Recreation Inventory

The Recreation Inventory section of the plan documents the existing recreational resources available within the Grand Region Consolidated Plan Area, as well as neighboring areas. The section includes descriptions of the facilities within the five municipalities, and neighboring public facilities. A review of the parks in consideration of the Americans with Disabilities Act is included for each park within the Plan Area.

Consolidated Plan Area Parks
The Consolidated Plan area includes 57 parks covering approximately 1100 acres of park land.

The name and location of each of the parks is shown on the Park Location Map and Park Facilities Chart on the following pages. Descriptions and additional information for each of the parks is provided in this plan section.

Public Recreation Lands and Facilities
The Recreation Inventory focuses on public recreation facilities. Public recreation facilities are defined as recreational facilities which are owned by governmental agencies such as the local cities, village, townships, Ottawa County, and the State of Michigan. These facilities have rules and regulations regarding public usage which are established by the unit which owns the facility.

Public School Lands and Facilities
The public school facilities owned by the Grand Haven Area Public Schools and Spring Lake Public Schools are sometimes available for public recreation use on a limited basis. The primary use of these facilities is for education and athletics sponsored by the schools. The Districts maintain full control and scheduling of these facilities. Private and religious based schools are not considered public schools although they may choose from time to time to offer facilities on a limited basis.

Non-Profit Lands and Facilities
Lands owned or under the control of non-profit organizations such as Boy Scouts land conservancy’s, church camps, religious organizations, gun clubs, and other non-profits, may choose to offer lands and/or facilities for public use or may choose to limit use to their own membership. These lands often provide for undeveloped green space within the community, but use is subject to the permission and rules of the organization.

Private For-Profit Recreation Facilities
Private for-profit recreation facilities are privately owned facilities that charge a fee for usage. Examples of these might be golf courses, campgrounds, bowling alleys, etc. These have not been inventories within this document.

Overview
Coast Guard Park is Ferrysburg's primary community park on land which until 1973 was owned by the United States Coast Guard as a shooting range. The park is currently about 50% developed with significant opportunities for additional facilities. The park also serves as a trail head for the North Ottawa Dunes Ottawa County Park. Coast Guard Park is a short ½ mile from the shores of Lake Michigan. Facilities include a balance of active sports, picnic facilities, and passive nature trails.

Amenities and Facilities
- Softball and Two Soccer Fields
- Four Basketball Courts
- Sand Volleyball Courts
- Picnic Shelter
- Nature Trails
- Two Tennis Courts – Also Striped for Pickleball
- Picnic Tables
- Restrooms
- Play Area
- Dog Park

ADA Review
Many of the facilities at the park are ADA accessible including the new North Ottawa Dunes County Park trailhead, picnic pavilions, parking, basketball, and tennis; while others were constructed prior to the current ADA codes require upgrades such as the restrooms and athletic fields. The Dog Park also requires additional upgrades.
Overview
The area is an undeveloped dune habitat nature preserve. The parcel is L shaped and is located west of Dogwood Drive and North of Mohawk Drive. The preserve is undeveloped.

Amenities and Facilities
Undeveloped, there are no park facilities.

Accessibility Review
There are currently no facilities at the Nature Preserve.
Overview
The park is located adjacent to the firehouse, at the corner of 174th Avenue and North Shore Road. Local area youth sports leagues use the facilities. The park has no formal parking lot, but a paved parking area is included in the City’s short term Capital Improvement Plan. The park has no potential for additional facilities without acquisition of land.

Amenities and Facilities
- Two Tennis Courts
- Basketball Court
- Children’s Playground
- Baseball Field with Shared Soccer Field
- Restrooms

Accessibility Review
The park facilities are all older and were constructed prior to the current ADA codes. All of the facilities except for the restroom will require ADA upgrades when the facilities are renovated.
Overview
The Kitchel-Lindquist-Hartger Dunes Preserve is a natural dune area located just south of the City and East of North Shore Drive within the City of Grand Haven City. The property is characterized by primary dunes undergoing active dune formation, secondary dunes covered with mature hardwoods, and interdunal areas of rolling sand. A Master Plan has been prepared for the property that outlines measures for long-range protection of the dune environment and minimal improvements to foster low impact public use. Restrictions in the deeds that conveyed the land to the City require the City to maintain the preserve in its current natural state as a natural, aesthetic and educational resource. Existing facilities include an entrance identification sign, a small paved parking area, an outdoor classroom structure with restrooms and three marked trails.

Amenities and Facilities
- Outdoor Classroom Structure
- Paved Parking Area
- Marked Trails
- Restrooms (Open for Special Events Only)

Accessibility Review
The parking, restrooms, and outdoor classroom structure are accessible. The trails are natural dune and woodland surfaces and would not be considered accessible by current standards.
Overview
Tragically, in November 2005 a fifteen year old boy named Mike Herman perished in a car accident. Mike was a very active young man, who participated in many different sports, and spent many hours practicing at this field. In honor of Mike’s life and passion for sports, the community came together to renovate the local field and neighborhood park.

Amenities and Facilities
- Baseball/Soccer Field
- Tennis Court /Basketball Hoops
- Lacrosse Nets
- Volleyball Court
- Portable Toilet

Accessibility Review
None of the facilities meet current accessibility standards.
Sunnyside Park

Overview
Sunnyside Park is a half-acre park located on the southwest corner of West Spring Lake Road and Valley City Avenue, on the east side of the city. Sunnyside Park is a small community park that was designed to give the immediate neighborhood a park they could walk to, and where children could play safely. By being set adjacent to the bike path that runs along West Spring Lake Road, the park is accessible to residents that do not live in the immediate area and serves as a trail rest stop.

Amenities and Facilities
- Large Play Structure
- Swing Set
- Benches
- Picnic Table
- Restroom

Accessibility Review
All of the facilities are ADA accessible.
Overview
William Montague Ferry Park is located on the Spring Lake waterfront in the City of Ferrysburg, north of the M-104 off-ramp. The park occupies a highly visible location at a major entryway to the City. Its importance also lies in its provision of public access to waterfront. William Montague Ferry Park is conveniently connected to bike trails leading into the Village of Spring Lake and City of Grand Haven.

Amenities and Facilities
- Restroom
- 400ft Waterfront Boardwalk
- Picnic Shelter
- Picnic Tables
- Two Play Structures
- Paved Parking Lot

ADA Review
The Park includes accessible parking, picnic areas, and boardwalk areas. The restrooms do not meet the modern codes and would require renovating to bring them up to code.

Parks and Recreation Plan 2010-2015
Overview
Located on the Grand River Channel on Harbor Drive, Bicentennial Park is a linear linkage along the public Grand River waterfront. The park includes a riverfront walkway with benches, boat tie-offs, a retail/food vendor area with rooftop viewing deck, public art and linkages to curb side parking along Harbor Drive. The lawn area is a popular informal sitting and blanket picnic area.

Amenities and Facilities
- Walkways
- Benches
- Food Shops
- Benches
- Art Sculptures
- New Deck (2015)
- Connected to Grand Haven Waterfront Trail

ADA Review
The main riverfront walkway is ADA accessible with access from connecting parks. Connecting walkways between Harbor Drive and the riverfront exceed 5% due to the steep natural hill and it was constructed prior to ADA accessibility requirements. The public restrooms are barrier free.
Overview
Bolt Park is a well-maintained lawn space with large trees and flower beds. The park provides a much needed green space with the community. During the spring, summer, and fall a community market is available for local vendors produce and local goods. A play structure is proposed for future construction.

Amenities and Facilities
- Lawn and Trees
- Home to the East Town Market
- Parking

ADA Review
The public parking and sidewalks are accessible. No other facilities are located within the public greenspace.
Central Park

Overview
Central Park is located on Washington Avenue in the center of the City providing a traditional downtown public green. Significant features include a central fountain and two memorials. As the central green, it is a focus for numerous events, including weekly summer music concerts, art fairs, and holiday events. Daily the park is enjoyed as a cool shady space to walk through and sit. The park is located adjacent to the Louit District Library, Grand Haven Community Center, Ottawa County Courthouse, and U.S. Post Office. The park and fountain is also a popular location for weddings. Many weddings and social gatherings are held in the park during the summer months.

Amenities and Facilities
- Pathways
- Benches
- Historic Fountain
- Veterans Memorials

ADA Review
The park is predominately ADA accessible. Additional concrete at benches and the drinking fountain will increase accessibility in the park. The benches are historic and are not as accessible.
Overview
Located along Harbor Avenue on the Grand River channel, Chinook Pier is approximately one acre in size. It is a special use park. Within the park is the commercial fishing marina with a fish cleaning station. Adjacent to the park is a City owned commercial building with seasonal food and retail shops. An “old fashioned” miniature golf facility is operated by the City. The Chamber of Commerce operated Farmer’s Market is open Saturdays and Wednesdays, generally from May through November. Within the park the historic steam train Engine No. 1223 is on exhibit. The play area was renovated in 2014 by a joint effort of the City and Coast Guard members stationed in Grand Haven.

Amenities and Facilities
• Public Restroom Building
• Farmers Market
• Miniature Golf
• Children’s Play Area
• Splash Pad
• Commercial Boat Marina
• Fish Cleaning Station
• Historic Steam Train
• Connected to Grand Haven Waterfront Trail

ADA Review
The main walkways, restrooms, Farmer’s Market, splash pad, and marina areas are generally ADA accessible. Some of the facilities which were built prior to the current ADA standards, such as the Fish Cleaning station, are not ADA accessible for all persons.
City Beach Park

Overview
Located along Harbor Avenue south of Grand Haven State Park on Lake Michigan, City Beach Park is approximately 19.6 acres. This is a primarily public beach of approximately 3,250 lineal feet. Leashed dogs are allowed on the City owned beach before and after the summer swimming season and year-round south of the swim buoys to the City limits (south of Grand Avenue). Dogs are not allowed north of the southernmost swim buoy during the summer. See signs for specifics. Many special events are held in the park, including sand castle building contests, kite events, pole vaulting, and beachfront weddings. The City Beach parking lot is also a prime Lake access point for surfers, kite surfers, paddle boards and kayaks.

Amenities and Facilities
- Sand Beach
- Buoy Marked Swim Area
- Parking
- Restroom Facility
- Connected to Grand Haven Waterfront Trail
- ADA Beach Access Walkway
- Viewing Deck and Stairway
- Leashed Dogs in Established Areas
- Picnic Table

ADA Review
An accessible walkway within the sand beach is provided to within several feet of the water. Accessible parking, restrooms, and picnic tables are provided. Due to extensive sand, some activities are limited for those with disabilities.
Overview
Located off Sheldon Road, Duncan Woods is a beautifully wooded nature preserve of beech and hemlock trees. The park is enjoyed extensively throughout the year. A portion of the paved drive has been closed from car access which provides a primary walking area through the forested back dune. The park is popular year round.

Amenities and Facilities
- Paved Parking & Drive
- Rustic Walking Trails
- Scattered Picnic Tables
- Connected to trails in Mulligans Hollow

ADA Review
The park is undeveloped other than the paved parking and drives, making ADA access limited. The portion of the roadway closed to vehicles that is used by pedestrians and bicyclists, has slopes which exceed 5%. An ADA picnic table and parking are provided.
East Grand River Park

Overview
East Grand River Park is located adjacent to the Grand River in the northeast area of the City. The Scott Flahive Boat Launch ramp provides a public boat access, while the park provides shoreline, wetland, and dock access to the Grand River. Improvements in 2010 revitalized the park and improved ADA accessibility.

Amenities and Facilities
- Boat Launch
- Restrooms
- Picnic Shelter with Grill
- Lighted Parking
- Children’s Play Area
- Picnic tables
- Benches
- Raised Wetland Walkway
- Floating Fishing Dock and River Observation
- Baseball field
- Basketball Court
- Small Soccer Field
- Fenced, Off-Leash Large & Small Dog Areas

ADA Review
The park facilities improved and added since 2010 are ADA accessible including the picnic shelter, play area, picnic tables and benches, wetland walkway, fishing dock, Dog Park and parking. The remaining facilities of the ball field, soccer field, basketball court and second play area will be improved as the park is upgraded.
Overview

Flahive Boat Launch

Overview
The Flahive Boat Launch is located at the far eastern end of Franklin Street, turning north on Eastern to get to the parking area. The launch is very popular with residents and visitors alike. A joint Waterways Commission-City funded project consisting of dredging to the main channel and constructing a rip-rap wall to stabilize the north edge of the cove was completed in 2008. Flahive Boat Launch is one of only two public boat launches in the city and the only one where residents can launch their smaller boats (20 feet or less) without paying a fee. The launch is located entirely with the East Grand River Park, a unique riverfront park, which was renovated in 2010 utilizing funding from the Michigan Natural Resources Trust Fund and the City.

Amenities and Facilities at the Launch and in East Grand River Park
- Boat Launch
- Restrooms
- Picnic Shelter with Grill
- Lighted Parking
- Children’s Play Area
- Picnic tables
- Benches
- Raised Wetland Walkway

Overview
Both of these access sites are located at the end of 152nd Avenue and Shiawassee Drive providing public access to Pottawattomie Bayou. Neither site has designated parking, although parking is allowed within the public right-of-ways along the streets. These two sites predominately serve the adjacent neighborhoods and persons utilizing the nearby non-motorized pathway system. The 152nd Access was completed in 2013 and the Shiawassee Access was completed in 2014. Both provide ADA accessible walkways, benches and bayou viewing.

Amenities and Facilities
- Pottawattomie Bayou Access

ADA Review
Accessible walkways, benches, and bayou viewing.
Overview
Bignell Park is a small one-half acre park located on the Millhouse Bayou of the Grand River. Although small, the park provides public access to the bayou. As the park provides informal access to the bayou, its service area includes the entire Township and neighboring City of Grand Haven.

The park is undeveloped with informal pull-off parking from the street with room for three to four cars. The area of the park at street level is approximately 15’ above Millhouse Bayou with a sloping bank to the water’s edge. The park is currently utilized by ice fishermen in the winter and for passive viewing of the bayou.

Park is 100 yards west of the Township’s Non-Motorized Pathway System which is an accessible walkway.

Amenities and Facilities
- Undeveloped, there are no facilities
- Millhouse Bayou Access
Overview
These two small sites, of approximately one-half acre each are public right-of-way land areas at the end of Brucker and Buchanan Streets that extend into Lake Michigan. These road ends provide public access within the road right-of-ways to the sand beach and Lake Michigan. These two sites predominately serve the adjacent neighborhoods and persons utilizing the nearby non-motorized pathway along Lakeshore Drive.

Amenities and Facilities
- Lake Michigan Access

ADA Accessibility
There are no public facilities at these sites and they are not accessible.
Overview
Hofma Park and Hofma Preserve are located adjacent to each other on the Pottawattomie Bayou encompassing approximately 447 acres. An additional one hundred and thirteen acres, known as the Witteveen Property, has been placed in trust for the Township and will become available no later than October of 2023 for public recreation use in the future. The Michigan Natural Resources Trust Fund Board has approved the Township’s receipt of $276,500 in grant funding to acquire an additional forty acres of contiguous land abutting the west property line of Hofma Park. The acquisition is expected to be completed in 2015.

The Ferris Street Park entrance provides access and parking areas for the active sports area. A trailhead is located at the north end of the parking lot providing access to the preserve. The Ferris Street Park entrance has direct access to the Non-Motorized Pathway System. There is a second parking area and trailhead at the Hofma Preserve entrance on Sleeper Street which also has access to the Non-Motorized Pathway System.

Minnie Skwarek Nature Preserve is a 24 acre park open for public visitation with the following guidelines: foot travel only, no hunting, and no camping or camp fires. All pets must be leashed to protect wildlife.

Migratory birds find food and refuge during spring and fall migrations in the forests of Minnie Skwarek Nature Preserve. Spicebush, viburnums and wild grapes provide ripe fruit for migrant thrushes each fall. Nesting birds include: wood thrush, ovenbird, blue-winged warbler, black-throated green warbler, scarlet tanager, rose breasted grosbeak, vireos, and a variety of wood peckers, to name just a few.

Amenities and Facilities
- Trails Parking is encouraged at the Spring Lake High School just east of the trailhead.

Accessibility Review
Rustic trails. None of the trails meet accessibility standards for trail surfaces.
River Run Park

Overview
River Run Park is located on Leonard Road adjacent to the River Run Subdivision with public access to the Grand River. This park includes a section of the Leonard Road Bike Path that extends from the Village of Spring Lake to Jeffers Elementary School at the Township’s eastern border. The park is open green on the west side of Leonard Road and natural area along the river.

Amenities and Facilities
- Shelter with river views
- Non-motorized Pathway
- Demonstration Rain Garden

ADA Review
The existing pathway and shelter are ADA accessible.
Rycenga Park

Overview
Rycenga Park is located within both Spring Lake Township and Fruitport Township along Hemlock Road. The park was developed by Spring Lake Township on 40 acres gifted to the Township by John Rycenga, with 40 acres leased the township by Fruitport Community Schools. Rycenga Park is the focus for recreational activities for Township residents.

Amenities and Facilities
- 2 Baseball/Softball Diamonds
- 4 Picnic Shelters
- Nature Trails
  - 0.75 gravel nature trail with boardwalks
  - 1.25 mile woodchip nature pathways
- 4 Basketball Courts
- Play Area
- 2 Soccer Fields
- Parking and Restrooms
- 2 Sand Volleyball Courts

ADA Review
Most all of the park facilities are ADA accessible. Walkways with concrete seating surfaces would improve access to the soccer fields.
Overview
Spring Lake Township Community Park is a one-half acre of land situated between the Spring Lake District Library and Spring Lake Township Hall. The open shady green space includes lawn, trees and landscape plantings. Amenities include a picnic table and a Michigan Historical paying tribute to Winsor McCay the “father of animation”.

Amenities and Facilities
- Picnic Table
- Michigan Historical Marker

Accessibility Review
None of the areas are ADA accessible at this time. Parking at the adjacent Township Hall does provide accessible parking.
Overview
Water Tower Park is located at the intersection of Van Wagoner Road and West Spring Lake Road across West Spring Lake Road from the Lakeside Trail pathway. The park functions mostly as a neighborhood green space including pick-up games of soccer and for exercising dogs.

Amenities and Facilities
- Practice Field
- Two Tennis Courts

ADA Review
The park does not include parking or walkways. Improvements to existing facilities would include ADA parking and connecting walkway to the tennis courts; however, the courts are little used and most likely will be removed once they require replacement. Newer courts are available at the Spring Lake High School.
Alden Street End Park

Overview
This street end located on Spring Lake is attractively landscaped. A sidewalk access and wood deck provide pedestrian access, lake viewing and shoreline fishing area. Bollard lights and benches provide year round lake viewing. Drop in kayak launching is allowed.

Amenities and Facilities
- Lake Viewing Deck
- Benches
- Kayak/Canoe drop in area

Accessibility Review
The overlook and walkway areas are accessible from the street. The railings are open for fishing, but were constructed prior to current ADA fishing handrail standards. The drop-in kayak/canoe area is not accessible.
Central Park

Overview
Central Park is the largest park within the Village of Spring Lake. The park is a focus for active recreation. Central Park has direct access from M-104 on the South and East of Fruitport road via Central Ave. It is also adjacent to and accessible from the Lakeside Trail Linear Park.

Amenities and Facilities

- Grills
- Play Areas
- Restroom
- Shelter/Storage Building
- Tennis Courts (3)
- In-Line Skate Rink
- Adult and Youth Softball/Baseball Diamonds
- Basketball Courts (2)
- Dog Park

Accessibility Review
Central Park facilities have been constructed over several decades and many prior to the current ADA accessibility codes and standards and therefore most all of the facilities are not accessible. The park does have accessible parking, access to the tennis and basketball courts, and to the adjacent Lakeside Trail Linear Park. The restroom buildings, play areas, ball diamonds, picnic tables, and other facilities are not considered accessible. As the park is updated through renovations, these facilities can be renovated and brought up to current codes.
Jackson Street Dock

Overview
Jackson Street Dock is a public street end. This Spring Lake waterfront is improved with landscaping, sidewalks, dockage for boat tie ups (including the Harbor Steamer), picnic tables and viewing/fishing deck. It was renovated in 2003.

Amenities and Facilities
- Viewing/Fishing Deck
- Picnic Tables
- Boat Tie Ups

Accessibility Review
The facilities were constructed to be ADA accessible in 2003.
Lakeside Beach

Overview
This public swimming beach, about one acre in size, is located at the northwest corner of Lake Street and Beach Avenue. This facility is the main public beach on Spring. Sidewalks along Lake Street provide good pedestrian access to the park site. Parking at this location is provided along the adjacent street. The Spring Lake Area Recreation Authority provides lifeguards at the beach during the summer months. The beach provides public swimming during the summer and fishing access the remainder of the year. Residents also use the beach during non-summer months for drop in kayak access.

Amenities and Facilities
- Sand Beach
- Restrooms
- Picnic Tables
- Benches
- Deck overlooking Spring Lake

Accessibility Review
The walkways, picnic tables, and overlook deck with benches are all ADA accessible. The restroom building is partially accessible. The swimming beach water access has not been made accessible, although the adjacent walkway and tables are.
Overview
This waterfront park contains 13.5 acres of land with Grand River frontage and wetland. The park is the site of the “Music at the Point” summer concert series, held on Thursdays, entertainment tent for festivals, fireworks during the annual Spring Lake Heritage Festival and annual Spring Lake Wooden Boat Show. The boat launch has dual launch ramps with floating docks. Parking is available for 50 truck & trailer combinations, as well as 15 auto parking spaces. Facilities include, public restrooms a boardwalk and viewing/fishing decks. The Rotary Clubs Centennial Band Shell provides a performance venue. A nine acre wetland preserve provides a nature walk and direct access to Savidge St.

Amenities and Facilities
- Restrooms and Venue Shelter
- Picnic Tables and Grills
- Benches
- Deck overlooking Grand River
- Play Area
- Wetland Boardwalk
- Boat Launch and Small Marina
- Floating Boat Dock

ADA Review
All of the facilities within the park are ADA accessible except for the boat launch and small marina facilities. These are connected by walkways and parking, but do not meet the current ADA standards as they were constructed prior to the standards.
North Division Street End

Overview
This street end includes a small sand swimming area on Spring Lake. A guardrail at the street end blocks ingress to the 3,500 square foot open area. The site slopes downward from the street approximately eleven feet in elevation to the water’s edge. Recent improvements include addition of timber edging to separate the sand beach from the adjacent grassy area. This area was signed for canoe/kayak access in 2007.

Amenities and Facilities
- Beach
- Canoe/Kayak Access

Overview
This street extends to the north shore of the Grand River and is contiguous to undeveloped Village land, comprising a total estimated area of 1.3 acres. This wetland viewing location has good potential and is improved with a pathway for wildlife viewing. It will eventually be connected to South Street via the Grand River Greenway.

Amenities and Facilities
- Pathway

Accessibility Review
The pathway is accessible, although access onto the pathway is limited.
Overview
Cutler Street right-of-way provides access to the Grand River. This site is east of and contiguous with Mill Point Park with a pathway connecting to Tanglefoot Campground. A gravel access drive and unimproved parking serve the site. This area is very valuable as a staging location for dredge spoils to dry out from the annual boat launch dredging just to the west. An existing fishing and river observation deck provide excellent views of the Grand River. A drop-in canoe and kayak launch is located next to the deck.

Amenities and Facilities
- Kayak/Canoe Launch
- Viewing Deck

Accessibility Review
Currently the facilities do not meet accessibility standards and are for the most part unimproved areas.
Overview
Operated seasonally as a recreational vehicle trailer park, this well maintained facility contains 30 full hookup (water, sewer, electric, and WIFI) campsites. Along the shoreline are common lawn areas and ten wooden boat docks that provide small boat dockage for approximately ten boats. The site contains a service building with community room, washer and dryer and bathroom with showers. Eleven overflow parking spaces are provided, 6 on Park Street and 5 on the east portion of the site adjacent to the municipal well house – off the division street end. This park was renamed Tanglefoot in 2004 to recognize the flypaper invented by the Thum family who gave the Village the land for recreational and educational purposes in 1927.

Amenities and Facilities
- Playground
- Pavilion

Accessibility Review
The picnic pavilion is accessible. The play area is partially accessible. The aging equipment does not meet current accessible standards, but as the equipment is replaced the accessibility in the park can be improved.
ADA Accessibility Assessment of Existing Park Facilities

The Guidelines for the Development of Community Park, Recreation, Open Space and Greenway Plans prepared by the Michigan Department of Natural Resources Grant Management Division requires the completion of an Accessibility Assessment.

**ADA Park Review and Assessment**
This assessment was completed in each park during the individual park tours and the information has been incorporated into the planning process.

**Individual Park Inventory Sheets**
A brief description of the accessibility of each park is included for public information on the individual park inventory sheets within the Recreation Inventory section of the plan. These sheets will be available for public viewing and use on the community websites.

**ADA Accessibility Assessment Chart**
An ADA accessibility Assessment Chart is included in this section which summarizes the accessibility of the parks within the five communities based on the MDNR Accessibility Ranking System further discussed below.

**Goals and Objectives:**
Each of the communities included future Goals and Objectives for improving ADA accessibility within the parks through renovation and future development projects. These are included in the Goals and Objectives Section.

**Action Plan and Future Projects**
Each of the communities embraces the commitment to make the parks more accessible. As they renovate and improve the existing parks the facilities are being upgraded and made more accessible. New facilities are incorporating the principals of Universal Design from the initial design through construction. These projects are being accomplished as funding is available for park improvements.

**MDNR ADA Accessibility Ranking System**
The MDNR planning booklet provides a ranking system to be utilized in evaluating public parks and open spaces. This ranking system is based on the following:

1= none of the facilities/park areas meet accessibility guidelines
2= some of the facilities/park areas meet accessibility guidelines
3= most of the facilities/park areas meet accessibility guidelines
4= the entire park meets accessibility guidelines
5= the entire park was developed/renovated using the principals of universal design.
Appendix D. Barrier Free Accessibility Requirements for Parks, within the guidelines booklet, provides the following written comments regarding parks and accessibility.

“Recreational areas, facilities, and programs play an important role in the life of the community; therefore it is essential that people with disabilities have an equal opportunity to enjoy these areas and any programs provided. Federal and state laws prohibit discrimination on the basis of disability, and these laws apply to parks and other recreation lands and programs controlled and operated by local units of government. The DNR has a strong commitment to barrier free recreational opportunities in our Department-managed programs and facilities. This commitment extends to those communities that receive recreation grants.

Under the state Utilization of Public Facilities by the Physically Limited Act (Public Act 1 of 1966, as amended) all facilities, including improved areas used for recreation, must meet the barrier free design requirements contained in the state construction code. Under this act, the administration and enforcement related to barrier free design requirements are vested in the local or state government agency responsible for issuing a building permit. If the project does not require a building permit, administration and enforcement of barrier free design requirements are vested in the Department of Labor and Economic Growth.

Any request for an exception to the barrier free design requirements of the state construction code must be submitted to the Barrier Free Design Board, with the Department of Labor and Economic Growth (517-241-9300). The Barrier Free Design board has the responsibility to receive, review, and process requests for exceptions to barrier free design specifications; require appropriate equivalent alternatives when exceptions are granted; and receive, process, and make recommendations for barrier free design rules.

Because the state construction code does not apply to many recreation facilities, it is essential that you also be aware of and understand the existing federal guidelines covering these types of facilities. In July 2004, the federal Architectural and Transportation Barriers Compliance Board (known as the Access Board) issued updated guidelines, entitled the Americans with Disabilities Act Accessibility Guidelines (ADAAG), for new or altered facilities covered by the Americans with Disabilities Act of 1990 (Public Law 101-336) or the Architectural barriers Act of 1968 (Public Law 90-480). These guidelines should eventually be adopted as enforceable standards. Until that occurs, the existing ADAAG standards must be followed when the two conflict.”

Ottawa County Parks and Recreation Commission

The Ottawa County Parks and Recreation Commission, funded through public millage, including residents of Grand Haven Township, has an extensive system of parks. The list below does not include all of the County Parks, but does include parks located in surrounding Townships and Cities, which are used more frequently by Township residents.

Kirk Park-(Within Grand Haven Charter Township)
Kirk Park is located in the southern region of Grand Haven Township. The 68 acre park is located on Lake Michigan with 1,850 lineal feet of Lake Michigan beach. The land is comprised of beach front, sand dunes and wooded back dune areas. Facilities include a picnic pavilion, playground, restrooms, Kirk Park Lodge, open picnic areas, swimming beach, hiking trails and un-groomed cross country ski trails, and horseshoe pit. New to the park is an off-leash dog beach.

Hiawatha Forest (Within Grand Haven Charter Township)
Hiawatha Forest, located on Fillmore, is a 365 acre flat natural site with both hardwood stands and red pine plantations with a very limited, unmarked trail system. A small parking area and information kiosk is the only developed facilities. Off-trail hiking and cross-country skiing is allowed as well as both on or off leash dog use.

Rosy Mound Natural Area- (Within Grand Haven Charter Township)
Rosy Mound Natural Area is 276 acres of unique sand and wooded dunes with .65 miles of Lake Michigan shoreline. Facilities include extensive walkways and stairways within the dunes and woodlands to Lake Michigan, picnic facilities, restrooms near the parking area and beach, a unique shade canopy near the beach, interpretive signs, and parking. The park is connected along Lakeshore Drive to the Township’s Non-Motorized Pathway System.

North Beach Park
North Beach Park is a popular 7 acre park located north of the Grand River channel in the City of Ferrysburg. The park includes 745 lineal feet of Lake Michigan beach with a large natural dune formation with a dune stairway and observation platform for lake viewing. The beach is open for swimming and public access. Park facilities also include a large picnic shelter, barrier free beach
walkway, seasonal vending concession, play area, sand volleyball court, picnic tables and grills, and restrooms.

**North Ottawa Dunes**
The North Ottawa Dunes encompasses 513 acres of natural dunes areas between the Grand River and the southern boundary of P.J. Hoffmaster State Park. Ten miles of hiking trails provide access to the dunes as well as North Ottawa Beach Park, P.J. Hoffmaster State Park, Ferrysburg's Coast Guard Park, and other undeveloped land owned by Spring Lake Township. Access to the dunes ten miles of informal trails are through the trailhead and parking at Coast Guard Park with trailhead facilities including picnic tables, restrooms, and hiking trails.

**Olive Shores**
The mostly wooded 20-acre site includes a steep sand dune formation with 738’ of Lake Michigan frontage. Facilities include a parking area, restrooms, picnic tables, a barrier free trail loop, and a boardwalk through the dunes with overlooks of Lake Michigan and beach access including swimming.

**Tunnel Park**
Tunnel Park is a 22 acre park located south of the Township on Lake Michigan. It offers beach swimming, picnic facilities, restroom building, four sand volleyball courts, two picnic shelters, playground, horseshoe pit, and dune stairway. A unique tunnel provides access to the Lake Michigan beach.

**Hemlock Crossing and Pine Bend**
Hemlock Crossing and Pine Bend are a combined 239 acres of woods and wetlands along the Pigeon River. The parks offer over 6 miles of trails for hiking and cross country skiing. Trails connect also to Pine Bend on the west end of the property. Facilities include parking, a Nature Education Center, a unique pedestrian bridge, scenic overlooks along the trails, two small picnic shelters with tables and grills, modern restrooms, hiking and un-groomed cross country ski trails, and a canoe and kayak launch. The adjacent Pine Bend Park offers additional parking, picnic tables and grills, the Weaver House, historic interpretation, rustic toilets and trails.
Port Sheldon Lake Michigan Property
Located in Port Sheldon Township, this is a small 6.68 acres of land located on Lake Michigan with 200 feet of shoreline. The park land is forested dune land and is currently undeveloped.

Riverside Park
This is a 64 acre park located in Robinson Township on the Grand River with approximately 4,350 feet of waterfront. Facilities include a boat launch, picnic shelter, fishing docks, and rustic toilets.

Connor Bayou Property
This parcel of land has nearly a mile of Grand River frontage within 142 acres of land. Facilities include a Woodland Cabin, parking areas, ADA accessible walkways, rustic toilets, picnic tables, hiking trails and boardwalks, kayak and canoe launch, rover overlook decks and fishing dock.

Pigeon Creek Park
Pigeon Creek is a 282 acre natural area along Pigeon Creek with another 130 adjacent acres of County Open Space land. The natural areas include over ten miles of trails through the wooded and wetland areas. The trail system includes designated trails for hiking, biking, and equestrian use, and a 0.9 mile trail barrier free trail loop. Winter sports include trails groomed for classic and ski skating, and a sledding hill. Three miles of the trails are lighted for winter night use. A large indoor Pigeon Creek Lodge provides for programming, ski rental, and serves as a winter warming building. A group camping area can be reserved by recognized organizations.

Deer Creek
Deer Creek is a two acre public site located on the Grand River. A boat launch for small fishing boats, canoes, and kayaks with picnic tables and rustic toilets are the available facilities.

Michigan Department of Natural Resources Parks & Lands

The State of Michigan owns several acres of land that provide recreational resources within the regional area. They include the following:

**Grand Haven State Park**
Grand Haven State Park is located on both the north and south ends of the channel at the mouth of the Grand River as it enters Lake Michigan. The north end provides a parking area and access to the pier for fishing. The southern portion of the park is the largest and is located directly adjacent to the City of Grand Haven and links to the channel side path. The state park includes 160 camping spaces located directly on the beach as well as a large public beach. The park is very popular and is filled to capacity almost daily in the summer months.

**P.J. Hoffmaster State Park**
Hoffmaster State Park is located five miles north of Grand Haven directly on the shores of Lake Michigan. The park is unique and features environmentally sensitive sand dunes. The park facilities include hiking trails, camping, a large beach and picnic facility. Of particular interest is the E. Genevieve Gillette Sand Dune Interpretive Center offering both static and changing exhibits featuring the formation of Michigan sand dunes, plant life, and wildlife.

**Grand Haven State Game Area**

The facility includes boat ramps and on-site parking for vehicles and trailers. The facility is heavily used throughout the boating season. Additional facilities have not been added as the development has utilized all existing available land and has not needed upgrading due to the newness of the facilities. $275,000.00
