5. **Financial Report**

Superintendent Vredevelde reports on the balances we are currently showing for our debt cash funds as well as our plant modification and operating funds. Also included in meeting packet was a revenue and expenditure report to show how we have been progressing with our budget.

**6. Superintendent's Report**

Land applied about 1 million gallons, and will be hauling again this month  
Continued work on our solids handling improvements and we are quite happy with our current solids percentages

Signed a new 2-year contract with our land application trucking company

Sludge storage roof will be started again soon and finishing before end of FY

Effluent pump project is almost complete

Control building roof project has been started

PFAS data table, all results are under benchmark standards

Grand Valley State still performing covid study

Doris Van Dam award – member McGinnis expressed his intent on providing this story to local newspaper for a possible story.

**7. Spring Lake pump station – 12" force main**

What do we want to do with this force main?

Pat S. will talk with P&N about the current status/long-term plan

**8. Biological Phosphorus Removal – Anoxic Tank Baffle Improvement**

Memo from Prein & Newhof Engineers providing recommendation for replacement material to be used in improvement project

Currently a geo-membrane curtain (rubber), recommended to go with Fiberglass instead.

Project is slated to come up in next year budget.

No motion necessary because it was already approved as part of the budget.

**9. General Business.**

**A. Budget Amendments**

At this time, the Sewer Authority board may approve a motion to accept the updated FY 2021-2022 budget revenues and expenses presented.

Superintendent explains that we are drawing down cash reserves to cover "missing revenues"

Expenses not as high as anticipated due to TJ leaving (wages & benefits), and adjustments to depreciation are main adjustments being made

Motion by Cargo to approve as present and seconded by McGinnis.

All in support - Motion carries.

**B. Debt Rates**

Memo from Ottawa County Road Commission providing their recommendations for debt rates for our 2013 and 2018 bonds.
