redevelopment within the City. (Brownfields are sites which have specific environmental issues and can be located anywhere within the City.) In the past, the Brownfield Fund borrowed funds from the Economic Development Corporation (EDC) Fund and the Public Improvement Fund to support grant applications, land acquisition and legal, environmental and other pre-development costs for developments on Brownfield sites throughout the City. At present, only the EDC Fund is considered for new resources.

In 2004, the Brownfield Board established a \$710,000 Brownfield tax increment financing (TIF) bond for the Hopkins/Madison Boat Storage condominium project for improvements to city infrastructure to be repaid with future tax revenue (excluding school taxes) from the site. Bond payments are current and tax revenue is sufficient to meet the cost. The last payments on this bond will occur on October 1, 2017

In 2006, the Brownfield Board established a \$15,095,000 Brownfield tax increment financing (TIF) Bond for Grand Landing site public environmental and infrastructure improvements to be repaid with future tax revenue (including school taxes) from the site. Bond payments are current, however a 0.7500 mill levy was set in recent years for a Grand Landing Debt Support Fund to meet future debt service needs for tax increment financed properties within the City. This levy is proposed to continue in 2014-15, however, to date none of these funds have been accessed for debt service. Note that these taxes may only be used for retirement of City debt, not for payments to developers or additional

development. Should there not be a need for these resources for future debt service, these revenues are reserved only for infrastructure projects by City Council directive.

Additionally, Brownfield grants and loans were provided to support funding of the site. These have been closed positively with the State of Michigan. A total of \$1,700,000 was invested by the state through these financing structures.

In 2009, the Brownfield Board recommended to City Council a revision in its Brownfield Plan to allow a Brownfield TIF for a hotel to be sited east of Beacon Blvd, north of Jackson Street. The Brownfield Board also approved a redevelopment plan for Beechtree Commons as an amendment to the Brownfield plan. Both projects remain in the planning stages and have not been executed due to date.

In 2014, the Brownfield Plan was amended to set a new TIF district at the Betten Chevrolet site on Beacon Boulevard. The plan indicates a \$47,000+ cost with a reimbursement from tax increments to begin in 2015-16 for three to four years depending on the time frame of the private investment. Additionally, the plan calls for sequestering the tax increment revenue for five additional years to provide resources for a Brownfield Revolving loan fund.

The members of the Economic Development Corporation Board of Trustees are also members of the Brownfield Redevelopment Authority board since many aspects of their efforts reflect economic development concerns.

To maintain a clear understanding of revenue sources, debt service payments and construction projects, the Finance Department, under consultation with the City's Auditors, created three funds each for the Boat Storage and Grand Landing Brownfield activities and may do the same for future sites when approved by City Council. This structure provides immediate clarity of revenue sources, expenses and debt service for each project. These are administered under the authority of the Brownfield Authority Board of Trustees.

#### Staff

Brownfield Redevelopment Authority Board of Trustees City Manager Finance Director (BRA Trustee and staff liaison)

#### **New Initiatives**

At present, no transfer from the EDC is expected for FY 2014-15. Costs in prior years were mischarged in the Brownfield Fund and reimbursed during the fiscal year to correct the error.

The Brownfield Board remains available in working with contaminated property owners, the State of Michigan and the Environmental Protection Agency to redevelop properties within Grand Haven, if contamination becomes an obstacle. An application with the Environmental Protection Agency to fund a \$1,000,000 site evaluation/remediation revolving loan fund remains under consideration at the time of this budget approval. This is the second such application by the City and administration is hopeful that this new tool will be mobilized in 2014-15.

Department: Housing Fund

Activities: Housing Assistance

Line Item Listing: Tab 6, Pages 33, 64-65

## **Neighborhood Services Division**

#### The Home Purchase Rehab Grant (HPR):

This grant provides home buyers up to \$10,000 in down payment assistance and up to \$20,000 in home repairs. An additional \$10,000 is available if lead is found in the home. A new grant will be written in the amount of \$225,000. If awarded, the grant would provide enough funding for six HPR projects. This two year federal grant provides on average \$7,500.00 in administrative fees to the City.

- \$225,000 Grant Applied 3/1/14-3/1/16
- \$45,000 Estimate: 8% Developer Fee Admin paid to the City-6 projects x \$7500=\$45,000

#### Old Town Home Owner Rehab (HO Rehab):

This grant will assist existing homeowners make energy efficiency improvements, bring residential property up to code and improve the "curb appeal" by making funds available for landscaping and cosmetic improvements. 15% of the funds from this grant will be available for emergency repairs for items such as furnace replacement or leaking roofs. A new grant will be written in the amount of \$170,100.00. (\$30,600-Admin, \$20,295-Emergency Repairs, \$118,575-Home Repairs).

- \$170,100.00-Grant Applied 3/1/14-3/1/16
- \$30,600-Estimate Developer Fee Admin paid to the City for the entire grant

#### NIP-Homeowner Repair Grant:

A community partnership with Federal Home Loan Bank of Indianapolis provides community development funds to existing single family homeowners. This partnership has been in existence since 2007 and is available to applicants the beginning of April. The grant provides up to \$7,500.00 per applicant to do home repairs such as, adding insulation, replacing doors and windows, HVAC upgrades, new roofs, foundation repairs. In 2013, the City completed 8 projects, totaling \$52,699.00 in homeowner improvements.

• \$700-Application Fees (\$100.00 Application Fee per household is earned/estimate of 7 households assisted)

#### MSHDA Certified Housing Counseling Services:

The City of Grand Haven became a State Certified Housing Counseling Agency in 2007. We have been serving residents of Ottawa County with pre-purchase home buyer education and foreclosure intervention services. The counseling services are being expanded in 2014 to include a Financial Empowerment component that specifically works with residents to increase savings, decrease debt, increase credit scores and gain access to affordable banking services. This is a national trend shift for

housing counseling agencies and is intended to empower residents with information and resources, building stable neighborhoods and making them less dependent of governmental resources.

A variety of resources make the housing counseling services available. MSHDA is doing less reimbursement for services and more direct grant funding.

- \$152,500-NMS Grant (6/1/13-5/31/16) this three year grant provides funding for administrative expenses, as well as some supplies.
- \$7800- NFMC (annual) provides additional funding to offset admin costs and is appropriated annual by Congress. Anticipation of grant funds for 2014/2105
- \$7,964-HUD Sub-Grantee (reimbursement for services rendered)
- \$24,895-Financial Empowerment Grant (1/1/14-12/31/14)

#### Housing Summary and Staffing:

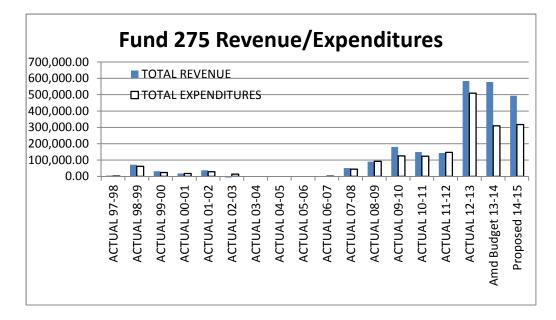

Each housing program developed is strategically designed to help the City accomplish its goal of providing affordable housing. The programs provide residents with resources that create sustainable neighborhoods and improve market value of the City's housing stock. These investments positively influence the physical, social and economic image that attracts home buyers to come, existing homeowners to stay and businesses to invest. Programs help to maintain and stabilize Grand Haven's neighborhoods and households.

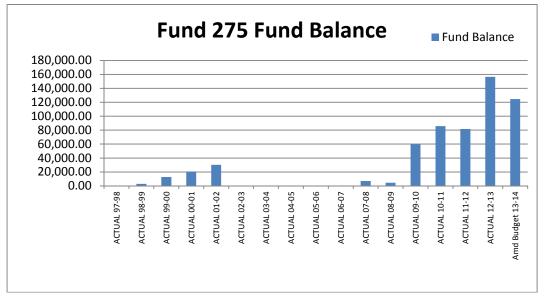

The City has proven to be a strong advocate for affordable housing and is gaining respect for our efforts at the State and local level. Grand Haven has acquired a reputation for implementing quality housing programs that are both cost effective and an excellent use of the Federal resources appropriated to the State. Staff is actively involved in the Lakeshore Housing Alliance on the Executive Committee and Sub-Committee for Affordable Housing as well as part of the Habitat Family Selections Committee.

Continued provision of housing programs and counseling services will help the City maintain its neighborhoods and build the stability of its residents within these neighborhoods.

Research is beginning in 2014 for military housing for the United States Coast Guard. Upon preliminary conversations, finding available housing for the Coast Guard members is their biggest challenge in serving us at the Grand Haven Coast Guard Station.

Current staffing includes a full time Neighborhood Housing Development Coordinator. The Development Coordinator is responsible for writing grants and researching opportunities for providing services for area residents. A 32 hour per week AmeriCorps Member provides financial literacy training as well as marketing and outreach of housing services. AmeriCorps is a Federal program, funded solely through the NMS Grant. A sub-contracted housing counselor provides all of the housing counseling services and will be the Financial Empowerment provider. The housing educator position is funded entirely through the NMS Grant and new Financial Empowerment Grant. The part- time administrative assistant position is also funded through the NMS Grand and Financial Empowerment Grant. Both the housing educator and administrative assistant will increase hours for 2014/2015 through funding provided from the Financial Empowerment Initiative

Department: Debt Service Funds

Activity: Debt Service Payments

Line Item Listing: **Tab 6, Pages 66-72** 

### **Departmental Customers**

- City Council
- City Manager
- Various City funds

### **Services Provided**

The following funds have been established by City Council approved bond resolutions requiring separate accounting for funds which pay bond principal and interest payments on a periodic basis or by budgetary designation anticipating a bond resolution:

- Special Assessment Bond Fund
- Brownfield TIF (Boat Storage) Debt Fund
- Brownfield TIF (Grand Landing) Debt Fund
- Downtown TIF Debt Fund
- 2008 & 2015 Infrastructure Bond Debt Fund
- Building Authority Debt Fund
- 2014 Capital Improvement Bond

**The Special Assessment Bond Fund** was established in 1996 to pay special assessment bonds issued then. Payments of special assessments (made through annual property taxation billing) are transferred to this fund for bond payment. Additional special assessments, funded from then-current dollars without issuing bonds, are in principal and interest payment plans as well.

The 1996B Special Assessment Bond remains active, with principal and interest payments through 2015.

An Indian Trail sewer assessment was added to City operations in 2012-13, however reimbursement plus interest is made directly to the City Sewer Fund.

**The Brownfield TIF (Boat Storage) Debt Fund** was created in 2005 to manage debt from the construction of public infrastructure at the Boat Storage condominium property on Hopkins and Madison Streets, revenue for debt service coming from tax increments upon these Brownfield properties where the improvements were made. The bond will continue its debt service payments through October, 2017.

**The Brownfield TIF (Grand Landing) Debt Fund** was created in 2006 to manage debt from the construction of public infrastructure at the Grand Landing property adjacent to Beacon Boulevard and Jackson Streets, revenue for debt service coming from tax increment revenue upon these Brownfield properties where improvements were made. This bond will continue debt service payments until November, 2021. <u>A 0.7500 mill levy for a Grand Landing Debt Support Fund to meet future debt service needs for tax increment financed properties within the City was approved initially in 2011-12 and is requested to continue in 2014-15. Should there not be a need for these resources for debt service, these revenues may be used only for infrastructure projects by City Council direction.</u>

**The Downtown TIF Debt Fund** was created in FY 2005-06 to manage the debt from the 2006 Capital Improvement Bonds sold in January 2006. The debt service for these bonds is anticipated from tax increment financing revenue from Main Street Downtown Development Authority properties. The project included parking lots and alleys on the north side of Franklin Street from Harbor Drive to Third Street. This debt service will continue until October, 2026.

The Washington Avenue reconstruction project including snowmelt from Harbor Drive to Third Street is complete. The City issued \$5,600,000 in 2009 Capital Improvement LTGO Recovery Zone Economic Development Bonds in the summer of 2009 to support the project and received a \$600,000 grant from the Michigan Department of Transportation as well. Debt service payments began in April 2010 and will continue until April, 2034. This bond is partially subsidized by the Federal government, with 45% of interest responsibility paid by the Federal government to the paying agent each year. The effective local interest rate on these bonds is 3.2%. The 2013 Sequestration reduces the amount of Federal interest paid. In 2013 the reduction was 7.2% of the originally agreed amount.

The General Fund is supporting Downtown TIF debt service at about \$100,000 per year as property values have fallen and are only now starting to return to higher levels. This support is anticipated to be reimbursed in later years when TIF dollars are no longer needed for debt service payments.

**The 2008 & 2015 Infrastructure Bond Debt Fund** was created upon the sale of \$9,400,000 in Capital Improvement Bonds in June, 2008, to manage debt service. The bond proceeds provided initial funding for large street, water and sanitary sewer projects within the City. Debt service is supported by a one-mill levy for infrastructure projects approved by the voters in 2007.

In November 2013, voters approved an additional one mill levy for further infrastructure projects within the City. This roughly \$7,100,000 bond is anticipated to be sold in January of 2015 when the next round of infrastructure projects is forecast. Summer taxes in 2015 are anticipated to be increased by the one-mill approved by the voters.

**The Building Authority Debt Service Fund** was created to help finance parking lot construction within the central business district of Grand Haven in the 1990's. That debt was retired in FY 2005-06.

New debt in the amount of \$2,830,000 was issued in 2006 to renovate the Community Center (a \$4,500,000 project). Funded by a millage levy, debt service payments will continue until October, 2014. It is anticipated to relieve taxpayers of millage related to this debt as the second Infrastructure millage and debt arise. This will make the millage increase significantly less of a burden.

## Staff

Finance Staff Treasury Staff

### **New Initiatives**

New initiatives are rare. These fund balances change on the reduction and increases in outstanding debt allowed by direction of the City Council and voters. All debt outstanding presently has the "full faith and credit" support of the City and all payments are current. The Finance Director maintains a book of all outstanding debt service schedules and manages both the budget and the accounting for these funds.

A 2014 Capital Improvement Bond is projected to finance a substantial building improvement on the Washington Avenue campus as well as purchase new water meters for the water and sewer utilities. The repayment of these bonds will be made from expanded water utility net revenues (due to more accurate measurement and reduced cost of metering/billing) and more efficient buildings (reduced physical operating costs) on our main campus. Detail on the size of the debt and the final need for debt financing will be decided by City Council following the 2014 budget process.

See the Summary section under Tab 2 of this document to note the proposed debt service schedule for FY 2014-15.

Department: Public Improvement Fund

Activity: Capital Projects and Equipment Purchases

Line Item Listing: Tab 6, Pages 73-74

## **Departmental Customers**

- City Council
- City Manager
- Various departments, divisions and employees
- The Public

## **Services Provided**

The Public Improvement Fund is a clearinghouse for miscellaneous capital projects in Grand Haven. While capital expenditures for the City's streets, internal service (motor pool) and enterprise funds (airport, transit, water, sewer and marina) are normally not included here, in recent years, project and operational needs required transfers from this fund and the General Fund to meet costs. Projects in any fund, as directed by City Council, may receive financial support from the Public Improvement Fund and the General Fund.

Primary funding for the Public Improvement Fund normally comes with a budgeted transfer of millage revenue from the General Fund and, when approved by City Council, an after-audit transfer of surplus funds from the General Fund as noted below. Occasionally, grants from State, Federal and local sources may be shown in this fund as well. Millage was levied for support in the past, however the .4000 mills has not been levied since July, 2008.

The scope of improvements may be as diverse or specific as City Council deems appropriate.

City-owned properties may be purchased and sold through this fund. The number of available Cityowned properties for this purpose is limited, therefore, future funding is limited from this resource.

### Staff

City Manager Finance Director All City Departments

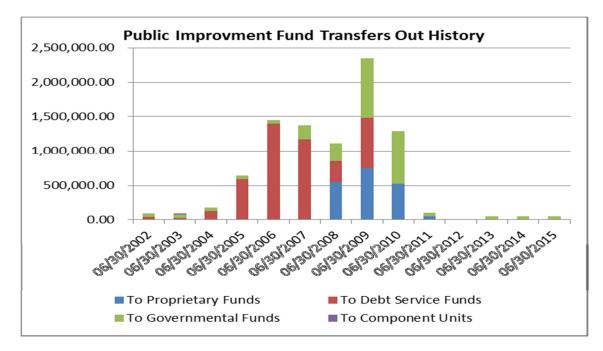

### **New Initiatives**

Note that significant amounts in the Public Improvement Fund have been transferred to support other fund capital projects and operations, as follows:

Fund	FY 2011-12	FY 2012-13	FY 2013-14	FY 2014-15
Fire Truck Replacement	0	50,000	50,000	50,000
Totals	0	50,000	50,000	50,000

In recent years, the City has been focusing transfers from the General Fund and reducing transfers where appropriate. In general enterprise funds are now able to manage operations under their own revenue sources. Infrastructure capital projects are funded by debt issued in 2008 and to be issued in 2015.

Significant local non-City resources are expected for various projects, without which the capital expenditures would not be made or would be substantially reduced. Recognizing the improving national economic situation, a conservative review of projects (anticipated revenue realistic as to sources, anticipated expenses realistic as to actual costs) continues to focus attention on the individual priority of projects while <u>not</u> suggesting (simply) that "City finances will not allow the City to proceed." As revenue sources remain unstable, more specific and intensive prioritization of projects is indicated to make the "best use of scarce resources." Fortunately, the City of Grand Haven does not carry this burden in the same intensity as other local, Michigan and out-of-state communities.

Please see the Six Year Capital Plan under Tab 3 for details on projects anticipated.

Millage rates proposed for FY 2014-15 maintained the same total since FY 2010-11 when City Council approved an additional 0.2500 mills for street resurfacing projects, approximately \$125,000.

Specific City millage:

	FY 2011-12	FY 2012-13	FY 2013-14	FY 2014-15
	<u>Actual</u>	<u>Actual</u>	Amended	<u>Requested</u>
Undesignated	9.6914	9.6314	9.6314	9.6314
Designated millage:				
Public Improvements	-	-	-	-
Streets Program	0.8500	0.8500	0.8500	0.8500
G. L. Brownfield Debt				
Support	0.7500	0.7500	0.7500	0.7500
Voted millage:				
Public Transportation	0.5700	0.6000	0.6000	0.6000
Community Center debt	0.7500	0.7800	0.7800	0.7800
Infrastructure debt	1.0000	1.0000	1.0000	1.0000
Totals	<u>13.6114</u>	13.6114	13.6114	13.6114

Proposed is a \$1,000,000 transfer from General Fund to Public Improvement Fund in the current fiscal year to cover next year's anticipated projects. Budget 14-15 anticipates no transfer.

Administration's purpose in these millage adjustments is to more closely define anticipated uses of specified millage as opposed to including the additional needs under general operations. Further definition in this manner shows obligations directly matched by millage applied. Administration continues to adhere to City Council's direction to keep millage levels as low as possible.

Prior to FY 1996, City Council established a fund balance contingency policy of 11% of revenue for the General Fund. This budget anticipates a fund balance contingency greater than of 25% of revenue.

Note that the budget presentation shows the Public Improvement Fund as recipient of the anticipated bond for Washington Campus improvements and the radio water meter reading project. This approach is to make both projects visible for City Council. We anticipate paying for Washington Campus improvements over time from the General Fund, the radio water meter reading project from Water Fund sources.

(Graphics on page 5-32 & 5-33 reflect comments made in this section.)

Department: Fire Truck Replacement Fund

Activity: Funding for Fire Vehicles

Line Item Listing: Tab 6, Page 75

## **Departmental Customers**

- City Council
- City Manager
- Public Safety Department

## **Services Provided**

The Fire Truck Replacement Fund was established to develop funding for purchase of fire apparatus and related equipment. Recognizing that the cost of such purchases may exceed the City's capacity during a single fiscal year except through municipal borrowing, this fund extends the costs of such purchases over a longer time frame and allows the City to use interest earned on its funds to help cover costs. The City has maintained a \$50,000 annual transfer to this fund (excluding FY 2011-12) to support future purchases since FY 1999-2000 (with a \$200,000 transfer needed for a replacement pumper truck in FY 2006-07). By anticipating these costs, when major purchases are made, the purchase will not as greatly affect other City operations and budgets.

The annual \$50,000 transfer from Public Improvement Fund is being requested for FY 2014-15.

### Staff

City Manager Finance Director Public Safety Director

### **New Initiatives**

While a new fire ladder truck is not anticipated for thirteen years, the anticipated \$1,000,000+ cost at that time would be far too much for the City to bear in one budget cycle. Annual payments at \$50,000 plus interest on current and growing reserves should significantly reduce the financial burden at that time. Also anticipated is the potential for an intergovernmental purchase, sharing the expense of a ladder truck with our local government neighbors in exchange for ongoing mutual aid support.

In FY 2014-15, \$30,000 will be transferred from this fund to the Motor Pool to support repairs to Engine/Pumper 921 to extend its useful life an additional five years.

City of Grand Haven Budget 2014-15 Department: Building Authority Activity: Project Financing Line Item Listing: Tab 6, Page 78

## **Departmental Customers**

- City Council
- Citizens of Grand Haven
- The Community Center

### **Services Provided**

The Building Authority of the City of Grand Haven was incorporated in the early 1990's to serve as the financing mechanism for reconstructing various Downtown parking lots. (That bond was paid in full in 2005.) Annual transfers to the Building Authority Debt Fund for debt service payments require the Building Authority to remain in operation, transferring special assessments or other revenue received to its debt service fund.

The Building Authority can be used to acquire, furnish, equip, own, improve, enlarge, operate and maintain a building or buildings, automobile parking lots or structures, and recreational facilities. The Building Authority operates by entering into a contract with the City which provides for the acquisition and construction of a public project under very specific constraints required by State law. The project is owned by the Building Authority and leased to the City in exchange for rent equal to the principal and interest on bonds which are then issued by the Building Authority in anticipation of the revenue. Once the amount is paid in full, project ownership is returned to the City.

Debt in the amount of \$2,830,000 was issued by the Building Authority in 2006 to renovate the Community Center (a \$4,500,000 project). Funded by a millage levy, the Building Authority will continue to make debt service payments until October, 2014.

#### Staff

- 1 Chairman (City Manager)
- 1 Treasurer (City Treasurer)
- 1 Secretary (Finance Director)

#### **New Initiatives**

No new bonding from the Building Authority is anticipated for the next fiscal year.

Department: Airport Fund

Activity: Airport Operations

Line Item Listing: **Tab 6, Pages 79-80**

	(Federal portion – State portion – local portion)					

Department: Chinook Pier Rental Fund

Activity: Chinook Pier Administration

Line Item Listing: Tab 6, Pages 81-82

## **Departmental Customers**

- Chinook Pier tenants and businesses, customers and visitors
- City Council
- City Manager

## **Services Provided**

The City-owned charter fishing docks, three retail buildings, a fish cleaning station and public restrooms comprise what is known in the community as Chinook Pier (real estate acquired in the 1970's from Grand Trunk Railroad). The three primary retail buildings were built by a private developer under a land-lease arrangement in 1984. In 2005, the owner of the private buildings exercised an option to compel the City to purchase the retail buildings and the entire property became an asset owned by the people of Grand Haven. The Chinook Pier Rental Fund records the revenue from rental of Chinook Pier properties and the associated costs including debt service.

When the buildings were acquired for just over \$1,000,000 in 2005, the City signed a 10 year installment purchase contract. As a non-viable business model, it was recognized that this deliberate pay-off structure would create a ten-year drain on the Public Improvement and other City funds (tax dollars), but would provide City Council with a future debt free opportunity to make dramatic changes on the waterfront, including potential demolition or reconstruction of these buildings.

In 2009-10, the Council directed a \$470,000 renovation of the Chinook Pier buildings from a State grant of \$200,000 and a Public Improvement Fund transfer of \$270,000. In May 2010, the City completed the \$470,000 façade and HVAC renovations. Tenant occupancy is currently at 100%.

In 2011-12, the Council directed a \$105,000 rebuilding of the Farmers' Market parking lot from a State grant of \$81,794 and \$20,449 from the Public Improvement Fund. The City completed the project in November 2011.

#### Staff

Assistant City Manager, Finance Director, Real Estate Management Consultant

#### **New Initiatives**

The mini golf feature will continue to be operated by the City of Grand Haven in the summer of 2014. Additional upgrades will continue to be made on an annual basis.

Department: Insurance Funds

Activity: Insurance and Benefits coverage

Line Item Listing: Tab 6, Pages 102-104, 106

## **Departmental Customers**

- City Council
- City Manager
- All Departments, Divisions and Staff
- The Citizens of the City of Grand Haven

## **Services Provided**

The City of Grand Haven created its Self Insurance Funds to account for all insurance activities provided in the various agency funds. The funds provide for the Liability and Property Insurance necessary to cover the City in its overall operations; as well as Health Insurance, Retirement Health Insurance, Workers Compensation, Unemployment Compensation, Life Insurance and Disability Insurance for the city's current employees and retirees.

The **Insurance Fund** records the City's participation in two Michigan Municipal League (MML)sponsored insurance funds: the Workers Compensation Fund and the Unemployment Compensation Fund. Participation in the MML pools provides a cost-effective means of obtaining insurance coverage that has been off-set in some years by dividend reimbursements. The Insurance Fund also includes the Property and Liability insurance coverage provided by Selective Insurance through our agent at Grand Rapids based Behrends, Hendricks and Stuit.

The **Health Insurance Fund** supports employee benefits related to health and dental coverage for current employees. Being self-insured, the City is able to obtain the lowest cost for health and dental care by issuing requests for quotes and proposals annually through an agent, Brown and Brown of Central Michigan, Inc. Since July, 2005, Blue Cross has been the City's third party administrator of health benefits.

The **Retirement Health Insurance Fund** is utilized after an employee retires from service with the City. The benefits established here are prepaid by contributions from the City during the employee's years of service and paid directly by the retiree after retirement. The narrow focus and availability of these benefits allows this fund to be in very stable condition.

Biennial actuarial studies are completed on this fund and other post-employment benefit (OPEB) costs. The next study is due in 2014.

## Staff

City Manager's Office (property and liability insurance administration) Human Resources (benefits and health insurance administration) City Clerk's Office (liability and property claims) Finance Office (accounting, budgeting and financial areas of operations)

### **New Initiatives**

With significant changes in the laws related to health care, City administration seeks to prepare the City and its employees to meet those changes.

Department: Cemetery Trust Fund

Activity: Funding Resources and Trust Management

Line Item Listing: Tab 6, Page 105

## **Departmental Customers**

- City Council
- City Manager
- Cemetery users

## **Services Provided**

The Cemetery Trust Fund is a non-expendable trust fund established by the City of Grand Haven to assist funding the costs of operation and maintenance of Lake Forest Cemetery. While certain Cemetery revenue is shown in the General Fund, a portion of each lot sale is transferred to this fund for investment. Use of investment revenue in future years reduces the draw on General Fund taxation revenue for cemetery purposes. Ideally, the City would create a permanent and reliable means to operate the cemetery via a self-reliant trust fund however, based on a 2006 study, this goal would take decades of significant annual investment to produce the funds needed to cover Cemetery costs of operation and maintenance completely. In 2011, the Cemetery Board asked that the City not cause the transfer of interest earnings and lot sales to the General Fund, keeping all monies in the Cemetery Perpetual Care Fund to build the endowment. This budget continues the practice of transferring the funds (\$6,000) to help offset the projected \$300,000+ (not including capital costs) in cemetery operations costs in 2014/2015.

## Staff

City Treasurer Finance Department City Manager

### **New Initiatives:**

The investment structure of the Fund was changed to purchase a series of certificates of deposit. The lower current interest rates are significantly reducing the interest return as the CD's become due for reinvestment.

No new initiatives are apparent except continuing support of expenditures for cemetery operation and maintenance where possible.

# Department: Harbor Transit Multi-Modal Transportation System

Activity: Transportation Services

Line Item Listing: Tab 6, Pages 83-88

The Harbor Transit Multi-Modal Transportation System is an intergovernmental agency created to provide public transportations services to the City of Grand Haven and the surrounding communities.

- Grand Haven Charter Township
- City of Ferrysburg
- Village of Spring Lake

## Services Provided

The general public utilizes Harbor Transit services for work, medical and quality of life appointments, shopping, schools, daycare, recreation, etc. Ridership includes all ages, economic, physical, mental and ethnic backgrounds. Approximately 47 percent of Harbor Transit riders are senior citizens, disabled or both. Harbor Transit is available, dependable, safe, on-time, low cost bus transportation.

The Grand Haven, Harbor Transit partners with the Federal Transit Administration (FTA) for federal operating and capital funds, and the Michigan Department of Transportation (MDOT) for operating and capital funds. Harbor Transit also partners with Spring Lake Township (for Oakcrest Manor, Heartwood Lodge, Lloyd's Bayou and Orchard Market) which also contributes local share operating funds and small capital projects.

As a separate intergovernmental entity, Harbor Transit's budget is adopted by the Harbor Transit Multi-Modal Transportations System Board of Directors and approved by all four governmental entities.

The City of Grand Haven is contracted to provide employees, management and financial services to Harbor Transit.

The Harbor Transit line item information is provided for public viewing. Questions related to Harbor Transit and its operations should be addressed to the Director of Transportation or the Grand Haven City Manager.

### Staff

- Transportation Director
- Operations Manager
- Customer Care and Compliance Manager
- Part-time Administrative Aide
- Part-time Customer Service/Marketing Representative

- Three full-time Dispatchers and three part-time Dispatchers
- Four full-time Drivers
- Twenty-six part-time Drivers
- One part-time Bus Restoration Specialist
- One full-time Mechanic (DPW)
- <u>Up to</u> Three (3) Seasonal Employees

Department: Grand Haven - Spring Lake Sewer Authority

Activity: Wastewater Treatment

Line Item Listing: Tab 6, Pages 107-118

### **GRAND HAVEN-SPRING LAKE SEWER AUTHORITY**

The Grand Haven - Spring Lake Sewer Authority is an intergovernmental agency created to provide wastewater treatment services to the City of Grand Haven and surrounding communities:

- City of Grand Haven
- City of Ferrysburg
- Village of Spring Lake
- Spring Lake Township
- Grand Haven Charter Township

As a separate intergovernmental entity, the Sewer Authority budget is adopted by the Sewer Authority Board.

The City of Grand Haven is contracted to provide employees, management and financial services to the Sewer Authority. Significant employee turnover is anticipated in the coming fiscal year, and the City HR team will be working closely with the Sewer Authority to make the best decisions to continue excellent service level.

The Sewer Authority line item information is provided for public viewing. Questions related to the Sewer Authority and its operations should be addressed to the City Manager or the Wastewater Superintendent.

### Staff

- Robinson Township

### **Services Provided**

The Northwest Ottawa Water Treatment Plant is operated and managed by the City of Grand Haven under contract for the Townships of Grand Haven and Spring Lake, the City of Ferrysburg and the Village of Spring Lake, which make up the Northwest Ottawa Water System (NOWS). The water treatment plant is approved to filter and pump 23.25 million gallons per day. The water treatment facility produces potable drinking water, which meets or exceeds all state and EPA requirements in quantities to provide industrial, commercial and domestic water needs including fire protection. The laboratory and staff are state certified for total coliform, ecoli and heterotrophic plate count analyses. Water treatment plant staff members are qualified to provide limited physical parameter testing for potable drinking water including testing for turbidity, chlorine, fluoride, hardness, alkalinity, calcium and pH.

#### Staff

- 1 Water Facilities Manager
- 1 Water Treatment Plant Crew Leader
- 5 Water Treatment Plant Operator II

All operators are Michigan Department of Environmental Quality (MDEQ) state certified.

#### **New Initiatives**

NOWS will be taking into consideration the repair and replacement of other existing equipment at both the Lake Pumping Station and the Water Treatment Plant. These long term capital improvements are scheduled for the fall, winter and spring of 2014 and 2015. 1) Low service pump #4 repair project. 2) Replacement of the alum feed application system. 3) Painting the existing process pipes at the water plant. 4) Security enhancements at the lake pumping station. 5) SCADA license upgrade and computer equipment replacement.

NOWS also has future Federal and State regulated monitoring requirements, these include: The EPA's assessment monitoring of the Unregulated Contaminant Monitoring Rule (UCMR 3), which will begin in 2014 and be completed in 2015. This monitoring will provide information to the EPA for 30 possible contaminants for regulation. The focus of the water analysis will be from the City of Grand Haven's water distribution system. This fall a complete laboratory audit will be performed by the MDEQ in maintaining our certification status for microbiology. The Long-Term 2 Enhancement Surface Water Treatment Rule (LT2ESWTR) implementation and second round monitoring to control Cryptosporidium, will begin in October of 2016. The first round sampling and analysis completed in 2009, established no Cryptosporidium in our source water.

Staff continues to provide a successful comprehensive maintenance program to improve water production from both the South and North Intake system in Lake Michigan; this program also retains NOWS emergency interconnection water agreement with the City of Grand Rapids and Norton Shores water system.

A summary of water usage, actual and projected are presented in the table below.

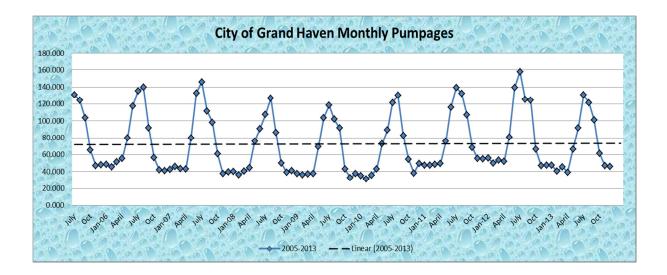

water Usage						
Fiscal Year Actual or		iscal Year Actual or NOWS Total				
	Projected	Pumpages	Haven Usage			
2008-2009	Actual	2,097,736,000 *	772,785,000			
2009-2010	Actual	2,032,273,000 *	732,968,000			
2010-2011	Actual	2,006,759,000	847,760,000			
2011-2012	Actual	2,236,683,000	975,253,000**			
2012-2013	Actual	2,300,761,000	883,241,000			
2013-2014	Projected	2,495,000,000	890,000,000			
2014-2015	Projected	2,355,000,000	865,000,000			

Water Usage

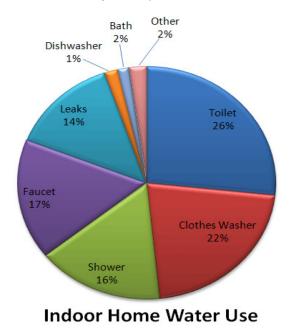

\* Includes water purchased from Grand Rapids and Muskegon Hts.

\*\* Pumpage total does not include Northshore meter correction

The line chart is a monthly distribution to the City of Grand Haven showing that water usage has stayed relatively consistent from 2005 to 2013, with some slight increases in 2011 and 2012 due to changing weather patterns and the economy. NOWS is prepared for those changes and will continue to provide safe and reliable drinking water for the City of Grand Haven and all of the residents of Northwest Ottawa County.

Like many other services provided by the DPW, the availability of potable water is often taken for granted. It is interesting to think of the many activities in our daily lives that are dependent upon the continued delivery of clean water to our homes. A breakdown of the main categories of domestic water consumption is shown in the diagram below. A review of the diagram may provide insight to residents searching for ways to conserve water in their homes.
