City Manager's Budget Statement  
(including 2019-20 City Council Goals)  
Organization Chart  
Personnel

**TO:** City Council  
**FROM:** Pat McGinnis, City Manager  
**RE:** Annual Budget Message  
**DATE:** March 21, 2019

### **Sec. 8.3. City manager; budget proposals, statement required.**

The city manager shall submit to the council with each budget proposal, a budget statement which shall explain the budget proposal and contain an outline and explanation of the proposed financial policies of the city relating to its operations for the next fiscal year.<sup>1</sup>

Attached is the proposed operating budget for the City of Grand Haven for the fiscal year beginning July 1, 2019 and ending June 30, 2020. The proposed budget provides a description of the operational, capital and fiscal plans which, when adopted by City Council, serves several purposes:

- It authorizes the fees and revenues collected by the City, and
- It authorizes the expenditures proposed in all the various funds, and
- It complies with Act 2 of 1968 (the Uniform Budgeting and Accounting Act), and
- It is used by the public, City Council, City Boards, City staff and administration to achieve the goals described within the document, and
- It is used to project financial outcomes and anticipates a healthy financial future for the City of Grand Haven.

The budget is divided into several sections and each City department or group is categorized according to fund type. Great detail is provided on each fund and the sources of financial support for every City function are fully explained herein.

The attached document provides a total picture of next year and gives a reasonable capital forecast for the next six years. The ongoing mission of the City's management team is to provide the greatest level of municipal service using the most efficient methods possible. It is also our mission to listen to the elected officials and to follow their direction.

#### City Council – Goal Statement

The budget is a reflection of the goals set by City Council each year. Each budget process begins following a goal setting process conducted by the City Council.

Your graphic goal depiction, created by award-winning staffer Mary Angel, is framed and posted in every City department. All department directors and managers review these goals and develop budget requests in line with the goals as stated by City Council.

Here is the goal graphic created for the coming fiscal year:

---

<sup>1</sup> Excerpt from the Grand Haven City Charter, adopted by the voters of the City of Grand Haven on April 6, 1959.

### Infrastructure

The City Council maintains a welcome emphasis on maintenance and improvement of the City's infrastructure. The City will approach the voters with a long term solution in November: replace existing voted millage with new mills to be used solely for infrastructure investment. The goal is to endure a 15 year transition from debt financing to a pay-as-you-go structure. If approved by voters, by 2035 you will have a perpetual three mill levy to cover costs of infrastructure maintenance and replacement.

The North Shore project will be completed this year, improvements to the wastewater treatment plant and Adams Street lift station will take place and we will begin work on the Fulton Street project in 2020.

### Grand Haven Steady in Face of Threats

In Michigan, in spite of a commitment to principles of home rule autonomy, we tolerate a high level of State scrutiny of local affairs. Our ability to raise revenues is strictly limited by the Headlee amendment, artificial caps placed on local property value and the elimination of personal property tax. These are the primary sources of revenue to fund local improvements and operations. The method set up by the State of

Michigan to soften the blow of the elimination of personal property tax revenue delivered \$912,770 to the City General Fund last year, and this year it paid \$371,555. It is ironically called the Local Community Stabilization Authority. We have projected a payment of \$300,000 in 2018/2019, but will not be shocked if the State formula delivers something dramatically different. This revenue source is welcome, it is anything *but* stabilizing and it does not replace what we lost in Personal Property collections prior to the change in the law.

Thanks to a fiscal conservatism that starts with the elected leadership, Grand Haven is able to maintain steady service delivery. Through effective accounting software, management staff is intimately familiar with financial activity within their departments. The Finance Department remains integrated through all aspects of the operation to maintain very tight fiscal control. Short and long term economic risk is understood, communicated throughout the organization and to the public, and each day brings new opportunities to maximize productivity.

### Unshared Revenue

For generations the revenues collected by the State of Michigan were distributed according to demand for local services. Those days are long gone, and Lansing continues on the trend toward keeping resources close to the State Capital and leaving local units (and school districts) to wither and fade. It is important to highlight the reality every year – the local share of the pie has diminished in the past 15 years while the State continues to substantially outspend local government.

As shown below, the promises of the 1990s have turned into a reality of scarce revenue sharing. In the coming fiscal year, if we kept up with State collections, we would be seeing over \$3.5 million in shared revenue. In reality we will receive \$1 million. It is also interesting to note that the City of Grand Haven and all other local units are required to submit audited financial reports within six months of the end of the fiscal year, and as of March of 2019, the most recent State information available is from September 30, 2017.

Revenue from tax increment financing was devastated when the economy turned upside down in 2008/2009. Grand Landing and downtown are continuing to place strain on local finances, yet we continue to pay these debts down as they are obligations that are backed by the City's full faith and credit. Each fund delivered increased increments in the past year, and this upward trend is expected to continue.

- Downtown tax capture was \$391,000 in 2017-18, \$430,000 this year and is projected at \$443,000 for next year.
- Grand Landing tax capture went from \$459,000 last year to \$600,000 this year and is projected at \$675,000 for next year.

With this in mind, your support of these bond payments is an investment. Under existing agreements with controlling authority boards, all funds transferred to cover shortfalls will be repaid, with interest.

#### Relevant Detail

- Health care costs are transitioning to the new high deductible plan format. Administration is keeping a close eye on the performance of the health benefit fund. Expenses of \$4 million are covered by current revenues at \$4 million.
- The Motor Pool Fund remains balanced, with approximately \$1.2 million in revenues and expenses (and a very capable staff taking good care of your equipment).
- The .75 mills levied to establish and grow a Grand Landing Debt Support Fund will continue through 2021/2022 and will diminish need for large levies in future years. Elevated development on the site may relieve the need for this continued tax levy and, should excess funds be collected, they will be dedicated to infrastructure replacement per City Council directive.
- Street fund operations are in a deficit condition. The funds we receive from the gasoline tax do not cover the cost of maintain the streets – without accounting for resurfacing and construction activities. In the coming fiscal year, the Major Street Fund is at a \$182,000 deficit, while local Streets are seeing a \$312,000 deficit. Budgeted transfers from General Fund cover this operating deficit each year; it is painful to see a deficient gas tax as a political issue in Lansing. We will continue to advocate for a larger share of the revenue coming from the gas tax; meanwhile our property tax subsidy will continue. We cannot ignore the needs of our transportation system.
- While General fund shows expenditures exceeding revenues by \$480,000 this year and \$560,000 next year, the fund is equipped to sustain operations (and ongoing improvements in the City) during such periods. You have built a fund balance exceeding \$4 million (out of a \$12 million annual budget), exceeding fund balance requirements and affording the luxury of continuing operations and improvements in spite of heavy transfers out of the General Fund (\$2 million, this year and \$1.2 million next year).

#### Condition of Funds

**All City funds are in a positive state. Cash flow for the next fiscal year is adequate to meet City Council objectives.**

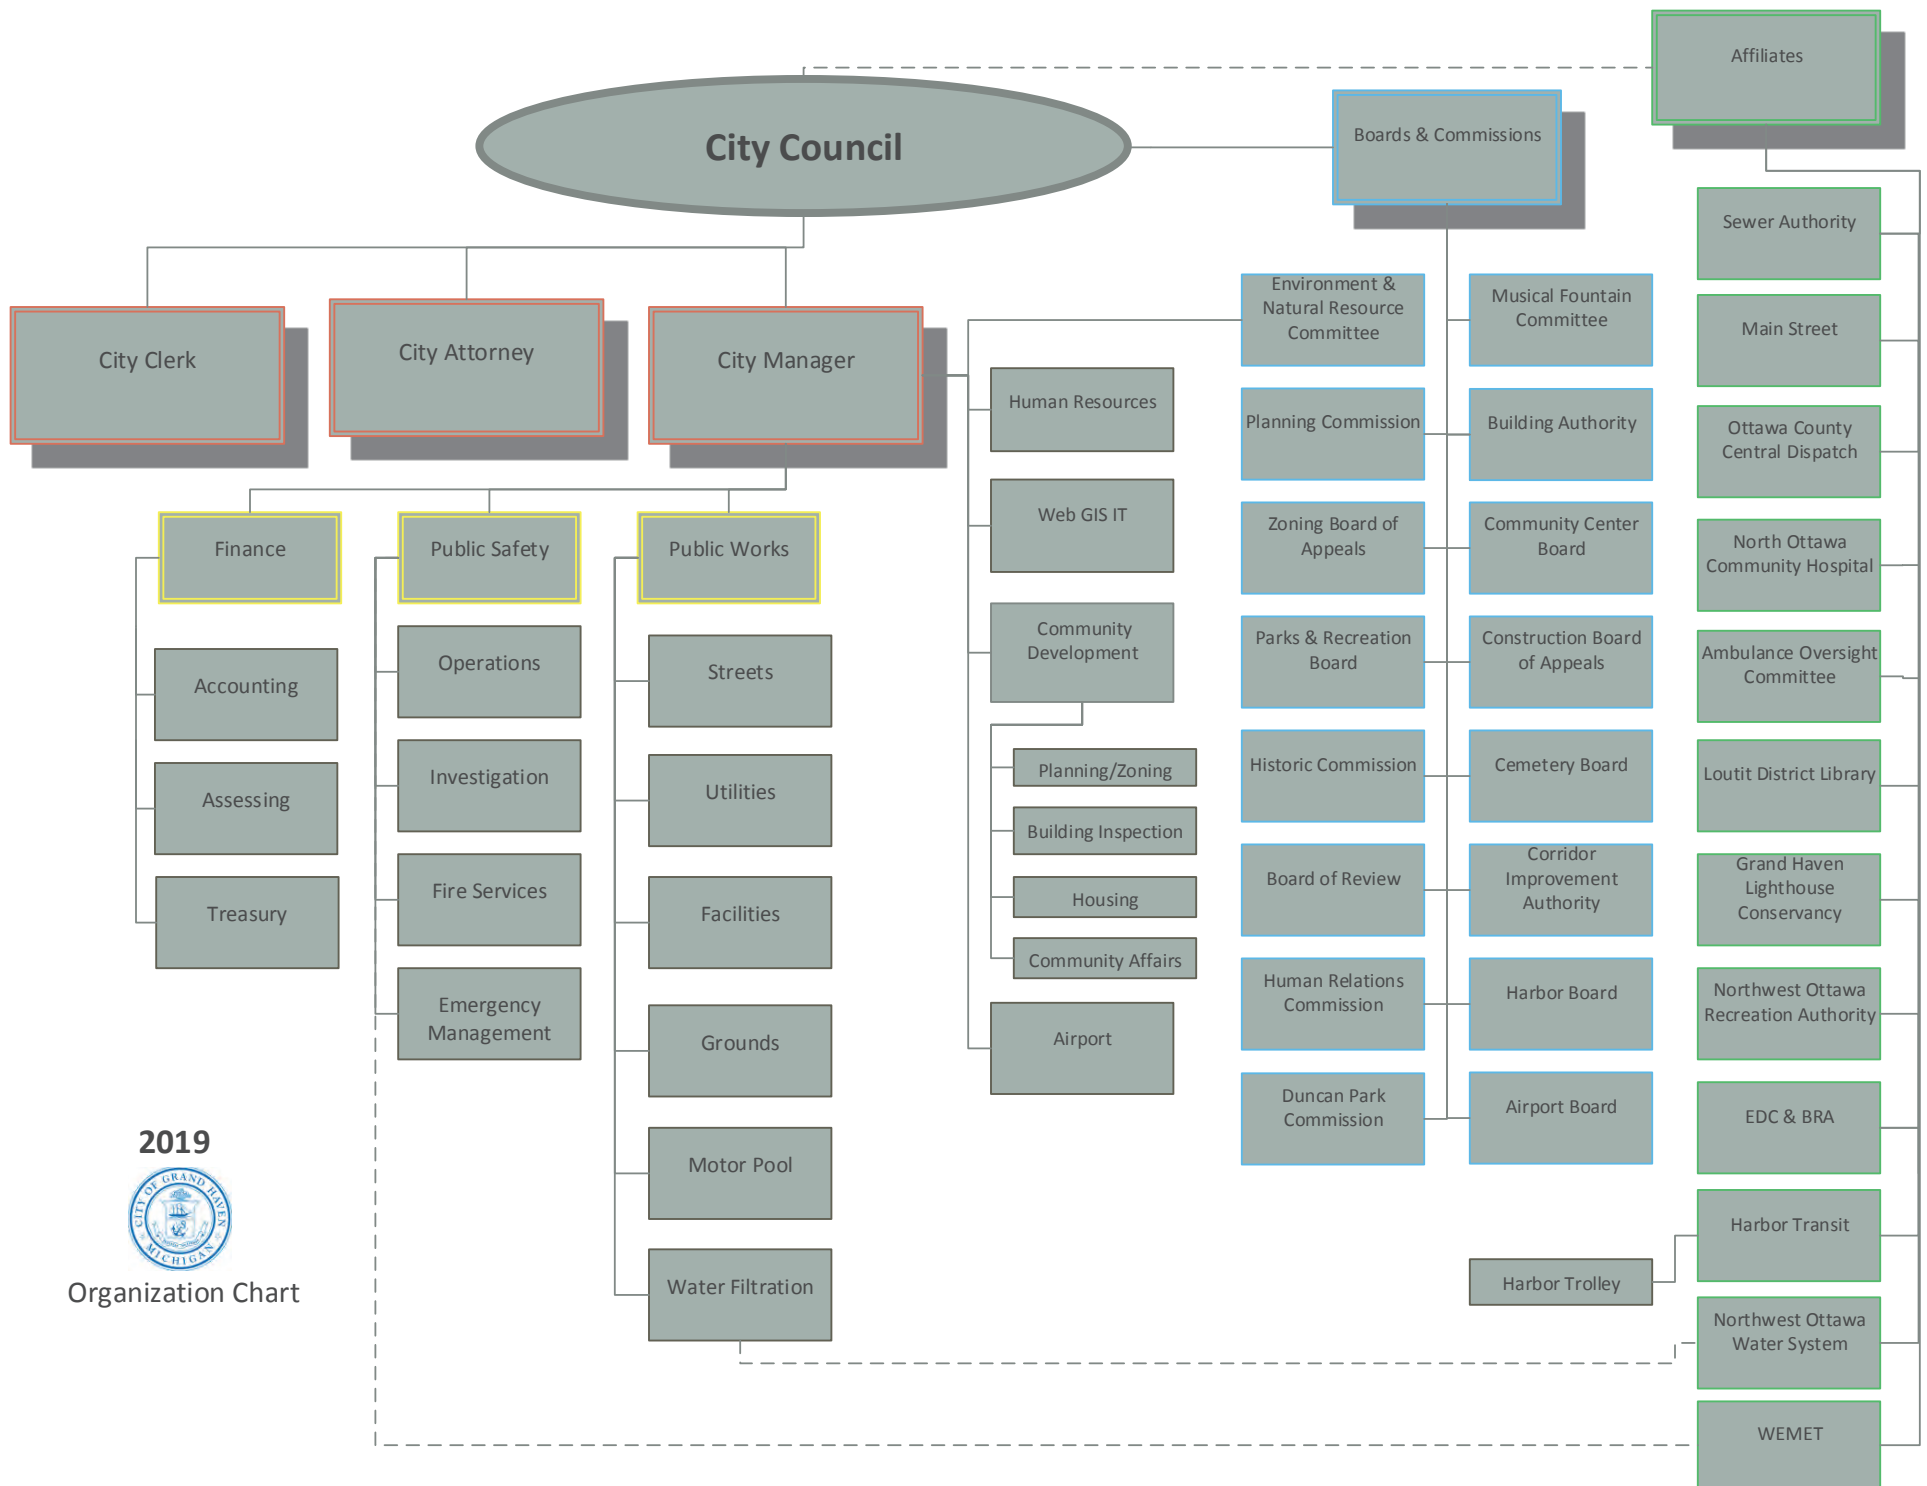

The overall message in the budget is good – your funds are all balanced and adequate reserves are in place to sustain services in the coming year.

Considerable detail follows in this budget, and I thank the following cast for their dedicated help pulling together the narrative and numbers that make up the 2019/2020 City of Grand Haven budget document:

Linda Browand, City Clerk  
Derek Gajdos, Public Works Director  
Jeff Hawke, Public Safety Director  
Jennifer Howland, Community Development Manager  
Rhonda Kleyn, Neighborhood Development Coordinator  
Dave Krohn, Wastewater Superintendent  
Ashley Latsch, Management Intern  
Trina Robinson, Accounting Supervisor  
Char Seise, Community Affairs Manager  
Bonnie Suchecki, Human Resources Manager  
Joe Vanderstel, Water Plant Manager  
Teri VanHall, Treasurer

Also, special thanks to Mary Angel for her work on the 2019 Goal Statement Graphic and to Jim Bonamy, Finance Director, for all of the charts and tables that make this budget understandable.

Beginning in Fiscal Year 1994-95, millage levies apply to the **Taxable Value** (green), not **State Equalized Value** (red).

Prior to 1994, millage levies were directly applied to the **State Equalized Value (SEV)**, 1/2 of True Cash Value.

School Operating Millage was dropped from Homestead properties in 1994. Non-Homesteads continue to pay it.

FY 2019-20 values are estimated

General Fund Expenditures by Department			Excluding
General Government	3,040,950	22.8%	25.63%
Public Safety	4,968,444	37.3%	41.88%

### DDA Revenue and Debt Analysis - Update 01/31/2019

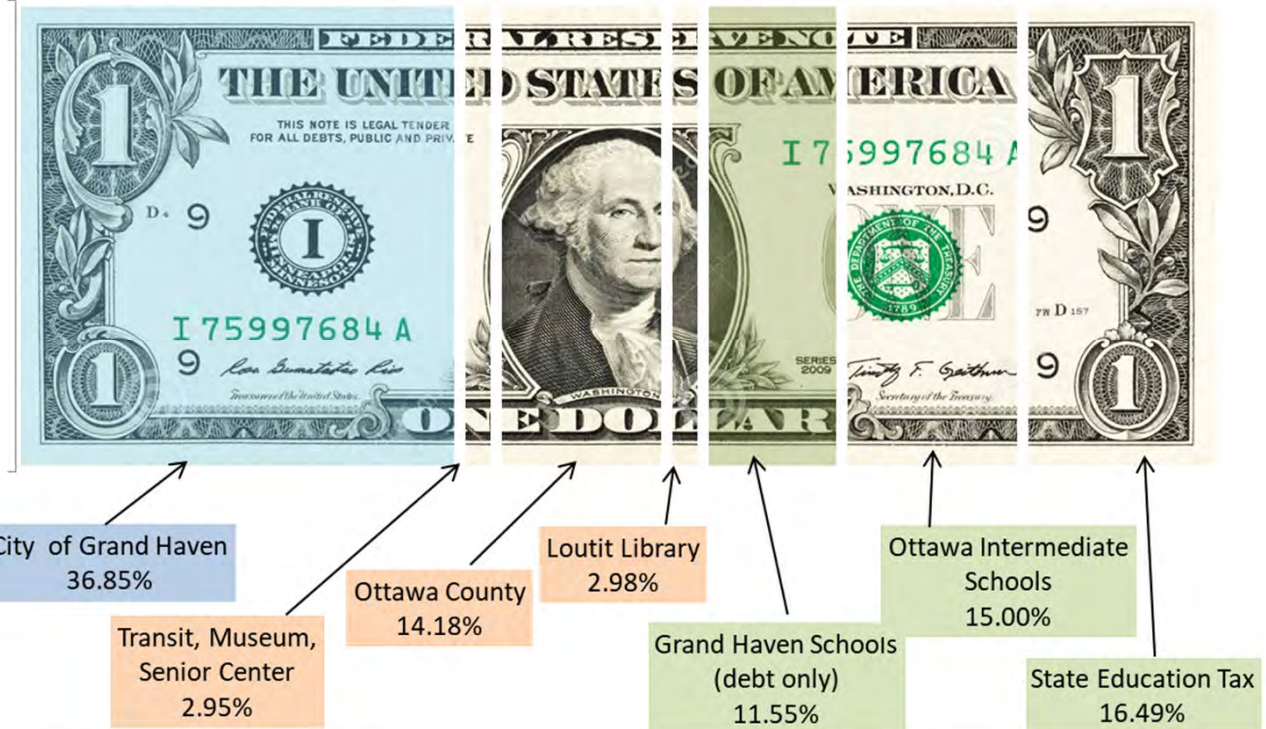

## Grand Landing Brownfield Refunding Bond Forecast - 01/29/2019

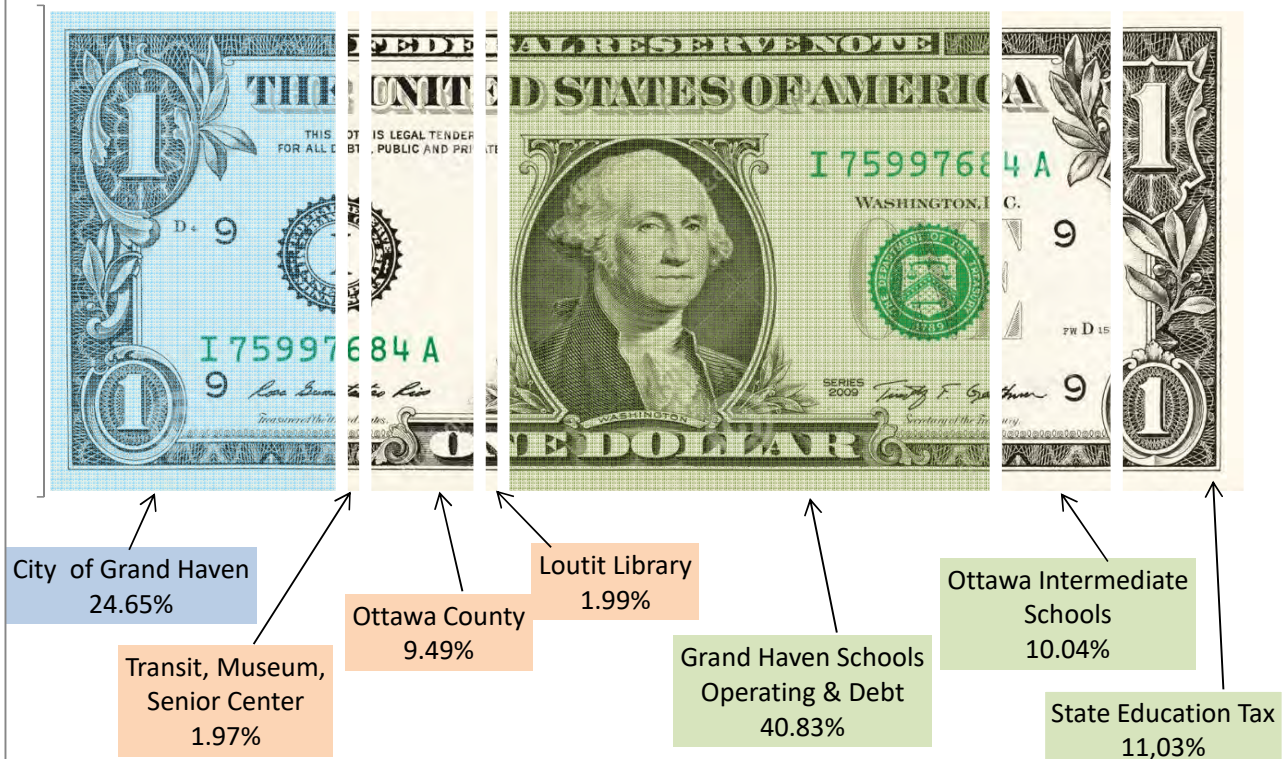

## How Your Tax Dollars Are Spent - Homestead Properties

## How Your Tax Dollars Are Spent - Non-Homestead Properties

Operating surplus = operating revenue minus operating costs (does not include transfers out).  
The City posted operating surpluses every year since 2002, 2019 & 2020 are forecasts.

The **audited deficits** are generally caused by the amount of **transfers out** during the year.  
Five **audited deficits** in 16 years. **No operating deficits** in 16 years.

Fund balance (fiscal strength) has been increasing annually except in the 5 deficit years.  
\*The 2018 deficit was caused by transferring \$2,000,000 out of the General Fund into the Public Improvement Fund.

City of Grand Haven  
Budget 2019-20

Department: General Fund Revenue  
Activity: Financial Resources  
Line Item Listing: Tab 6, Pages 1-2

---

## Departmental Customers

- City Council
- City Manager
- All departments, divisions, agencies, employees, boards.

## Services Provided

General Fund revenue supports the operation of all departments of the General Fund and includes transfers to other operating, streets and bond funds and, when funds are available, transfers for capital improvements and other infrastructure projects.

Revenue is shown in five broad categories: property taxation, payments in lieu of taxes, state shared revenue, interfund administrative fees and other income. Grants are shown separately as these are usually one-time revenue and may not be received in later years.

## Staff

This "Department" is not staffed, although the efforts of the Treasury and Finance Department staff cannot be understated with over \$12,497,780 in General fund budgeted revenue and over \$24,000,000 in annual tax collections (all local units of government). Also, over 4,900 monthly utility bills keep Utility Billing & Treasury staff active with customer service & banking. All City functions supported by General Fund Revenues are served by this internal service department.

## New Initiatives

The majority of taxation revenue, 9.6314 mills, is used to fund general operations of the General Fund and is the same as last year.

Additional revenue sources and uses of tax dollars:

1. County Road Millage - 0.4939 mills

This millage was approved by a County-wide vote at 0.5 mills in November of 2014. The City Treasurer collects the taxes, forwards them to Ottawa County which reimburses 100% of the taxes paid by City residents on a biweekly basis. These funds (\$255,840) are then transferred to Major & Local Streets funds for operations, maintenance and reconstruction.

2. City Streets Program/Resurfacing Millage - 0.3500 mills

To gain voter support of the County Road millage, City Council pledged that they would reduce City Street Program/Resurfacing millage by the same 0.5000 mills in 2015. (Together, #1 and #2 equal no change in total millage levied for streets for many years.) This 0.3500 mills generates \$183,220 in tax revenue.

3. City Community Center Millage – 0.7733 mills

The 2006 \$2,830,000 Building Authority Bonds were paid in full in the autumn of 2014. The original voted millage proposal sought millage “for the purpose of erecting improvements, furnishing, equipping, remodeling and expanding the City’s Community Center,” and its use has been continued.

As the millage in full was no longer needed for debt service, the revenue is now being used for specific capital projects each year. In FY 2015-16, the millage decreased from 0.6800 mills to 0.1000, providing \$52,000 in tax revenue. In FY 2016-17, the millage was raised to 0.3000 mills to produce \$153,100 for specific capital support. As the Community Center Board noted concern for significant capital repairs and maintenance (HVAC air handler, audio system, ballroom carpeting & printer) and requested to continue a portion of this millage for those purposes, the millage for FY 2017-18 rose to .5 mills. Council has authorized design services to improve the west and south sides of the building in 2019-20, so Administration proposes that the full, Headlee-limited millage of **0.7733 mills be levied**, totaling \$405,340 in revenue. This will be revisited annually until the voted millage ends in 2021.

4. 2008-2017 Infrastructure (\$9,400,000) UTGO Bond Millage – 1.0000 mill

This voted millage anticipated a 1.000 mill levy each year for the debt service life of the bonds. It can only be used to pay the debt service for these bonds. In 2008, the anticipated taxable value was estimated as sufficient to pay the debt service at 1.0 mills per year. Unfortunately, the Great Recession reduced taxable values City-wide and the current taxable value was not sufficient at a 1.0 mill levy. Being an unlimited tax general obligation (UTGO) bond, the millage rate can rise or fall annually based on debt service needs. This millage rose by 0.1 mills in FY 15-16 to meet then-current needs. In FY 16-17 it rose to 1.3000 mills, which held for FY 2017-18. Administration requests the millage remain at last year’s **1.0000 mills** for FY 2019-20 to reserve cash to be held in reserve for future debt service payments. A refunding bond issued in 2017 stabilized the debt service needs making increased millage unnecessary.

5. 2015 Infrastructure (\$7,185,000) UTGO Bond Millage – 0.9000 mills.

This bond is similar to the 2008-17 Bond requirements in #4 above and was approved by the voters in 2013, anticipating a 1.0 mill levy. Administration delayed issuing the bond to the spring of 2015 to allow a reduction in Community Center millage (-0.68) to mitigate the anticipated 1.0 mill increase here. Taxes on the current city-wide taxable value at 0.9 mills (\$475,000) are sufficient to pay the coming year’s debt service.

6. Harbor Transit (Transportation) Millage – 0.5800 mills

Anticipated in 2012 when the Harbor Transit Department separated from the City and became its own governmental authority, the Harbor Transit Multi-Modal Transportation System (HTMMTS) Board recommended a reduction of 0.02 mills in FY 2016-17, reflecting success in restoring HTMMTS cash reserves to a strong working capital position. The millage rate is unchanged for FY 2019-20. It is noted that the City Charter allows a 1 mill levy for transportation, underscoring Council fiscal restraint and leaving an untapped source for transportation dollars, if needed.

7. Grand Landing Debt Support Fund – 0.7500 mills

City Council approved continuing this levy through FY 2021-22 to meet future debt service needs for TIF properties within the City. With the Boat Storage Brownfield TIF paying its debt service in full in FY 2017-18, \$100,000 of that revenue now supports the Grand Landing Brownfield debt payment. Since FY 2011-12, this fund accumulated over \$7,100,000 in taxes and interest, which will begin to be reimbursed to the General Fund for infrastructure purposes from the Grand Landing Brownfield TIF in FY 2022-23. We do not anticipate any draw from the General Fund to cover this debt service.

Totals	<u>14.2090</u>	<u>14.9973</u>	<u>14.9706</u>	<u>14.9706</u>

Requested millage for FY 2019-20 **shows no increase from last years' decrease. Even though operations call for higher revenue, the City has sufficient funds in reserve to cover the currently anticipated need.**

State Shared Revenue has been forecast at current year constitutional levels including the City, Village, Township Revenue Sharing (CVTRS) component. The City was successful in the last five years to receive these funds (\$1,024,000) and will strive to meet continuously changing State requirements in the future. State legislative actions continue to limit CVTRS funds. We forecast future downward pressure on this revenue as sales tax receipts are variable and the State's fiscal position and intent remain hard to forecast.

Administrative charges to other funds are calculated to reflect costs of the General Fund (City Council, City Manager, Treasury, Clerk, Finance, Human Resources and IT) which serve all funds. The spread of costs is based on the total expenses of each fund (excluding depreciation) divided by the total expenses of all funds (less the Sewer Authority, per contract.) See the administrative charges calculation in Tab 2.

### **Departmental Customers**

- Citizens
- Media and the Public at Large

### **Services Provided**

The City Council of the City of Grand Haven serves as the legislative body of City government, including the Mayor and four Council Members. City Council establishes City legislative policy by approving resolutions and ordinances and allocates public funds through the adoption of the City budget. City Council directs the activity of City staff through its appointed City Manager. City Council also appoints the City Attorney and the City Clerk, and is "...dedicated to the attainment, through government, of a high level of living for every citizen".<sup>[1]</sup>

### **Elected Officials**

Geri McCaleb, Mayor  
Mike Fritz, Mayor Pro-tem  
Josh Brugger, Council Member  
Bob Monetza, Council Member  
Dennis Scott, Council Member

### **New Initiatives**

The City Council direction for the coming fiscal year is set forth in the 2019/2020 Goals Statement and is reflected throughout the entire budget document

Budget 2019-20

Department: City Manager  
Activity: City Administration & Information Technology  
Line Item Listing: Tab 6, Pages 3, 4-5

---

## Departmental Customers

- Citizens
- City Council
- City Departments and Employees

## Services Provided

The City Manager's Office is responsible for facilitating accomplishment of City Council's goals. The Mayor and City Council formulate broad policy initiatives and direct the City Manager in the execution of their will. The City Manager is charged with responding to the needs of the entire community and is ultimately responsible for the daily operations of the City.

Besides new goals set forth below, the City Manager's Office continues to work with regional partners to address harbor maintenance (dredging, pier, marina and seawall), economic growth, recreation, transparency initiatives (including communication with the media, broadcast of City Council meetings, website administration and social media) and advocacy for collaborative efficiency. The City Manager's Office will continue to be the catalyst for regional collaboration in northwest Ottawa County. The City Manager is also responsible to ensure all departments of the City (with the exception of the Board of Light and Power) work together in a collaborative approach to maximize the positive impact of local government services.

Information Technology is overseen through the Manager's office and is provided primarily through an inter-local agreement with Grand Haven Area Public Schools.

The struggle to maintain premium service delivery as resources continue to dwindle demands constant attention to efficiency as defined and directed by the City Manager. Grand Haven's expert service delivery personnel (through all departments) continue to provide high value to the taxpayers. The City Manager's Office is charged with maintaining high morale throughout the organization to continue this tradition of excellence.

## Staff

- City Manager
- Assistant to the City Manager
- Executive Administrative Assistant
- GIS/IT Coordinator

## New Initiatives

City Council goal priorities for Management were discussed during a work session on November 26, 2018, whittled down during subsequent City Council meetings and were finally adopted on January 21, 2019. They are:

1. Infrastructure Millage Election
2. Snowmelt Energy Source
3. Housing Affordability
4. Local Energy Production
5. Zoning Ordinance Amendment
6. Airport Options
7. Washington Square Redevelopment
8. Harbor Island Campground

Throughout this Service Plan Section, graphic icons are inserted where a specific department is taking steps to operationalize City Council's stated goals for the coming fiscal year. These goals are in addition to operating the City in an efficient, fair and transparent manner.

Infrastructure Millage Election

Zoning Ordinance Amendment

Snowmelt Energy Source

Airport Options

Housing Affordability

Wash. Square Redevelopment

Local Energy Production

Harbor Island Campground

## City of Grand Haven Budget 2019-20

Department: Planning and Community Development

### Staff

#### Full Time Staff:

- 1 Community Development Manager/City Planner/Zoning Administrator
- 1 Building Official
- 1 Administrative Assistant
- 1 Neighborhood Development Coordinator
- 1 Community Affairs Manager
- 1 Community Affairs Administrative Aide/Technician

#### Part Time Staff:

- 1 Administrative Aide
- 1 Housing Administrative Aide
- 1 Code Enforcement Officer (full time officer shared with Public Safety)
- 1 Contract Housing Counselor
- 1 Contract Electrical Inspector
- 1 Contract Mechanical Inspector
- 1 Contract Plumbing Inspector

### Planning & Zoning

The City collects \$17,000 to \$20,000 in planning permits and fees each year. Staff did an analysis of the cost of plan reviews to determine whether the fee schedule is appropriate. Several fees will increase as a result of this analysis (site plan review, special use, and variance), and one fee will decrease (Sensitive Areas Overlay Review). We are projecting an additional \$2,000 in revenue as a result of this fee increase, but we intend to budget for a conservative \$20,000 in revenue.

One of the City Council's goals for FY 19/20 is Washington Square Improvements. A sub-area plan is in place for this neighborhood, but it may need to be updated, and additional work to coordinate property owners' efforts will be necessary. We have allocated \$5,000 in the budget to cover the cost of consultant assistance for this effort. Another goal of the City Council is Housing Affordability.

The Zoning Ordinance will be updated with the help of a consultant in calendar year 2019. Special focus will be paid to housing and parking. The cost of the project will be approximately \$40,000 with a grant from the Grand Haven Area Community Foundation expected to cover half of that. The City continues to contract with the Village of Spring Lake to provide planning

services, which generates \$16,500 in revenue each year for the General Fund. The Community

Development Manager serves as the staff liaison to the Planning Commission and the Zoning Board of Appeals.

## **Building & Inspection**

The Building & Inspection Division continues to manage a steady, high volume of permits, which is reflective of the positive trend in our city for owners to invest in their properties. We intend to take plumbing permitting and inspections authority back from the State in order to improve customer service via more timely inspections and overall better coordination among trades. The fee structure and budget reflect this. We will utilize contractors to perform electrical, mechanical and plumbing inspections, so \$105,000 is proposed for contract services to cover these expenses (\$35,000 per trade). Expected permit revenue is budgeted to reflect an additional \$50,000 in permit fees from plumbing permit revenue, although it is unclear when in the fiscal year the authority will be granted by the state. Inspectors will continue to participate in training events in Michigan as in previous years to maintain required professional certifications.

Our rental program continues to be run efficiently with administrative support from our office and inspections being handled by the code enforcement officer and DPS firefighters. The Building Official serves as the rental code official as needed, and the administrative aide handles all scheduling and coordination of rental inspections, communication, and records. We expect fees collected to remain steady at \$67,000.

## **Code Enforcement**

The Community Development Department has a Code Enforcement Officer to enforce state law and ordinances. This officer is a sworn Public Safety Officer III, a position that is shared jointly with the Department of Public Safety. Code Enforcement supports and enhances property values through effective enforcement of property standards, while working to keep aging buildings, homes, and properties from becoming eyesores in our community. Grand Haven struggles with vacant buildings, trash, tall grass/weeds, and inoperable vehicles. Blight and deteriorated properties lead to an increase in crime and decrease in property values. Grand Haven Code Enforcement enforces ordinances and State law for the safety and wellbeing of the public. Enforcement can be an essential provision of safe and healthy living and working conditions. In FY 2018-19, 544 cases were brought into compliance, which is consistent with the prior year's caseload. Most of those cases were done by a proactive approach of educating the public and property owners. We employ a corrective philosophy, not punitive, so we do not issue very many tickets.

## **Neighborhood Housing Services**

The Neighborhood Housing Services (NHS) staff includes the full time Neighborhood Development Coordinator, a contractual housing counselor, and a part-time housing educator assistant. The Neighborhood Development Coordinator is responsible for program management, providing housing counseling and procuring funding to execute the mission and keep the department sustainable. The housing counselor provides housing counseling services and financial empowerment coaching services to customers throughout Ottawa County, and, new in 2018, Muskegon County. The part-time housing educator assistant provides administrative assistance services for the department. The Neighborhood Development Coordinator serves as the staff liaison to the Human Relations Commission.

NHS has been providing housing counseling services to Ottawa County residents since 2007. NHS is a Michigan State Housing Development Authority (MSHDA) approved housing counseling agency and in 2018 NHS staff became HUD certified housing counselors.

Some of the programs offered include:

- Financial Empowerment Center
- DHHS Navigation Partner
- My Free Taxes
- Show Me the Money Day
- NIP-Homeowner Repair Grant
- HOR/HPR Grant
- Property Improvement Program (PIP).

### **Community Center (including Marina, Mini Golf and Waterfront)**

The Community Center (CC) and its operations are under the direction of the Community Development Department. The Community Affairs Manager (CAM) and an Administrative Aide assist with the delivery of services with a holistic approach to community development. The Community Affairs Manager (CAM) serves as staff liaison to the Community Center Board and Coast Guard Festival, Inc.

#### **Community Center:**

The CC continues to be utilized by many non-profit organizations, individuals and corporations. It provides meeting space for seminars, social events and business meetings. Muskegon Community College (MCC) will end their lease with the City of Grand Haven, effective 5/31/19.

2018 Corporate rentals continue to rise.

The Community Center Board is making recommendations to utilize the existing millage to its full capacity before its expiration in 2021. The recommendation for exterior repairs/improvements was presented and is being considered with a request for further development of the plans with Abonmarch.

#### **Special Events:**

Over 100 Special Events take place in Grand Haven annually. Coordination of each event through multiple departments, boards and commissions help to create safe and successful events.

#### **Mulligan's Lodge:**

Mulligan's Lodge operates from April 1 through October each year. The Lodge is rented mostly for graduation parties, wedding receptions, rehearsal dinners as well as corporate training, social and family events. This year the carpeting will need to be replaced as well as some repairs to bathroom sinks, countertops and commodes.

#### **Airport Room Rental:**

The CAM oversees the rental process of the Airport, taking requests and scheduling around other airport activities, as well as handing damage deposits/refunds and processing payments. There is no budget impact related to this responsibility.

#### **Marina/Mini-Golf:**

Seasonal hours begin May 13<sup>th</sup> through October 15<sup>th</sup>, seven days per week.

**Charter Docks:**

The CAM oversees the Charter Boat and commercial contracts, invoicing and public relations.

**NEW Park Rentals:**

Park rental reservations will now be handled through the Community Center office. This change will continue to allow us to improve on the delivery of services for residents and the general public. CC staff will work with the regular users, coordinating with NORA, TCKL etc.

## City of Grand Haven Budget 2019-20

Department: Elections  
Activity: Election Administration  
Line Item Listing: Tab 6, Page 4

---

### Departmental Customers

- Citizens and Voters
- The Media and Public
- Election Commission
- Grand Haven Area Public Schools
- Ottawa County
- State of Michigan

### Services Provided

The Clerk's Office provides administrative services for city, state, federal, and school elections. The City conducts its elections using Ottawa County's election equipment. In addition, the City Clerk's Office maintains the City's voter registration list using the State of Michigan's Qualified Voter File system.

The City of Grand Haven is located in the 2nd District of the United States House of Representatives; the 30th District of the State Senate; the 89th District of the State House of Representatives; and the 10th District of County Board of Commissioners for Precinct 1, 2, and 4; and 9th District of the County Board of Commissioners for Precinct 3.

### Staff

The City of Grand Haven employs approximately 52 election inspectors to work at the polling places. The City Clerk staff also monitors election management and processing of votes.

### New Initiatives

There are no new funds budgeted for operations in the Election division. Funds have been allocated for election staff compensation and costs of continued reputable operations:

- Holding efficient, well run, accurate elections
- Using laptops in the polling locations in place of paper voter lists and poll books
- Ensuring that voter registration records are accurate
- Using and maintaining County-owned, vote-tabulation equipment
- Maintaining a list of people who plan to vote by absentee ballot for every election

City of Grand Haven  
Budget 2019-20

Department: Finance  
Activity: Accounting & Financial Management  
Line Item Listing: Tab 6, Page 4

---

### Departmental Customers

- City Council, City Manager, City Attorney, City Auditors and the Audit Review Committee
- All Department Directors, Managers and Supervisors, Employees and Retirees
- State of Michigan and its agencies
- United States Federal Government and its agencies
- All City Funds
- Component units: Brownfield Redevelopment Authority, Economic Development Corporation, Main Street Downtown Development Authority, City of Grand Haven Building Authority
- Intergovernmental agencies: Harbor Transit Multi-Modal Transportation System, Grand Haven-Spring Lake Sewer Authority, Northwest Ottawa Water System
- Ottawa County Central Dispatch Authority & Spring Lake Township
- Vendors, contractors and other service and commodity providers
- The Public - utility customers, taxpayers, persons provided City services for a fee and persons interested in the financial activities of the City

### Services Provided

The Finance Department Staff is responsible for:

- Development, maintenance and reporting on a system of accounts
- Development and maintenance of a utility billing system for water and sewer utility customers
- Periodic (monthly, quarterly & annual) financial reporting on grant administration
- Development of public and confidential internal reports and graphical analyses as needed

The Treasury Division staff is responsible for:

- Acting as the legal custodian of all funds of the City
- Funds properly deposited into bank accounts and continuously analyzed for investment opportunities
- Coordination with the Assessor for tax bill preparation and mailing semi-annually
- Internal Treasury services including revenue reporting for accounting purposes and a periodic investment report for the Sewer Authority and City Council

### Staff

- 1 Finance Director
- 1 Accounting Supervisor
- 1 Treasurer
- 1 Senior Accountant – accounting management services provided  
40 hours per week in both the City of Grand Haven and Spring Lake Township.
- 1 Senior Accountant – Payroll & Benefits Administration
- 1 Accounts Payable Clerk
- 1 Utility Billing Clerk
- 1 Cashier

City administration continues to limit various rate and tax increases to those necessary to meet City Council's stated goals.

The Finance Department is also focused on:

- Continuous monitoring, improving and forecasting the financial outlook of the City.
- Improving the ability to review legacy and current costs for maximum and efficient utilization of City resources.
- Developing a multi-year financial plan for each fund. The plan for debt service funds is complete and other operational funds are coming on line slowly as time permits. The City recognizes that any forecast result may not occur as planned, however the exercise allows decision makers to consider the ramifications of current actions toward anticipated future goals.
- Developing new and more efficient ways to use the growing body of accounting data being generated through the BS&A Software systems.
- Utility invoice reviews and support to the energy efficiency & savings committee is ongoing.
- On-bill financing of utility customer needs for new water or sewer lines.
- Expanding the City/Munetrix financial public information system offerings.

Taxable Value	\$565,748,790	\$557,242,160	\$579,858,354	\$615,638,921*

\* As of 03/04/19

One County Staff member is assigned to the City 40 hours a week and schedules Wednesday afternoons each week for "walk-in" service and is otherwise available Monday through Friday on call at (616) 846-8262.

### Staff

A contract continues with the Ottawa County Equalization Department providing staff to serve City residents and customers (averaging 2 FTEs annually).

### New Initiatives

A new contract with Ottawa County may be presented in 2019-20. Administration will recommend a new contract if it is consistent with the efficient history of our relationship with the County.

Note that the property appraisal system is the backbone of data for the City geographic information system (GIS). This information is collected by Ottawa County for their GIS and is annually returned already inserted in the City GIS database. County Staff also updates the County GIS data during the year. We recommend interested members of the public to seek GIS based assessing information at the County's website (<http://www.miottawa.org/departments/equalization/>)

City of Grand Haven

## Departmental Customers

### City Attorney

- Mayor and City Council
- City Manager's Office
- Building and Planning Department

### Labor Attorney

- City Manager's Office
- Human Resources Department

### Prosecuting Attorney

- City Manager's Office
- Public Safety Department
- Building and Planning Department

## Services Provided

**City Attorney:** The City Attorney reviews all contracts and various other documents prior to recommendation to City Council for approval and offers legal opinions as needed to City Council and City Manager. The City Attorney attends City Council meetings and other meetings as requested to provide advice. All contact with the City Attorney is either directed by the City Council or as requested by the City Manager.

**Labor Attorney:** The Labor Attorney provides service in personnel issues relating to employee and employer rights and responsibilities, personnel policies and general labor matters and reviews sensitive documents relating to personnel issues. The Labor Attorney is the lead in collective bargaining.

**Prosecuting Attorney:** The Prosecuting Attorney deals with all violations of City Ordinances and litigation at the Ottawa County Courthouse. All violations are expected to be handled in a timely manner to achieve 100% long term compliance with City laws and ordinances.

## Staff

Various attorney firms are utilized for these services. In 2018, the City relies on Dickinson Wright as Bond and General Counsel, Clark Hill for Labor and Real Estate advice and Houghtaling, Waisura for Prosecution Services.

### **Departmental Customers**

- Mayor and City Council, City Manager, All City Departments and Employees
- Media and Public at Large
- Boards and Commissions, Election Commission, Board of Light and Power, Grand Haven Spring Lake Sewer Authority, Northwest Ottawa Water Plant
- Ottawa County

### **Services Provided**

The City Clerk's Department provides informational services to residents, property owners, the general public and other City departments.

The City Clerk attends meetings of the Council and keeps a permanent record of all Council's actions and proceedings. The City Clerk also serves as the City's Freedom of Information Act (FOIA) Coordinator. The Clerk's Office is the custodian of all permanent documents and records of the City, many of which are scanned into a LaserFiche electronic file system for storage, search and retrieval. The Clerk's Office staff issues permits and prepares and posts notices. Staff also maintains the boards and commissions membership list, prepares correspondence, information packets and oaths for newly appointed members. The Clerk's office also administers elections and maintains voter registration files. (See the Elections Division.)

### **Staff**

- City Clerk
- Two (2) Administrative Assistants

City of Grand Haven  
Budget 2019-20

Department: Human Resources

### **Departmental Customers**

- All City Departments, Employees & Retirees
- Grand Haven Board of Light and Power
- Ottawa County Central Dispatch Authority
- Grand Haven – Spring Lake Sewer Authority
- Main Street Downtown Development Authority
- Harbor Transit Multi-Modal Transportation System

### **Services Provided**

Human resources management services are provided including benefits administration. Other areas include recruitment and staffing, employee relations, union negotiations, compensation and benefits, human resources information management, workers compensation and regulatory compliance.

### **Staff**

- 1 Human Resources Manager

### **New Initiatives:**

- The fiscal year of 2019-20 will see change in Human Resources services as the current Manager plans to retire. The management team is evaluating the options for HR services and a smooth transition will occur.
- The non-union staff at the City of Grand Haven includes several individuals who are eligible for retirement within the next 5 years. Succession planning has been begun and will continue to be evaluated and implemented throughout the transition time.
- New Employee Orientation continues to be a strong program introducing our newest employees to the City in all of its functions through monthly department tours and presentations.
- FY 2019-20 will close with a new contract between the City and the Police Officers Labor Council for both Command and Patrol groups.
- The cost of employee & retiree benefits continues to be a major issue in the Human Resources Department. The ongoing requirements of the ACA, the direction set by the legislators in Lansing and our commitment to offer a competitive package to our employees while containing ever-rising costs will be a significant focus over the next year.
- Post-employment benefit liabilities continue to be a long term threat to the City's fiscal sustainability. Changes to existing benefit levels to mitigate that exposure must be measured against the City's ability to recruit and retain the best employees available. HR will continue to work very closely with other administration leaders in the next year to measure that impact and to make the best recommendations to City Council.

City of Grand Haven  
Budget 2019-20

Department: Public Safety  
Activity: Law Enforcement, Fire Protection,  
Emergency Medical Services, Emergency  
Management and Code Enforcement

- City Residents and Property Owners

### Services Provided

Department of Public Works employees perform a diverse set of work tasks related to the Divisions listed below. Each DPW employee is assigned to one of the Divisions and is, first, responsible for the services and assets specific to that area.

Employees are also cross trained so that they may perform a variety of functions to ensure that the City has a DPW team ready to provide the required services, to provide opportunities for career growth, and to enhance job satisfaction. It is not uncommon for the Director to combine the expertise of employees in multiple Divisions to execute more complex assignments or to respond to an emergency.

Administration	Motor Pool
Custodial	Streets ( <i>Sidewalks and Storm Water</i> )
Grounds ( <i>Parks and Cemetery</i> )	Utilities ( <i>Water Distribution and Sanitary</i>
<i>Sewer Collection</i> ) Maintenance	Water Filtration Plant

### Staff

The 48 full-time employees and three part time employees of this department work from the R.V. Terrill Building on Jackson Street, the Harbor Transit Building on Ferry Street, the office at Lake Forest Cemetery on Lake Avenue, and the Northwest Ottawa Water Filtration Plant adjacent to Mulligan's Hollow. Part-time and seasonal staff members work from the locations listed above as well as in the City Parks, at the Musical Fountain, along the Waterfront and at Lake Forest Cemetery.

1	Ottawa County SWAP crew

**DPW Director**

The DPW Director is responsible for all aspects of the department's divisions as well as performing program and project management, addressing staffing needs, and evaluating purchasing needs. The Director carries out the wishes of City Council under the direction of the City Manager. The Director's ability to accomplish the City's DPW-related goals is facilitated by planning and utilizing the City Council's adopted goals to prioritize resource allocation.

The Director is also the designated Street Administrator and Parks Superintendent for the City of Grand Haven. Additionally, the DPW Director works with the Grand Haven-Spring Lake Sewer Authority Board, the Northwest Ottawa Water System (NOWS) Administrative Committee, the County and City

Emergency Response Teams, the West Michigan Shoreline Regional Development Commission (WMSRDC) Technical Committee, the Planning Review Team, the North Ottawa Recreation Authority (NORA), the Parks and Recreation Board, and the Lower Grand River Organization of Watersheds (LGROW) Committee.

## **Boards and Commissions**

Employees of the Department of Public Works Serve as City Liaisons or members of the following Boards, Commissions and Committees:

- Grand Haven –Spring Lake Sewer Authority Board
- Northwest Ottawa Water System (NOWS) Administrative Committee
- Ottawa County and City of Grand Haven Emergency Response Teams
- West Michigan Shoreline Regional Development Commission (WMSRDC) Technical Committee
- Planning Review Team
- North Ottawa Recreation Authority (NORA)
- Duncan Park Commission
- Lower Grand River Organization of Watersheds (LGROW) Committee
- Cemetery Board
- Musical Fountain Committee
- Environmental & Natural Resources Committee
- Parks & Recreation Board

City of Grand Haven  
Budget 2019-20

Department: General Fund Insurance  
Activity: Insurance coverage  
Line Item Listing: Tab 6, Page 13

---

### Departmental Customers

- City Council
- City Manager's Office
- All Departments, Divisions and Staff
- Citizens

### Services Provided

The Insurance Division consolidates liability, property and specialized insurance coverage for General Fund operations under one division. The General Fund and all other funds are served by the Insurance Fund, Health Insurance Fund and Retirement Health Insurance Fund by coordinating all insurance activities into three separate intergovernmental service or trust and agency funds. Separation of accounts into the noted internal service and agency funds and this department of the General Fund allows for quick analysis of cost trends and revenue to match. See pages 35 - 36.

Insurance includes:

- Property Coverage (including earthquake and flood)
- Inland Marine Coverage
- Commercial Crime Coverage
- Commercial Liability Coverage
- Public Officials Liability (and Errors and Omissions) Coverage
- Police Professional Liability Coverage
- Commercial Automobile (and Other Vehicle) Coverage
- Public Officials Bond Coverage
- Umbrella Coverage

Insurance through the Michigan Municipal League includes:

- Worker Compensation
- Unemployment Compensation

The City manages health benefits for eligible employees and retirees through a third party administration agreement with Blue Cross Blue Shield of Michigan and various supporting agents. The Insurance Funds are intergovernmental service or agency funds which collect revenue from all the operating funds to pay for health and other benefits provided and offer a single location to view and consider organization-wide costs. The Retirement Health Fund receives monthly payments from retirees and from City operating funds (718.00 accounts) and forwards the appropriate amount to the Health Benefits Fund from which these benefits are paid.

**Staff**

- City Manager (requests for proposals issuance and risk management)
- Human Resources Manager (benefit and personnel insurance administration and claim processing)
- City Clerk (liability and property claims processing)
- Finance Director and Accounting Supervisor (accounting, budgeting and financial areas of insurance)

City of Grand Haven  
Budget 2019-20

Department: Interfund Transfers Out  
Activity: Financial support  
Line Item Listing: Tab 6, Page 14

---

**Departmental Customers**

- City Council
- City Manager
- Other City Funds

**Services Provided**

These financial transactions, "interfund transfers," between the General Fund and other special revenue, debt service, operating, capital improvement and enterprise funds provide taxation and other General Fund revenue for specific and tightly defined purposes. The use of funds can be as broad as any City fund and are shown for recent years below:

	<u>FY 2016-17</u>	<u>FY 2017-18</u>	<u>FY 2018-19</u>	<u>FY 2019-20</u>
	<u>Actual</u>	<u>Actual</u>	<u>Amended</u>	<u>Proposed</u>
<u>"Operational" transfers</u>				
To Economic Develop. Corp	0	20,125	21,000	21,000
To Housing Fund*	2,500	0	16,550	0
To Airport Fund	10,000	10,000	20,790	0
To Motorpool Fund	200,000	0	0	0
<u>"Debt service" transfers</u>				
To Downtown TIF bond	144,385	109,925	83,935	90,255
To 2014 Capital Projects Debt Fund	218,120	240,645	240,420	243,960
<u>"Capital" transfers</u>				
Public Improvement Fund	2,000,000	0	280,000	0
Comm. Center - capital replacements, major repairs and improvements	0*	257,200	403,060	404,820
Major Streets Fund	629,285	0	613,310	219,530
Local Streets Fund	379,285	442,000	283,310	219,530
Total Transfers	<u>1,253,310</u>	<u>3,583,575</u>	<u>1,971,635</u>	<u>1,199,095</u>

\*A capital transfer of \$153,000 was included in the \$2,000,000 transfer to Public Improvement Fund.

## Staff

City Manager  
Finance Director

## New Initiatives

Use of these revenue sources is noted in various other funds for various operating, capital and debt service obligations to support City Council goals. Transfers out of the General Fund give an appearance of a deficit condition, when, in reality, operating revenues coming in meet or exceed the needs to operate the City. Transfers out account for a substantial portion of annual General Fund expenditures, and should be closely examined on a continuing basis to not threaten the operational capacity of the City.

Below are graphic histories of transfers to the public improvement fund, cash balances and transfers to underscore the usefulness of and issues presented by this division.

### Services and Structure

The Main Street Downtown Development Authority (Main Street) is administered by the Executive Director under direction of the Main Street DDA Board and works collaboratively with City Council and City Administration to develop and sustain the central business district with year-round viability. The DDA Board consists of thirteen individual representatives of the downtown business community.

The vision for Grand Haven Main Street is to strengthen the local economic base, promote revitalization efforts that foster community engagement and investment in the Central Business District, and create a place that is financially viable and competitive, physically attractive, pleasant and energetic with an appropriate mix of:

- New and historically rehabilitated retail, restaurant, and residential spaces
- New office and service business locations
- An array of unique retail and restaurant offerings
- A diversity of housing options
- A variety of public gathering spaces and attractions that interest and serve local community members and visitor through all seasons
- A strategic mix of special events that attract visitors of all ages throughout the year
- Strengthened linkages to the waterfront, Grand River, Lake Michigan, US 31, and the east side of Grand Haven

In order to best accomplish these objectives, Main Street maintains a four-point approach. The approach consists of four active committees with the purposes of: organization, promotion, recruitment and retention, and preservation and place. These committees are intended to advise and inform the governing Board.

### Departmental Customers

- City Council
- City Manager
- Various City funds

### Services Provided

The following funds have been established by City Council approved bond resolutions requiring separate accounting for funds which pay bond principal and interest payments on a periodic basis or by budgetary designation anticipating a bond resolution:

- Brownfield TIF (Grand Landing) Debt Fund
- Downtown TIF Debt Fund
- 2008 Infrastructure Bond Debt Fund
- 2014 Capital Improvement Bond Debt Fund
- 2015 Infrastructure Bond Debt Fund

**The Brownfield TIF (Grand Landing) Debt Fund** was created in 2006 to manage debt from the construction of public infrastructure at the Grand Landing property adjacent to Beacon Boulevard and Jackson Streets, revenue for debt service coming from tax increment revenue upon these Brownfield properties where improvements were made. This bond will continue debt service payments until November, 2021. A 0.7500 mill levy for a Grand Landing Debt Support Fund to meet future debt service needs for tax increment financed properties within the City was approved initially in FY 2011-12 and will continue **through FY 2021-2022**. Should there not be a need for these resources for debt service payments, these revenues may be used only for infrastructure project funding at City Council's direction. In 2016, the Brownfield Redevelopment Authority issued 2016 Brownfield refunding bonds which reduced the overall interest cost by \$510,000.

**The Downtown TIF Debt Fund** was created in FY 2005-06 to manage the debt from the 2006 Capital Improvement Bonds (\$3,345,000) sold in January 2006. The debt service for these bonds is anticipated from tax increment financing revenue from Main Street Downtown Development Authority properties. The project included parking lots and alleys on the north side of Franklin Street from Harbor Drive to Third Street. This debt service will continue until October, 2026. The City issued 2015 DDA-TIF Refunding Bonds to save \$275,000 in future interest costs.

The Washington Avenue reconstruction project including snowmelt from Harbor Drive to Third Street was completed in FY 2011-12. The City issued \$5,600,000 in 2009 Capital Improvement LTGO Recovery Zone Economic Development Bonds in the summer of 2009 to support the project and

received a \$600,000 grant from the Michigan Department of Transportation as well. Debt service payments began in April 2010 and will continue until April, 2034. Until April 2019, this fund was partially subsidized by the Federal government, with roughly 45% of interest cost paid by the Federal government to the paying agent bank each year. The City has issued 2019 Refunding Bonds to save \$81,000 in interest costs and end the Federal subsidy. The costs not paid by the federal government are supported by local resources, primarily the General Fund.

The General Fund supports Downtown TIF debt service at \$90,255 in FY 2019-20 anticipating property values to grow in future years to anticipated levels when the City issued the bond. This support is proposed to be reimbursed to the General Fund in later years when TIF dollars are no longer making debt service payments.

**The 2008-2017 UTGO Infrastructure Bond Debt Fund** was created upon the sale of \$9,400,000 in Capital Improvement Bonds in June, 2008, to manage debt service. The bond proceeds provided initial funding for large street, water and sanitary sewer projects within the City. Debt service is supported by a 1.0000 mill levy for infrastructure projects approved by the voters in 2007, with a surcharge of 0.1000 mills to meet debt service requirements. The UTGO status of the bonds, Unlimited Tax General Obligation, indicates that the millage rate can rise or fall in anticipation of debt service costs per year. The City issued 2017 Refunding bonds, saving over \$716,000 in future interest costs. The millage for FY 2019-20 is projected at 1 mill, utilizing fund reserves for debt service costs.

**The 2014 LTGO Capital Improvement Bond Debt Fund** was created by City Council in 2014 to manage debt service payments for a total of \$5,195,000 in bond proceeds (a \$4,775,000 bond). The bond proceeds were used for an automated water meter reading system throughout the City and capital improvements including an HVAC and renovations at Public Safety. This bond will be reimbursed by annual direct payments from the General & Water Funds from taxation and water rates. (Note that the Sewer Fund pays 50% of the Water Fund's debt service cost as "rent" on the meters.) Payments on these bonds will be made from expanded water and sewer utility revenues (due to more accurate measurement and reduced cost of metering/billing) and savings from more efficient buildings (reduced physical operating costs) on our Washington Street campus.

**The 2015 UTGO Infrastructure Bond Debt Fund** was created by City Council in 2015 continue infrastructure projects with an additional \$7,185,000 in bond proceeds. A one mill levy approved by the voters in November, 2013, will provide funding for large street, water and sanitary sewer projects within the City, including the Madison, 5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup> Project and Phase 1 & 2 of the Grand Avenue project and future projects. Where possible the Water & Sewer Fund will pay for related assets constructed in these projects, extending the use of bond funds for additional street projects. The UTGO status of the bonds, Unlimited Tax General Obligation, indicates that the millage rate can rise or fall in anticipation of debt service each year. The millage for FY 2019-20 is projected at 0.9000 mills.

## **Staff**

Finance Staff

Treasury Staff

## New Initiatives

Fund balances change on the reduction and increases in outstanding debt allowed by direction of the City Council and voters. All debt outstanding presently has the "full faith and credit" backing of the City. This places highest priority on payment of these costs against all other costs of the City. All bond payments are up to date. The Finance Director maintains a book of all outstanding debt service schedules and manages both the budgeting and the accounting for these funds.

See the Summary section under Tab 2 of this document to review the proposed debt service schedule for FY 2018-19 and future years.

## Forecasting the Future

Consistent with City Council's ongoing goals of fiscal stability & sustainable infrastructure financing, the City Manager & Finance Director annually review the City's General & Public Improvement Funds future fiscal outcomes.

First, the General & Public Improvement Funds' financial support to debt service and operational needs over the past 20 years is shrinking. Over fifteen years ago, it was the norm to use reserves in the General & Public Improvement Funds to meet short term operational goals in various enterprise funds (Water, Sewer, Marina & Motorpool). An overall policy goal presently in place states that "Enterprise Funds

should live within their own means," meaning that rates & charges in enterprise funds should be set to cover operational, maintenance and infrastructure needs. The City is consistently moving closer to this policy goal through annual rate increases. Enterprise funds generally no longer receive General Fund support. Administration seeks future reimbursements for enterprise funds transfers continues.

Second, consideration is being given to the changes in Brownfield debt funding. In FY-

2018-19, the Boat Storage Brownfield Fund became the Brownfield Local Site Remediation Revolving Fund (LSRRF) as the \$710,000 Brownfield Boat Storage loan was paid in full in September, 2017. TIF tax capture may continue for up to 5 years to fund the LSRRF, which funds must be used only for Brownfield issues. City administration plans for the new LSRRF Fund to support Grand Landing Brownfield debt at \$100,000 per year through FY 2021-22, a legally appropriate Brownfield use of LSRRF funds.

Third, Grand Landing Brownfield Debt (both the bond and the State Brownfield loan) will be paid in full in the fall of 2021. Assuming the Brownfield Debt Support (0.7500) millage will continue to FY 2021-22, the total millage plus 3% annual interest would result in a Brownfield tax capture reimbursement of \$7,143,000 to the General Fund. The following graph shows tax collection and reserves annually increasing (in red) and annual reimbursements in green. This estimated \$610,000 per year income could be earmarked to infrastructure needs. Once the General Fund is paid in full, an additional 5 years of TIF taxes could create a \$3,000,000 reserve for future LSRRF brownfield activities.

Note that administration is looking closely at FY 2021-22 in the hope that we may recommend an end of the debt support millage. At the same time, City voters may be considering an additional infrastructure bond (costing 1.000 mills annually over 20 years). The net result would be an increased tax millage of 0.2500 mills, significantly less than what would normally occur. Administration believes that this result would add support to the voters' approval of new infrastructure millage. Note that the structure of future infrastructure millage is not determined at this time. One option could be to ask for a 3.000 mill perpetual infrastructure funding and relieving the current 2.00 mill current levies. This would result in exactly the same as three 1.000 mill levies.

So, everything put together, what does this look like for the General Fund?

Effectively, net payouts end by 2027 and the General & Public Improvement Funds will have a steady resource from 2023 through 2033 and later. Note the orange bar in 2035. That would be the year the DDA-TIF pays its final debt service payment. At present an agreement would require the DDA-TIF to reimburse the General Fund for its bond payment support. It is also highly likely that the DDA area may need new infrastructure and streetscape updates. We don't include the reimbursement here, because that decision is merely 17 years out into the future!

City of Grand Haven  
Budget 2019-20

Department: Public Improvement Fund  
Activity: Capital Projects and Equipment Purchases  
Line Item Listing: Tab 6, Page 26

---

### **Departmental Customers**

- City Council
- City Manager
- Various departments, divisions and employees
- The Public

### **Services Provided**

The Public Improvement Fund is a clearinghouse for miscellaneous capital projects in Grand Haven. Capital expenditures for the City's streets, internal service (motor pool) and enterprise funds (airport, transit, water, sewer and marina) are normally not included here.

In past years, project and operational needs required transfers from this fund and the General Fund to meet costs. Administration is continuing to limit these transfers where necessary, especially in the enterprise and internal service funds where revenue is set to meet anticipated capital and operational expenses. However, projects in any fund, as directed by City Council, may receive financial support from the Public Improvement Fund and the General Fund.

Primary funding for the Public Improvement Fund normally is a budgeted transfer of millage revenue from the General Fund and, when approved by City Council, an after-audit transfer of surplus funds from the General Fund as noted below. Occasionally, grants from State, Federal and local sources may be shown in this fund as well. Millage was levied for support in the past, however the .4000 mills for public improvement fund capital projects has not been levied since July, 2008.

The scope of improvements may be as diverse or specific as City Council deems appropriate.

City-owned properties may be purchased and sold through this fund. The number of available City-owned properties for sale is limited, therefore, future funding is limited from this resource.

### **Staff**

City Manager  
Finance Director  
All City Departments

City of Grand Haven  
Budget 2019-20

Department: Fire Truck Replacement Fund  
Activity: Funding for Fire Vehicles  
Line Item Listing: Tab 6, Page 26

---

### **Departmental Customers**

- City Council
- City Manager
- Public Safety Department

### **Services Provided**

The Fire Truck Replacement Fund was established to develop funding for purchase of fire apparatus and related equipment. Recognizing that the cost of such purchases may exceed the City's capacity during a single fiscal year except through municipal borrowing, this fund extends the costs of such purchases over a longer time frame and allows the City to use interest earned on its funds to help cover costs. The City has maintained since FY 1999-2000 a \$50,000 annual transfer to this fund (excluding FY 2011-12) to support future purchases (with a \$200,000 transfer needed for a replacement pumper truck in FY 2006-07).

The annual transfer from Public Improvement Fund is recommended to increase to \$100,000 for FY 2019-20 annually.

### **Staff**

City Manager  
Finance Director  
Public Safety Director

### **New Initiatives**

A new pumper truck is planned for FY 2019-2020 at \$650,000 cost. This will deplete the reserve to about \$25,000. An increase to \$100,000 per year is included in the FY 2019-20 budget to begin building a larger reserve for the replacement of the ladder truck in 2023.

City of Grand Haven  
Budget 2019-20

Department: Airport Fund  
Activity: Airport Operations  
Line Item Listing: Page 27

---

### Departmental Customers

- Grand Haven area business and recreational users
- Small aircraft users
- Federal Aviation Administration
- Michigan Bureau of Aeronautics
- City Council & City Manager
- Airport Board

### Services Provided

Grand Haven Memorial Airport is a U-5 General Aviation all-weather facility, licensed by the Michigan Bureau of Aeronautics. The Airport is served with a paved primary runway, 3,750 feet long, and a paved cross-wind runway, 2,100 feet long.

The airport has 70 rental hangars. Hangar rental provides the major source of operating income for the Airport. Most recently there has been a multi-purpose room added on which can be rented by the public. The room will seat up to 50 people.

### Staff

The Airport is operated by an Airport Manager that is employed by the City of Grand Haven. All airport services is operated by E2 Technologies. The Harbor Transit Director has served as the Administrator of the Airport in recent years, however for the coming fiscal year the City is overseeing the airport while Harbor Transit undergoes a transition in administrative leadership.

### New Initiatives

The Council has directed an in-depth analysis of the airport and its future. This evaluation includes the study of possible alternatives to the current airport layout as well as new funding partnerships. Tree trimming, runway, apron and taxiway maintenance and hangar investment continue to be priorities at the airport.

Our primary goal is to maintain full occupancy in 2019-20.

City of Grand Haven  
Budget 2019-20

Department: Insurance Funds  
Activity: Insurance and Benefits coverage  
Line Item Listing: Tab 6, Pages 35 - 36

---

### Departmental Customers

- City Council
- City Manager
- All Departments, Divisions and Staff
- The Citizens of the City of Grand Haven

### Services Provided

The City of Grand Haven created its Insurance Funds to account for all insurance activities provided in the various agency funds. The funds provide for the Liability and Property Insurance necessary to cover the City in its overall operations; as well as Health Insurance, Retirement Health Insurance, Workers Compensation, Unemployment Compensation, Life Insurance and Disability Insurance for the city's current employees and retirees.

The **Insurance Fund** records the City's participation in two Michigan Municipal League (MML) sponsored insurance funds: the Workers Compensation Fund and the Unemployment Compensation Fund. Participation in the MML pools provides a cost-effective means of obtaining insurance coverage that has been offset in many years by dividend reimbursements. The Insurance Fund also includes the Property and Liability insurance coverage provided by the Michigan Township Participating Plan through our agent at Municipal Underwriters of West MI, Inc. This coverage was bid out in the spring of 2015. Administration plans to retain their services in FY 2017-18.

The **Health Insurance Fund** supports employee and retiree benefits related to health and dental coverage. Being self-insured, the City is able to obtain the lowest cost for health and dental care by issuing requests for quotes and proposals annually through an agent, Brown and Brown of Central Michigan, Inc. Since July, 2005, Blue Cross has been the City's third party administrator of health benefits. The City converted most employees to a high deductible plan last year, and the impacts have not been as pronounced as had originally been projected. Cash reserves remain at workable levels, but are lower than we would like to carry. Further steps are necessary to continue to contain costs.

The **Retirement Health Insurance Fund** is utilized after an employee retires from service with the City. The benefits established here are prepaid by contributions from the City during the employee's many years of service and contributions paid directly by the retiree after retirement. The narrow focus and availability of these benefits allows this fund to be in a very stable condition, however the biannual other post-employment benefits (OPEB) study shows an increasing need for reserves to be used in the future. For employees hired after July 2008, this benefit is closed. Employees hired after that date participate in a health care savings plan fee of 3% on wages plus a 3% City match.

**Staff**

City Manager's Office (property and liability insurance administration)

Human Resources (health benefits & OPEB insurance administration)

City Clerk's Office (liability and property claims)

Finance Office (accounting, budgeting and financial areas of operations)

**New Initiatives**

With significant changes in the laws related to health care anticipated, City administration seeks to prepare the City and its employees to meet those changes and greater costs.

City of Grand Haven  
Budget 2019-20

Department: Cemetery Trust Fund  
Activity: Funding Resources and Trust Management  
Line Item Listing: Tab 6, Page 36

---

### **Departmental Customers**

- City Council
- City Manager
- Cemetery users

### **Services Provided**

The Cemetery Trust Fund is a non-expendable trust fund established by the City of Grand Haven to assist funding the costs of operation and maintenance of Lake Forest Cemetery. While certain Cemetery revenue is shown in the General Fund, a portion of each lot sale is transferred to this fund for investment. Use of investment revenue in future years reduces the draw on General Fund taxation revenue for cemetery purposes. The transfers remain woefully inadequate, and the general fund subsidy of cemetery operations will continue until a far larger, stable endowment becomes a reality. We spend nearly \$341,000 on the Cemetery each year with total revenues below \$150,000.

### **Staff**

City Treasurer  
Finance Department  
City Manager

### **New Initiatives:**

Low returns are evident, with only \$10,000 in interest being realized in nearly \$2 million of principal. Staff will look into transferring the perpetual care dollars to the Community Foundation consistent with State Law to seek a higher rate of return.

Harbor Transit Multi-Modal  
Transportation System  
Budget 2019-20

Activity: Transportation Services  
Line Item Listing: Pages 28 - 30

---

The Harbor Transit Multi-Modal Transportation System is an intergovernmental agency created to provide public transportation services to the following communities.

- City of Ferrysburg
- City of Grand Haven
- Grand Haven Charter Township
- Village of Spring Lake
- Spring Lake Township

**Services Provided**

Harbor Transit provides public transportation to work, medical appointments, school, and other needed destinations. Harbor Transit is the recipient of operating and capital grant funding from the Federal Transit Administration and the Michigan Department of Transportation. Harbor Transit also receives local funding through a property tax millage from the five municipalities served by the transportation authority. Harbor Transit's budget is adopted by the Harbor Transit Multi-Modal Transportation System Board of Directors. The City of Grand Haven is contracted to provide employees, human resource management, financial services, and other support services for Harbor Transit.

The Harbor Transit line item information is provided for public viewing. Questions related to Harbor Transit and its operations should be addressed to the Executive Director at Harbor Transit.

## Grand Haven - Spring Lake Sewer Authority Budget 2019-20

Activity: Wastewater Treatment  
Line Item Listing: Tab 6, Pages 37 - 42

### Market and Customer Expectations

The Grand Haven-Spring Lake Wastewater Treatment Plant provides wastewater treatment services for the City of Grand Haven, the Village of Spring Lake, the City of Ferrysburg, and the Townships of Spring Lake and Grand Haven.

Wastewater treatment services include treatment of industrial, commercial, and residential wastewater to meet discharge requirements as established by the Department of Environmental Quality and to treat and properly dispose of biosolids removed during the treatment process by land application.

### Service Plan Outcomes

Fiscal Year	17/18 ACTUAL	18/19 BUDGET	19/20 PROPOSED
Pounds BOD/Day	6,240	6,672	5,705
Pounds SS/Day	7,783	8,531	8,621
Flow (MGD)	3.8	3.7	4.0
Population Equivalent			
BOD	34,667	39,247	31,694
SS	35,377	38,777	39,186
Permit Violations	1	0	0

### Service Plan Inputs

The proposed budget includes \$ 180,600 for capital expenditures. The larger items are: \$43,500 to replace UV lamps, sleeves and wiper, \$35,000 to replace a roof, and \$36,000 to replace windows. In addition to the budget items, bonds were sold for several projects that will be started this year. A new Spring Lake Pump Station force main, a new Headworks building, replacing the Primary and Return Sludge pumps, upgrading the Adams St. pump station, and upgrading the Spring Lake pump station.

### Personnel

- 1 Superintendent
- 1 Environmental Compliance Supervisor
- 1 Operations Supervisor
- 6 Operator/Mechanics

Northwest Ottawa Water System  
Budget 2019-20

Department: Public Works  
Activity: Water Treatment  
Line Item Listing: Tab 6, Pages 43 - 44

---

### Department Customers

- City of Grand Haven
- Grand Haven Charter Township
- Spring Lake Township
- Village of Spring Lake
- City of Ferrysburg
- Crockery Township
- Robinson Township

### Services Provided

The Northwest Ottawa Water Treatment Plant is operated and managed by the City of Grand Haven under contract for the Townships of Grand Haven and Spring Lake, the City of Ferrysburg and the Village of Spring Lake, which make up the Northwest Ottawa Water System (NOWS). The water treatment plant is approved to filter and pump 23.25 million gallons per day.

### Staff

- 1 Water Facilities Manager
- 1 Water Plant Supervisor
- 5 Water Treatment Plant Operator II
- 1 Part-Time Water Treatment Plant Operator II

All operators are Michigan Department of Environmental Quality (MDEQ) state certified.

### New Initiatives

These future improvements to our facilities are anticipated in the coming years.

- 1) Continue to sample and test at least twice per year for PFAS. New and recent emerging contaminants have been a major theme for the State of Michigan as well as the rest of the country.
- 2) Assist NOWS communities with the new Lead & Copper testing program.
- 3) Install lightning or surge protection for the water plant and lake pumping facility.
- 4) Lake pumping station or Low Service Plant process pipe painting project.
