New Business

20-37 Presentation by Pat McGinnis re: East Grand River Park

Notes: The Girl Scout house on Franklin Street doesn’t seem to suit the overall representation of Scouts and outdoor activities. East End Park has a large area that could offer more outdoor space and a new girl scout building. Along with a new building there is the opportunity to replace the existing public restrooms which are in need of replacement.

29-38 Presentation by Pat McGinnis re: tennis courts at Lakeshore Middle School

Notes: Pickleball continues to grow and Lakeshore Middle School has potential to host 10 additional pickleball courts. Pat has talked with school officials who are on board with the idea of the old unused tennis courts along Grant Street to be repurposed for pickleball courts. The City and Schools would work together on this.
