

WATER POLLUTION REPORT FORM

FOR CITY OF GRAND HAVEN EMPLOYEES

Activities to Report

As you perform your routine duties, if you observe anyone (landscapers, contractors, waste haulers, residents, etc.) dumping anything into a storm drain, report it. Storm drains lead directly to nearby streams and lakes, usually without any type of treatment. City of Grand Haven is regulated by the state and federal governments, and we can be fined for failure to prevent and reduce the amount of pollutants entering the storm drain system. Motor vehicle fluids, paint and chemicals, yard waste, restaurant wastes, etc. should be disposed of properly. Only rainwater should enter a storm drain.
