

# 2020-2021 Recycling Collection Calendar

 Holiday: Recycling service will be one day later if a holiday falls on or before your service day

 Recycling Week

Republic Services® is converting to an every other week carted recycling service. 95-gallon recycling carts will be delivered to residents who are currently signed up/participating in the recycling program and in the time frame between June 29, 2020 – July 3, 2020.

To either sign up or opt out of the recycling program, call 616.662.6791 and leave a message per the phone prompts. Service will remain weekly through July 3, 2020, and bins will be serviced. Effective July 13, 2020, recycling collection will be every other week and bin service will no longer be an option. Your recycling collection day will be the same day as your trash collection day.

We will be placing carts at the DPW yard at 1120 Jackson and at 555 Columbus in the city parking lot as alternative drop-off sites for HOA/condo associations.

The rates for your recycling/trash/yard waste services has increased retroactive to January 1, 2020. Since many residents had mistakenly received an increase in January almost identical to the new approved rates, no refunds or retroactive increases will be necessary.

We'll handle it from here.®
