

## Medical Marihuana Facility Permit Application FAQ

*\*This document will be updated and re-posted on the City website as questions are asked and answered.*

*Updated April 20, 2020*

1. How long does someone have to be a resident? ***Since before the application is filed and throughout the term of the license. If applicant avails themselves of residency preference for lottery, they vacate their license if they move away.***
2. If they are 33% owner of the property does that meet requirements? ***No, they must be owner of 33% of the business entity which owns or leases the property.***
3. Do they have to be 33% owner of the operating license through the State of Michigan? ***Yes.***
4. What exact documents need to be provided in the application to verify local ownership? ***Driver's license and voter registration and utility bills showing name on accounts, as well as the formation documents for whatever business is making application (e.g. articles of incorporation, partnership agreement, current and latest annual report filed with the state, etc.).***
