

**CITY OF GRAND HAVEN
KAYAK STORAGE RACK
POLICY & PERMIT APPLICATION
2017**

The City makes kayak rack space available to residents who own kayaks and wish to store them on City property near kayak launch locations at East Grand River Park and Harbor Island (along the south channel).

Kayak space is available for rental for seven-month periods (April 1 – October 31) on a first come, first served basis. Seasonal reservations may be made by City residents beginning on December 1 each year. Reservations are open to non-City residents on February 1 each year.

Cost per location is \$100 per rental period.

The City Clerk will issue a plastic tag to be affixed to the kayak storage unit during the entire rental period for which each kayak space is reserved.

Kayak owners are responsible for locking kayaks in place. The City assumes no responsibility for the safety or security of kayaks left in racks. The kayak owner acknowledges no recourse against the City when submitting application.

Location Requested: East Grand River Park Harbor Island
