TREASURER'S REPORT

The April 30 General Fund, Maintenance Fund, and Debt Service Fund Financial Reports and Bank Account Reports were received and reviewed. Ms. Derdowski reported that she discussed the unrealized gains and losses of the Fifth-Third Maintenance Fund with Loutit's investment advisor Kevin Matthews. The bonds and CDs have an average duration of 1.9 years and the rates will reset again in the fall. No loss will be realized unless the instruments are liquidated. Mr. Matthews' advice was not to liquidate, but allow them to mature.

In response to questions, Ms. Derdowski explained the cost structure of the electronic databases, which is variable. She also informed the Board the Library is invested in a new certificate of deposit at Lake Michigan Credit Union for the General Fund.
