SITE PLAN REVIEW APPLICATION PROCESS, cont.

See Section 40-115.05 of the Zoning Ordinance for a complete set of regulations.

1. **Step 1 - Application for Site Plan Review is filed:** An application is deemed complete upon submission and acceptance of the completed application form and all required documentation. Incomplete submissions will receive a list of items needed to make the submittal complete. Once an application is deemed complete, a petitioner will be scheduled on the next available Planning Commission’s agenda. The meeting shall be held within forty-five (45) days of the date of the receipt of the complete plans and completed application.

2. **Step 2 – Staff Review:** A basic site plan is reviewed by the Zoning Administrator in accordance with Section 40-115.06. The applicant and the Zoning Administrator shall sign an approved basic site plan, and a copy shall be kept on file with the City for future review and enforcement.

   A detailed site plan submittal is reviewed by the Zoning Administrator, and when necessary, the Building Official, the Department of Public Safety, City Engineer, County Health Department and the Michigan Department of Transportation. The Zoning Administrator and City officers and agencies shall have forty-five (45) days from receipt of a complete site plan review application to prepare staff comments on the application.

3. **Step 3 – Planning Commission meeting:** A meeting shall be scheduled for a review of the application, plans, and of the recommendation of the Zoning Administrator. The applicant will be notified of the date, time and place of the meeting on the application not less than three (3) days prior to such date.

**Term of Approval of the Site Plan (see Section 40-115.08 of the Zoning Ordinance)**
